Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Feel free to call us at the telephone numbers listed at the end of this letter.

Prospectus

General

1. Please provide us with any artwork that you intend to use. The inside front cover artwork should be clear illustrations of your product or business with concise language describing the illustrations. Artwork that does not convey the business purpose and language that strays beyond a limited scope will not be appropriate inside the front cover. Please refer to Section VIII of the Division of Corporation

Finance March 31, 2001 Current Issues and Rulemaking Projects Quarterly Update available at www.sec.gov.

2. In numerous places in the prospectus, you compare yourself to others in your industry. Please provide us with the basis for such comparisons, including:
 - On page 1: “Our circuit is the third largest in the U.S.”
 - On pages 1 and 3: “the most geographically diverse circuit in Latin America.”
 - On page 1: “We grew out total revenue per patron at the highest compound annual growth rate, or CAGR, during the last two fiscal years among the three largest motion picture exhibitors in the U.S.”
 - On pages 1 and 3: “Century’s theatre circuit is among the most modern in the U.S.” and “We have one of the most modern theatre circuits in the industry,” respectively.
 - On page 2: “[W]e ranked either first or second by box office revenues in 27 out of our top 30 U.S. markets.”
 - On page 3: “We feature stadium seating in 78% of our first run auditoriums, the highest percentage among the three largest U.S. exhibitors.”
 - On page 3: “[W]e grew our admissions and concessions revenues per patron at the highest CAGR during the last two fiscal years among the three largest motion picture exhibitors in the U.S.”
3. Please remove marketing language from the prospectus or provide independent verification that such claims are true. For example:
 - Pages 1: “disciplined growth strategy.”
 - Pages 1: “superior movie-going experience.”
 - Page 3: “rigorous site selection.”
 - Page 3: “superior execution.”
 - Page 3: “consistently delivering value to our shareholders.”
4. Your presentation of adjusted EBITDA, as a performance measure, does not comply with Item 10(e) of Regulation S-K, because it eliminates certain recurring charges (e.g. impairment of long lived assets, (gain)/loss on sale of assets and other, deferred lease expense). Therefore, your discussion of adjusted EBITDA and adjusted EBITDA margin should be eliminated. However, if management believes that adjusted EBITDA is a material covenant of your credit agreements and is important to an investor’s understanding of your company’s capital structure and liquidity conditions, you may include a discussion of adjusted EBITDA within the liquidity and capital resources section of MD&A along with a

reconciliation to operating cash flows, the most directly comparable GAAP liquidity measure. For guidance refer to Question 10 of the Staff's Frequently Asked Questions Regarding the Use of Non-GAAP Financial Measures.

Market Information, page i

5. For each source of information you cite here, please either file a consent for the use of such information or confirm that the cited information is publicly available for free or for a nominal cost, quantifying any such nominal cost. Refer to Rule 436 of Regulation C. Alternatively, you may remove your references to the third parties and attribute the information to the company, based on its own research.
6. We note your statement in the second paragraph indicating that, other than "compiling and extracting," you "take no further responsibility" for market and industry data provided by third parties. Furthermore, you indicate that you cannot provide assurance of the accuracy of such data. Disclaimer of liability for material information provided by the issuer are not appropriate. Please revise to remove the language noted above.

12. For each place where you mention revenues in the text please also include net income/loss for the same period. Including both numbers will better held investors in evaluating your company.

For example, if you mean that it operates the largest digital in-theater network in the U.S. for providing cinema advertising and non-film events, then please so state. 29. Please provide the approximate amount of proceeds intended to be used for each purpose you state, if practicable. Refer to Item 514 of Regulation S-K.

Liquidity and Capital Resources, page 46

30. Due to the fact that you are significantly leveraged, you should revise the liquidity and capital resources section of your MD&A to include a discussion of your overall capital structure, including a discussion of debt covenants and a more detailed discussion of your total outstanding long-term debt, borrowing capacity and interest costs. In order to assist investors in understanding the potential effects of your financings on your operations, this discussion should be presented in plain English, summary form, and/or in a tabular format.

35. You state that you operate as a single business segment. However, in light of the fact that you have international operations as well as operate both discount and high end theaters in North America, it appears that you may have multiple operating segments, which would qualify for separate reporting. As such, if

applicable, please tell us how you applied the aggregation criteria under paragraph 17 and 18 of SFAS 131 to these operating segments. If you believe that these operations are not separate operating segments, please provide us with a detailed analysis supporting your conclusion.

Film Licensing, page 60

38. Please provide the range of admission prices for your first-run theatres, as you do for your discount theatres on page 61.
39. You indicate on page 61 that your discount theatres “offer many of the same amenities as our first run theatres.” Please describe any major differences, such as the lack of stadium seating, if applicable. In addition, in a suitable place in the business section, please discuss your preference for one method of distribution over the other both in general and within any particular market. In addition, if discount theatres account for 10% or more of consolidated revenue in any of the last three fiscal years, provide the amount or percentage of total revenue contributed by such theatres for that period. Refer to Item 101(c)(1)(i) of Regulation S-K.

Marketing, page 62

40. Please describe the status of your efforts to install digital equipment “in the majority of our theatres,” as you indicate at the bottom of page 62. In addition, on page 46 you indicate that your efforts in this regard are ongoing, while on page F-44 you indicate that you have fulfilled your obligations for instillation of digital equipment. Please revise your disclosure to reconcile or advise.

46. Please revise your disclosure to provide beneficial ownership as required by Item 403 of Regulation S-K and Exchange Act Rule 13d-3(d)(1). In that regard, please disclose the ownership of K&E Investment Partners, L.P. – 2004-B DIF referenced in footnote (1). It is not appropriate to indicate an entity as being the beneficial owner of interests in your company without disclosing the ownership of such entity.
47. Please disclose the transactions pursuant to which the selling shareholders received their shares.
48. It does not appear that any of the selling stockholders are registered broker-dealers. Please confirm. In addition, please tell us whether any of the selling stockholders are affiliates of broker-dealers.

Common Stock, page 87

50. The second-to-last sentence, which says that all shares now outstanding are, and those to be issued in this offering will be, fully paid and non-assessable, is a legal conclusion which you are not qualified to make. Consolidated Financial Statements as December 31, 2005

General

53. While we understand that Cinemark Holding, Inc. is technically a new reporting company, its consolidated financial statements at December 31, 2005 are, in all material respects, those of Cinemark Inc. and subsidiaries, a publicly registered company under Section 13 or 15(d) of the Securities Exchange Act of 1934. As such, in order to ensure that investors receive sufficient information regarding all of the facts and circumstances surrounding the IPO, please expand Note 3 to describe, in significant detail, the circumstances surrounding your decision to apply push down accounting instead of historical cost and the impact it had on previously filed financial statements (e.g. your equity has increased significantly and results of operations have significantly decreased due the impairment of goodwill). In addition, please tell us whether you intend to apply push down accounting to the financial statements of your public subsidiaries.
54. The financial statements should be updated, as necessary, to comply with Article 3-12 of Regulation S-X, at the effective date of the registration statement. Due to the significant nature of this update, please be aware that we may require a significant amount of time to review your updated financial statements once we receive them.

Consolidated Statements of Operations, page F-4

55. Please revise to remove the “total cost of operations” caption, and any discussion thereof, as this sub-total does not include all operating costs.

56. Please revise to disclose balances of major classes of depreciable assets and land.

Revenues and Expense Recognition, page F-9

57. Please revise to disclose amounts of revenue recognized on unredeemed gift cards and other advance sale-type certificates for which the likelihood of redemption became remote.

Condensed Consolidated Financial Statements as of September 30, 2006

Note 3- Investment in National CineMedia, page F-44

58. We note that National CineMedia intends to distribute the net proceeds from its IPO to its current owners in connection with modifying payment obligations for network access. Please tell us the nature and terms of this payment modification and how you plan to account for it.

Note 6- Early Retirement of Long-Term Debt, page F-47

59. With respect to your 9 ¾% senior discount notes, a portion of which were redeemed in May 2006, it is unclear whether you classified repayments of accreted interest at the date of redemption in your statement of cash flows as an operating activity pursuant to paragraph 23(d) of SFAS 95. Please advise us supplementally of your classification and the amount of accreted interest repaid.

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.
