Item 1.01 Entry into a Material Definitive Agreement.

On June 3, 2011, Cinemark USA, Inc., our wholly-owned subsidiary (“*Cinemark USA*”), completed an offering of \$200 million aggregate principal amount of 7.375% Senior Subordinated Notes due 2021 (the “*Notes*”) to qualified institutional buyers in reliance on Rule 144A and to persons outside the United States in accordance with Regulation S under the Securities Act of 1933, as amended (the “*Securities Act*”). The Notes are guaranteed by certain of our other subsidiaries (the “*Guarantors*”).

Indenture

The Notes were issued pursuant to an Indenture, dated as of June 3, 2011 (the “*Indenture*”), by and among Cinemark USA, the Guarantors and Wells Fargo Bank, N.A., as trustee (the “*Trustee*”). Cinemark USA’s obligations under the Notes are jointly and severally guaranteed by the Guarantors and will be guaranteed by any Restricted Subsidiary (as defined in the Indenture) that guarantees, assumes or in any other manner becomes liable with respect to any indebtedness of Cinemark USA or any Guarantor. If Cinemark USA cannot make payments on the Notes when they are due, the Guarantors must make them instead.

The Notes and the guarantees of the Notes are the senior subordinated unsecured obligations of Cinemark USA and the Guarantors and rank equally in right of payment with the future senior subordinated debt and junior in right of payment to the existing and future senior debt of Cinemark USA and the Guarantors, including all borrowings under Cinemark USA’s senior secured credit facility and the 8.625% Senior Notes due 2019. The Notes and the guarantees of the Notes are structurally subordinated to all existing and future debt and other liabilities of Cinemark USA’s subsidiaries that are not Guarantors.

The Notes will mature on June 15, 2021. Interest on the Notes accrues at a rate of 7.375% per annum and is payable semi-annually in arrears on June 15 and December 15 of each year, commencing on December 15, 2011. Cinemark USA is obligated to make each interest payment to the holders of record of the Notes as of the immediately preceding June 1 and December 1.

Cinemark USA will have the option to redeem all or a portion of the Notes at any time on or after June 15, 2016 at specified redemption prices, plus accrued and unpaid interest on the Notes to the date of redemption. Prior to June 15, 2016, Cinemark USA has the option to redeem all or any part of the Notes at 100% of the principal amount, plus a make-whole premium, plus accrued and unpaid interest on the Notes to the date of redemption. At any time prior to June 15, 2014, Cinemark USA may also redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture with the net proceeds of certain equity offerings at a redemption price equal to 107.375% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any.

Upon the occurrence of a Change of Control (as defined in the Indenture), Cinemark USA will be required to make an offer to each holder of Notes to repurchase all or any part of the Notes for a cash payment equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, thereon to the date of repurchase.

The Indenture contains covenants that limit, among other things, the ability of Cinemark USA and that of certain of its subsidiaries to (1) make investments or other restricted payments, including paying dividends, making other distributions or repurchasing subordinated debt or equity, (2) incur additional indebtedness and issue preferred stock, (3) impose restrictions on the payment of dividends or the making of other distributions, (4) enter into transactions with affiliates, (5) enter new lines of business, (6) merge or consolidate with, or sell all or substantially all of its assets to, another person and (7) create liens.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment with respect to the Notes, the breach of covenants contained in the Indenture, payment defaults or acceleration of other indebtedness, the failure to pay certain judgments and certain events of bankruptcy, insolvency or reorganization. Generally, if an event of default occurs, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare the principal and accrued but unpaid interest on all the Notes to be due and payable immediately. In the case of certain events of bankruptcy, insolvency or reorganization, all outstanding Notes will become due and payable immediately without further action or notice.

The foregoing description of the Indenture is qualified in its entirety by reference to the complete copy of the Indenture filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated by reference herein.

Exchange and Registration Rights Agreement

In connection with the offering of the Notes, Cinemark USA and the Guarantors entered into an Exchange and Registration Rights Agreement, dated as of June 3, 2011 (the "**Registration Rights Agreement**"), with the Initial Purchasers. Under the Registration Rights Agreement, Cinemark USA and the Guarantors have agreed to use their commercially reasonable best efforts to file a registration statement with the Securities and Exchange Commission within 90 days of June 3, 2011 with respect to an offer to exchange the Notes for substantially identical notes that are registered under the Securities Act. Cinemark USA and the Guarantors are required to use their commercially reasonable efforts to cause the exchange offer registration statement to become effective at the earliest practicable time, but not later than 180 days after June 3, 2011 and to hold the exchange offer open for at least 20 business days. If Cinemark USA and the Guarantors fail to meet these or other certain obligations, they will be required to pay additional interest to the holders of the Notes. In addition, under certain circumstances, Cinemark USA will be required to file a registration statement for the resale of the Notes.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the complete copy of the Registration Rights Agreement filed as Exhibit 4.2 to this Current Report on Form 8-K and is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant.

The information provided in Item 1.01 of this Form 8-K concerning the Indenture, the Notes and the guarantees thereof is hereby incorporated into this Item 2.03.

Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) Transfer or Exchange of Unrestricted Definitive Notes to Beneficial Interests in Restricted Global Notes Prohibited An Unrestricted Definitive Note may not be exchanged for, or transferred to Persons who take delivery thereof in the form of, beneficial interests in a Restricted Global Note.

(v) Issuance of Unrestricted Global Notes If any such exchange or transfer from a Definitive Note to a beneficial interest in an Unrestricted Global Note is effected pursuant to subparagraphs (ii)(B), (ii)(D) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof or in accordance with a previously delivered Authentication Order, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(d) Transfer and Exchange of Definitive Notes for Definitive Notes Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by such Holder's attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(i) Restricted Definitive Notes to Restricted Definitive Notes Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer shall be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer shall be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable.

(ii) Restricted Definitive Notes to Unrestricted Definitive Notes Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted

Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note only if:

(A) such exchange or transfer is effected pursuant to an Exchange Offer in accordance with the Registration Rights Agreement and the Holder, in the case of an exchange, or the transferee, in the case of a transfer, makes any and all certifications in the applicable Letter of Transmittal;

(B) any such transfer is effected pursuant to a Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) any such transfer is effected by a Broker-Dealer participating in the Exchange Offer pursuant to the Exchange Offer Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar and the Company receive the following:

(1) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(2) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the clauses of Section 2.06(e)(ii), the Trustee shall cancel the prior Restricted Definitive Note and the Company shall execute, and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof or in accordance with a previously delivered Authentication Order, the Trustee shall authenticate and deliver to the Person designated in the instructions an Unrestricted Definitive Note in the appropriate principal amount.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(e) Exchange Offer. Upon the occurrence of an Exchange Offer in accordance with a Registration Rights Agreement, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate (i) one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of the beneficial interests in the applicable Restricted Global Notes tendered for acceptance by Persons that make any and all

certifications in the applicable Letter of Transmittal or are deemed to have made such certifications if delivery is made through the Applicable Procedures as may be required by such Registration Rights Agreement and accepted for exchange in the Exchange Offer and (ii) Unrestricted Definitive Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Notes tendered for acceptance by Persons who made the foregoing certifications and accepted for exchange in the Exchange Offer. Concurrently with the issuance of such Notes, the Trustee shall cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly, and the Company shall execute and the Trustee shall authenticate and deliver to the Persons designated by the Holders of Restricted Definitive Notes so accepted Unrestricted Definitive Notes in the appropriate principal amount.

(f) Legends. The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(iv) ERISA Legend. Each Note issued or exchanged under this Indenture shall bear a legend in substantially the following form:

“BY ACCEPTANCE OF A NOTE (OR AN EXCHANGE NOTE), EACH HOLDER WILL BE DEEMED TO HAVE REPRESENTED AND WARRANTED THAT EITHER (A) NO PORTION OF THE ASSETS USED BY SUCH HOLDER TO ACQUIRE OR HOLD THE NOTES OR THE EXCHANGE NOTES CONSTITUTES THE ASSETS OF ANY EMPLOYEE BENEFIT PLAN THAT IS SUBJECT TO TITLE I OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“ERISA”), A PLAN, INDIVIDUAL RETIREMENT ACCOUNT OR OTHER ARRANGEMENT THAT IS SUBJECT TO SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) OR PROVISIONS UNDER ANY OTHER FEDERAL, STATE, LOCAL, NON-U.S. OR OTHER LAWS, RULES OR REGULATIONS THAT ARE SIMILAR TO SUCH PROVISIONS OF ERISA OR THE CODE (“SIMILAR LAWS”), OR ENTITY WHOSE UNDERLYING ASSETS ARE CONSIDERED TO INCLUDE “PLAN ASSETS” OF ANY SUCH PLAN, ACCOUNT OR ARRANGEMENT OR (B) THE PURCHASE AND HOLDING OF THE NOTES OR THE EXCHANGE NOTES (AND THE EXCHANGE OF NOTES FOR EXCHANGE NOTES) BY SUCH HOLDER WILL NOT CONSTITUTE A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE OR A SIMILAR VIOLATION UNDER ANY APPLICABLE SIMILAR LAWS.”

(g) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note

shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Company's order.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.15 and 9.05 hereof).

(iii) The Registrar shall not be required to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company and the Registrar shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) The Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) Subject to compliance with any applicable additional requirements contained in this Article, when a Note is presented to the Registrar with a request to

register a transfer thereof or to exchange such Note for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested; *provided, however*, that every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by an assignment form and, if applicable, a transfer certificate, each in the form included in Exhibit A attached hereto and in form satisfactory to the Registrar and each duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registration of transfers and exchanges, upon surrender of any Note for registration of transfer or exchange at an office or agency maintained for such purpose pursuant to Section 2.03, the Company shall execute, and the Trustee shall authenticate, Notes of a like aggregate principal amount at the Registrar's request.

(x) Any Registrar appointed pursuant to Section 2.03 shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes upon transfer or exchange of Notes.

(xi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or other beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xii) None of the Company, the Trustee or any Paying Agent shall have any responsibility or liability for any aspect of the records relating to, or payments made on account of or transfers of, beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(xiii) None of the Company, the Trustee or the Registrar shall have any liability for any acts or omissions of the Depository, for any Depository records of beneficial interests, for any transaction between the Depository or any Participant and/or beneficial owners, for any transfers of beneficial interests in the Notes, or in respect of any transfers effected by the Depository or by any Participant or any beneficial owner of any interest in any Notes held through any such Participant.

SECTION 2.07. Replacement Notes. If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order or in accordance with a previously delivered Authentication Order, shall authenticate a replacement Note if the Company's and the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note issued in accordance with this Section 2.07 is an additional obligation of the Company and any other obligor upon the Notes and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

The Company and the Trustee may charge the Holder for their expenses in replacing a Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.11. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose canceled Notes in accordance with customary practices (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes shall be delivered to the Company from time to time upon written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

SECTION 2.13. Issuance of Additional Notes.

The Company shall be entitled, subject to its compliance with Section 4.09, to issue Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date or the Exchange Notes issued in exchange for the Initial Notes, other than with respect to the date of issuance and issue price, first payment of interest and rights under a related Registration Rights Agreement, if any.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (b) the issue price, the issue date and the CUSIP number and corresponding ISIN of such Additional Notes; and
- (c) whether such Additional Notes shall be issued in the form of Initial Notes as set forth in Exhibit A to this Indenture or shall be issued in the form of Exchange Notes as set forth in Exhibit A to this Indenture.

SECTION 2.14. One Class of Securities.

The Initial Notes issued on the Issue Date, all Exchange Notes issued in exchange therefor and any Additional Notes shall be treated as a single class for all purposes under this Indenture.

SECTION 2.15. CUSIP, ISIN or Other Similar Numbers.

The Company in issuing the Notes may use "CUSIP," "ISIN" or other similar numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP," "ISIN" or other similar numbers in notices of

redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the “CUSIP,” “ISIN” or other similar numbers.

ARTICLE 3.

REDEMPTION AND PREPAYMENT

SECTION 3.01. Notices to Trustee. If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, the Company shall furnish to the Trustee, at least 45 days but not more than 60 days (unless a shorter period is acceptable to the Trustee) before a redemption date, an Officers’ Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price (expressed as a percentage or principal amount).

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select the Notes to be redeemed or purchased among the Holders of the Notes in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not so listed, on a pro rata basis (and in the case of Global Notes, on as near a pro rata basis as practical, subject to the applicable procedures of the Depository), by lot, at random or in accordance with any other method the Trustee shall deem fair and appropriate; *provided* that no Notes of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption by lot or at random, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not in a minimum amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

(a) the redemption date;

(b) the redemption price;

(c) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note

or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Company defaults in making such redemption payment, interest and Additional Interest, if any, on Notes called for redemption ceases to accrue on and after the redemption date;

(g) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(h) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense *provided, however*, that the Company shall have delivered to the Trustee, at least 45 days prior to the redemption date (unless a shorter period is acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.04. Effect of Notice of Redemption. Once the notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption shall become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

SECTION 3.05. Deposit of Redemption Price. Prior to 11:00 a.m. New York City time on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest and Additional Interest, if any, on all Notes to be redeemed on that date. Subject to applicable abandoned property laws, the Trustee or the Paying Agent shall promptly, upon request, return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest and Additional Interest on, all Notes to be redeemed.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest payment record date but on or prior to the related interest payment date, then any accrued and unpaid interest and Additional Interest, if any, shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Optional Redemption. Except as described in this Section 3.07, the Notes will not be redeemable at the Company's option prior to June 15, 2016.

(a) At any time prior to June 15, 2014, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 107.375% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings by the Company, *provided that*:

(i) at least 65% of the principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after June 15, 2016, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on June 15 of the years indicated below:

YEAR	Percentage
2016	103.688%
2017	102.458%
2018	101.229%
2019 and thereafter	100.000%

(c) At any time and from time to time prior to June 15, 2016, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest and Additional Interest, if any, thereon to the redemption date. Notice of redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. With respect to any such redemption, the Company shall notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and the Trustee shall not be responsible for such calculation.

SECTION 3.08. Mandatory Redemption.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4.

COVENANTS

SECTION 4.01. Payment of Notes. The Company shall pay or cause to be paid the principal of or premium, if any, Additional Interest, if any, or interest on the Notes on the dates, at the location and in the manner provided in the Notes and this Indenture. Principal, premium, if any, interest and Additional Interest, if any, shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal of or premium, if any, Additional Interest, if any, or interest on the Notes then due. The Company shall pay all Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement at the location specified in the Notes.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the then applicable interest rate on the Notes; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any, (without regard to any applicable grace period) from time to time on demand at the same rate to the extent lawful.

The Company shall make all interest, premium, if any, Additional Interest, if any, and principal payments by wire transfer of immediately available funds to any Holder who shall have given written directions to the Company or the Paying Agent to make such payments by wire transfer pursuant to the wire transfer instructions supplied to the Company or the Paying Agent by such Holder on or prior to the applicable record date. All other payments on Notes will be made at the office or agency of the Paying Agent and Registrar within the City and State of New York unless the Company elects to make interest payments by check mailed to the Holders at their address set forth in the register of Holders.

SECTION 4.02. Maintenance of Office or Agency. The Company shall maintain in the Borough of Manhattan, The City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the New York Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

SECTION 4.03. Reports. Whether or not required by the Commission, so long as any Notes are outstanding, the Company shall furnish to the Trustee and the Holders of Notes, within the time periods specified in the Commission's rules and regulations (including all applicable extensions):

(i) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Company's independent auditors; and

(ii) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports.

If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph shall include an unaudited consolidating balance sheet and related statements of income and cash flows for the Company and its Subsidiaries, separately identifying (a) the Company and the Restricted Subsidiaries and (b) the Unrestricted Subsidiaries, in all reports containing the consolidated financial statements (which in the case of annual reports shall be audited) of the Company and its consolidated Subsidiaries.

In addition, following the consummation of the Exchange Offer contemplated by the Registration Rights Agreement, whether or not required by the Commission, the Company shall file a copy of all of the information and reports referred to in clauses (i) and (ii) above with the Commission for public availability within the time periods specified in the Commission's rules and regulations after giving effect to all applicable extensions (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, the Company has agreed that, for so long as any Notes remain outstanding, it shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Company shall be deemed to have furnished such reports to the Trustee and the Holders of the Notes if it has filed such reports with the Commission using the EDGAR filing system and such reports are publicly available.

Notwithstanding anything herein to the contrary, the Company shall be deemed not to have failed to comply with any of its obligations hereunder for purposes of clause (v) under Section 6.01 until 120 days after the date any report hereunder is required to be made available to the Trustee and the Holders of the Notes pursuant to this Section 4.03 or Section 314(a) of the TIA.

The Company also shall comply with the other provisions of TIA Section 314(a). Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's and the Guarantors' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee shall have no duty or responsibility to review such reports, information or documents.

SECTION 4.04. Compliance Certificate. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year of the Company, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each

such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.05. Taxes. The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent all material taxes, assessments, and governmental charges levied or imposed upon the Company or any Subsidiary or upon the income, profits or property of the Company or any Subsidiary, except such as are contested in good faith and by appropriate proceedings or where the failure to pay or discharge the same would not have a material adverse effect on the ability of the Company to perform its obligations under the Notes or this Indenture.

SECTION 4.06. Stay, Extension and Usury Laws. The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Restricted Payments. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (a) in Equity Interests (other than Disqualified Stock) of the Company or (b) to the Company or a Restricted Subsidiary of the Company);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any Parent Entity held by Persons other than the Company or a Restricted Subsidiary (other than in exchange for Capital Stock of the Company (other than Disqualified Stock));

(3) make any payment of principal on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness (other than any Indebtedness of the Company owing to and held by a Guarantor or Indebtedness of a Guarantor owing to and held by the Company or any other Guarantor permitted under this Indenture) that is subordinated to the Notes or the Subsidiary Guarantees, if any, except a payment of principal at the Stated Maturity thereof, other than any purchase, repurchase, redemption, defeasance or other acquisition or retirement of any such Indebtedness made in anticipation of a sinking fund obligation, principal installment or final maturity, in each case, within one

year of the date of such purchase, repurchase, redemption, defeasance or other acquisition or retirement; or

(4) make any Restricted Investment (all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments");

unless, at the time of and after giving effect to such Restricted Payment:

(i) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(ii) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of Section 4.09; and

(iii) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the Start Date (including Restricted Payments permitted by clauses (i), (ix), (xii) and (xiii) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph; all calculations being made as if this Section 4.07 had been in effect as of the Start Date and at all times thereafter), is less than the sum, without duplication, of:

(a) (i) Consolidated Cash Flow of the Company and its Restricted Subsidiaries on a consolidated basis for the Restricted Payments Computation Period, minus (ii) (A) for the period from the Start Date to the end of the fiscal quarter immediately preceding the fiscal quarter during which the Issue Date occurs, 2.0 and (B) thereafter, 1.7, multiplied by Fixed Charges of the Company and its Restricted Subsidiaries on a consolidated basis for the Restricted Payments Computation Period, *plus*

(b) 100% of the aggregate net cash proceeds and the fair market value of marketable securities and other property received by the Company or any Guarantor since immediately after the Start Date from the sale of:

(i)(A) Equity Interests of the Company, excluding cash proceeds and the fair market value of marketable securities or other property received from the sale of Equity Interests to members of management, directors or consultants of the Company, any Parent Entity and the Company's Subsidiaries after the Start Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (v) of the next succeeding paragraph; and

(B) to the extent such net cash proceeds or marketable securities or other property are actually contributed to the Company, Equity Interests of the Parent Entities (excluding contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (v) of the next succeeding paragraph); or

(ii) debt securities of the Company that have been converted into or exchanged for such Equity Interests of the Company (or any Parent Entity);

provided, however, that this clause (b) shall not include the proceeds from (X) Equity Interests or convertible debt securities of the Company sold to a

Restricted Subsidiary, (Y) Disqualified Stock or debt securities that have been converted into Disqualified Stock or (Z) Excluded Contributions or Equity Interests used to make a Permitted Investment pursuant to clause (viii) of the definition of Permitted Investments; *plus*

(c) 100% of the aggregate amount of cash and the fair market value of marketable securities or other property contributed to the capital of the Company following the Start Date (other than by a Restricted Subsidiary and other than by any Excluded Contributions); *plus*

(d) 100% of the aggregate amount received in cash and the fair market value of marketable securities or other property received after the Start Date by means of:

(i) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of Restricted Investments made by the Company or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Company or its Restricted Subsidiaries and repayments of loans or advances, and releases of Guarantees and other liabilities (other than contingent liabilities), which constitute Restricted Investments by the Company or its Restricted Subsidiaries, in each case after the Start Date; or

(ii) the sale (other than to the Company or a Restricted Subsidiary) of the Equity Interests of an Unrestricted Subsidiary (other than to the extent the Investment in such Unrestricted Subsidiary constituted a Permitted Investment) or a dividend or distribution from an Unrestricted Subsidiary after the Start Date; *plus*

(e) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary after the Start Date, the fair market value of the Company's and its Restricted Subsidiaries' aggregate interests in such Unrestricted Subsidiary (which, if the fair market value of such interests (other than the value attributable to the marketable securities held by such Unrestricted Subsidiary) exceeds \$50.0 million, shall be set forth in writing by an accounting, appraisal or investment banking firm of national standing or determined by the Company's Board of Directors) at the time of the designation of such Unrestricted Subsidiary as a Restricted Subsidiary, other than the amount of the Investments in such Unrestricted Subsidiary made after the Start Date as Permitted Investments hereunder; *plus*

(f) \$300.0 million.

The preceding provisions shall not prohibit:

(i) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration the dividend or distribution payment would have complied with the provisions of this Indenture;

(ii) the payment of principal on or with respect to, or the purchase, redemption, repurchase, retirement, defeasance or other acquisition of, any Indebtedness subordinated to the Notes or any Subsidiary Guarantee or of any Equity Interests of the Company or any Parent Entity made by conversion into, in exchange for, or out of the proceeds of the substantially concurrent (a) sale (other than to a Subsidiary of the Company or constituting an Excluded Contribution or Equity Interests used to make a Permitted Investment pursuant to clause (viii) of the definition of Permitted Investments) of, Equity Interests of the Company (other than Disqualified Stock and other than Equity Interests issued or sold to an employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or guaranteed by the Company or any Restricted Subsidiary

unless such loans have been repaid with cash on or prior to the date of determination) or any Parent Entity or (b) contribution to the capital of the Company (other than by a Subsidiary and other than constituting an Excluded Contribution); *provided* that the amount of any such proceeds that are utilized for any such payment, purchase, redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clauses (iii)(b) and (iii)(c) of the preceding paragraph;

(iii) the payment of principal on or with respect to, or the purchase, defeasance, redemption, repurchase or other acquisition or retirement of, Indebtedness subordinated to the Notes or any Subsidiary Guarantee with the proceeds from an incurrence of, or in exchange for, Permitted Refinancing Indebtedness, that is permitted to be incurred pursuant to Section 4.09;

(iv) the declaration and payment of any dividend or distribution by a Restricted Subsidiary of the Company to the holders of its Capital Stock on a pro rata basis;

(a) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Company and, to the extent contributed to the Company, Equity Interests of any Parent Entity, in each case to members of management, directors or consultants of the Company, any Parent Entity or any of its Subsidiaries that occurs after the Start Date, to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (iii)(b) of the preceding paragraph; plus

(b) the cash proceeds of key man life insurance policies received by the Company or its Restricted Subsidiaries after the Start Date; less

(c) the amount of any Restricted Payments made in any prior calendar year pursuant to clauses (a) and (b) of this clause (v);

(x) Investments that are made with Excluded Contributions;

(xi) the declaration and payment of dividends or distributions by the Company or any Restricted Subsidiary of the Company to, or the making of other Restricted Payments to, any Parent Entity in aggregate amounts not to exceed the aggregate amounts required for any such Parent Entities to pay, in each case without duplication:

(a) franchise taxes and expenses required to maintain their corporate existence;

(b) foreign, federal, state and local income and other taxes, to the extent such taxes are attributable to the income, revenue, receipts, capital or margin of the Company and its Restricted Subsidiaries and, to the extent of the amount actually received from their Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income, revenue, receipts, capital or margin of such Unrestricted Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Company and its Restricted Subsidiaries would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Company, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such Parent Entity;

(c) customary salary, bonus and other benefits payable to officers, directors and employees of any Parent Entity to the extent such salaries, bonuses and other benefits are directly or indirectly attributable to the ownership or operation of the Company and its Restricted Subsidiaries, including the Company's proportionate share of such amounts relating to any Parent Entity being a public company, including directors' fees;

(d) general corporate operating and overhead costs and expenses of any Parent Entity to the extent such costs and expenses are directly or indirectly attributable to the ownership or operation of the Company and its Restricted Subsidiaries, including the Company's proportionate share of the expenses relating to any Parent Entity being a public company; and

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this Section 4.07 shall be determined by the Company or, if such fair market value exceeds \$25.0 million, by the Board of Directors of the Company.

SECTION 4.08. Dividend and Other Payment Restrictions Affecting Subsidiaries. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to:

(i) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(ii) make loans or advances to the Company or any of its Restricted Subsidiaries; or

(iii) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

However, the preceding restrictions shall not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements governing Existing Indebtedness, Credit Facilities and Hedging Obligations, including the Credit Agreement and the Senior Notes Indenture as in effect on the Issue Date, and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of those agreements, *provided* that the amendments, modifications, restatements, renewals, increases, supplements, refundings, replacement or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(ii) this Indenture, the Notes and the Subsidiary Guarantees (including the Exchange Notes and the Guarantees thereof);

(iii) applicable law, rule, regulation or order;

(iv) any agreement, instrument or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries (including by merger or consolidation) as in effect at the time of such acquisition (except to the extent such agreement, instrument or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired, *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(v) customary non-assignment provisions in leases, licenses and conveyances entered into in the ordinary course of business;

(vi) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on that property of the nature described in clause (iii) of the preceding paragraph;

(vii) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(viii) Permitted Refinancing Indebtedness, *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(ix) Liens securing Indebtedness otherwise permitted to be incurred under the provisions of Section 4.12 that limit the right of the debtor to dispose of the assets subject to such Liens;

(x) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, stockholder agreements, asset sale agreements, stock sale agreements and other similar agreements and agreements relating to Permitted Business Investments;

(xi) the issuance of preferred stock by a Restricted Subsidiary or the payment of dividends thereon in accordance with the terms thereof, *provided* that issuance of such preferred stock is permitted pursuant to Section 4.09 and the terms of such preferred stock do not expressly restrict the ability of a Restricted Subsidiary to pay dividends or make any other distributions on its Capital Stock (other than requirements to pay dividends or liquidation preferences on such preferred stock prior to paying any dividends or making any other distributions on such other Capital Stock);

(xii) encumbrances or restrictions contained in any Indebtedness, Disqualified Stock or preferred stock incurred by a Foreign Restricted Subsidiary pursuant to the first paragraph of and clauses (i), (iv), (v) (but only to the extent a Foreign Restricted Subsidiary initially would have been permitted to incur the underlying Indebtedness), (xiv), (xv), (xvi) or (xviii) of the second paragraph of Section 4.09; *provided* that such encumbrance or restriction shall only apply to such Foreign Restricted Subsidiary;

(xiii) supermajority voting requirements existing under corporate charters, bylaws, stockholders agreements and similar documents and agreements;

(xiv) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(xv) customary subordination provisions governing Indebtedness permitted pursuant to Section 4.09;

(xvi) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments

or obligations referred to in clauses (j) through (xv) above or this clause (xvi); *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrances and restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; and

(xvii) restrictions or conditions of the types contained in clause (iii) of the preceding paragraph contained in any operating, construction, service, supply, purchase or other agreement to which the Company or any Restricted Subsidiary is a party entered into in the ordinary course of business; *provided* that such agreement limits the encumbrance solely to the property or assets of the Company or such Restricted Subsidiary that is the subject of such agreement, the payment rights arising thereunder and the proceeds thereof and does not extend to any other asset or property of such Restricted Subsidiary or the assets or property of the Company or any other Restricted Subsidiary.

SECTION 4.09. Incurrence of Indebtedness and Issuance of Preferred Stock. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company shall not issue any Disqualified Stock and shall not permit any of its Restricted Subsidiaries to issue any Disqualified Stock or shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt), issue shares of Disqualified Stock and issue shares of preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or Disqualified Stock or preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

The first paragraph of this Section 4.09 shall not prohibit:

(i) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness and letters of credit under one or more Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (i) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries thereunder) not to exceed \$1,700.0 million;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (other than Indebtedness described in clauses (i) and (iii));

(iii) the incurrence by the Company and any Guarantor of Indebtedness represented by the Notes (other than Additional Notes) and the Exchange Notes issued in exchange therefor and any Subsidiary Guarantees of the foregoing;

(iv) Indebtedness (including Capital Lease Obligations other than Deemed Capitalized Leases), Disqualified Stock and preferred stock incurred by the Company or any of its Restricted Subsidiaries to finance the purchase, lease or improvement of property (real or personal) or equipment (other than software) that is used or useful in a Permitted Business (but excluding the purchase of Capital Stock of any Person), *provided* that the aggregate amount of Indebtedness, Disqualified Stock and preferred stock incurred pursuant to this clause (iv) when aggregated with the then outstanding amount of such obligations under clause (v) incurred to refinance such obligations initially incurred in reliance on

this clause (iv) does not exceed 5.0% of Consolidated Net Tangible Assets (determined as of the time of such incurrence) at any time outstanding;

(v) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under this clause (v), the first paragraph of this Section 4.09 or clauses (ii), (iii), (iv), (x) or (xvi) of this paragraph and related interest, premiums, fees and other Obligations;

(vi) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness, Disqualified Stock or preferred stock between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(a) if the Company or any Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Subsidiary Guarantee, in the case of a Guarantor; and

(b) (1) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness, Disqualified Stock or preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company and (2) any sale or other transfer of any such Indebtedness, Disqualified Stock or preferred stock (but for the avoidance of doubt excluding the grant of a Permitted Lien thereon) to a Person that is neither the Company nor a Restricted Subsidiary of the Company shall be deemed, in each case, to constitute an incurrence of such Indebtedness, Disqualified Stock or preferred stock by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (vi);

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations;

(viii) the Guarantee by the Company or a Restricted Subsidiary of the Company of Indebtedness of the Company or a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section; *provided* that in the event such Indebtedness that is being guaranteed is (a) *pari passu* with the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall rank equally in right of payment to the Notes or Subsidiary Guarantee, as the case may be, or

(b) subordinated to the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall be subordinated in right of payment to the Notes or such Subsidiary Guarantee, as the case may be;

(ix) the accrual of interest or dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock and the incurrence of unrealized losses or charges in respect of Hedging Obligations (including those resulting from the application of FAS 133, ASC Topic 815 and similar provisions), in each case will be deemed not to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this covenant;

(x) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or other similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or a Restricted Subsidiary, other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition;

provided that the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the fair market value of the consideration actually received (or, in the case of an acquisition, paid) by the Company and its Restricted Subsidiaries in connection with such transaction;

(xi) Indebtedness supported by one or more letters of credit incurred under a Credit Facility in accordance with and pursuant to clause (i) of this paragraph *provided* the amount of Indebtedness permitted to be incurred under this clause (xi) relating to any such letter of credit shall not exceed the amount of the letter of credit provided for therein; *provided* further, that upon any reduction, cancellation or termination of the applicable letter of credit, there shall be deemed to be an incurrence of Indebtedness under this Indenture equal to the excess of the amount of such Indebtedness outstanding immediately after such reduction, cancellation or termination over the remaining stated amount, if any, of such letter of credit or the stated amount of any letter of credit issued in replacement of such letter of credit;

(xii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within ten Business Days of incurrence;

(xiii) Indebtedness represented by property, liability and workers' compensation insurance, completion guarantees, performance bonds *provided* that to the extent that such performance bonds secure Indebtedness, such Indebtedness is otherwise permitted under this Section), surety bonds, appeal bonds and other obligations (which, in each case, may be in the form of or secured by letters of credit), in each case required or incurred in the ordinary course of business or in connection with the enforcement of rights or claims of the Company or any Restricted Subsidiary of the Company or in connection with judgments that do not result in a Default or an Event of Default and all reimbursement obligations under such letters of credit;

(xiv) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock that is not secured by a Lien in an aggregate principal amount (or accreted value or liquidation preference, as applicable) at any time outstanding not to exceed \$350.0 million;

(xv) Construction Indebtedness and Permitted Refinancing Indebtedness incurred in respect thereof in an aggregate principal amount that does not exceed \$100.0 million at any time outstanding;

(xvi) Indebtedness, Disqualified Stock or preferred stock of (x) the Company or a Restricted Subsidiary incurred to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided* that after giving effect to such acquisition or merger, either

(a) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this Section 4.09, or

(b) the Fixed Charge Coverage Ratio is equal to or greater than such ratio immediately prior to such acquisition or merger;

(xvii) Indebtedness of the Company or any of its Restricted Subsidiaries to an Unrestricted Subsidiary for money borrowed; *provided* that such Indebtedness is subordinated in right of payment to the Notes or such Restricted Subsidiary's Subsidiary Guarantee, the Weighted Average Life to Maturity of such Indebtedness is greater than the Weighted Average Life to Maturity of the Notes and the holders

of such Indebtedness are not permitted to accelerate such Indebtedness or exercise any other remedies with respect thereto until 91 days after the Stated Maturity of the Notes; and

(xviii) Indebtedness incurred by the Company or any Restricted Subsidiary with respect to Digital Projector Financing in an aggregate principal amount incurred not to exceed (i) \$70.0 million during the period from the Start Date to the first anniversary thereof; (ii) \$70.0 million during the period from the first anniversary of the Start Date to the second anniversary of the Start Date; and (iii) \$60.0 million after the second anniversary of the Start Date, *provided* that any unused or repaid amounts may be carried forward and used in subsequent periods without limitation.

Neither the Company nor any Restricted Subsidiary shall incur any Indebtedness under the preceding paragraph if the proceeds thereof are used, directly or indirectly, to refinance any Indebtedness subordinated to the Notes or any Subsidiary Guarantee unless such Indebtedness shall be subordinated to the Notes or such Subsidiary Guarantee to at least the same extent as such subordinated Indebtedness. No Restricted Subsidiary of the Company that is not a Guarantor may incur any Indebtedness (other than Senior Debt) if the proceeds are used to refinance Indebtedness of the Company or a Guarantor (other than a refinancing of all the Notes).

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (including Acquired Debt) meets the criteria of more than one of the categories described in clauses (i) through (xviii) above, or is entitled to be incurred pursuant to the first paragraph of this Section 4.09, the Company shall be permitted to classify (or later classify or reclassify in whole or in part in its sole discretion) such item of Indebtedness in any manner that complies with this Section 4.09, *provided* that all Indebtedness under the Credit Agreement outstanding on the Issue Date shall be deemed to have been incurred on the Issue Date pursuant to clause (i) above and the Company shall not be permitted to later reclassify all or any portion of such Indebtedness under the Credit Agreement outstanding on the Issue Date. Notwithstanding any other provision of this Section, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or preferred stock of a Restricted Subsidiary that is not a Guarantor, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

SECTION 4.10. [RESERVED].

SECTION 4.11. Transactions with Affiliates. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an "Affiliate Transaction"), involving aggregate payments or considerations in excess of \$5.0 million unless:

(i) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate; and

(ii) the Company delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$5.0 million, an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, a resolution of the Board of Directors of Cinemark Holdings, Inc. and the Company set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Cinemark Holdings, Inc. and the Company.

The following items shall be deemed to not be Affiliate Transactions and, therefore, shall not be subject to the provisions of the prior paragraph:

(i) any employment, consulting or similar agreement or other compensation arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business of the Company or such Restricted Subsidiary;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person that is an Affiliate of the Company solely because the Company owns an Equity Interest in, or controls, such Person;

(iv) reasonable fees and expenses and compensation paid to, and indemnity provided on behalf of, officers, directors or employees of the Company or any Subsidiary as determined in good faith by the Board of Directors or senior management of the Company;

(v) sales of Equity Interests (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights in connection therewith;

(vi) Restricted Payments that are permitted by Section 4.07, Permitted Investments (other than pursuant to clause (iii) of such definition) and any transactions excluded from their or any component definitions;

(vii) transactions effected in connection with the Notes Transactions, including the payment of all related fees and expenses;

(viii) transactions pursuant to any contract or agreement described in the Offering Memorandum under the caption "Certain Relationships and Related Party Transactions," as in effect on the Issue Date, in each case as amended, modified or replaced from time to time so long as the amended, modified or new agreements, taken as a whole, are not materially less favorable to the Company and its Restricted Subsidiaries taken as a whole than those in effect on the Issue Date;

(ix) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(x) the pledge of Equity Interests of an Unrestricted Subsidiary to its lenders to support the Indebtedness of such Unrestricted Subsidiary owed to such lenders; and

(xi) transactions in which the Company or any of its Restricted Subsidiaries delivers to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or such Restricted Subsidiary than

those that would have reasonably been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis.

SECTION 4.12. Liens. The Company shall not and shall not permit any Guarantor to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien (other than Permitted Liens) of any kind securing Indebtedness ranking *pari passu* in right of payment with or subordinated in right of payment to the Notes or such Guarantor's Subsidiary Guarantee, as the case may be, upon any of their property or assets (including Capital Stock of Subsidiaries of the Company), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision is made to secure the Obligations due under this Indenture and the Notes or, in respect of any Lien on any Guarantor's property or assets, any Subsidiary Guarantee of such Guarantor, (i) in the case of Liens securing Indebtedness that is *pari passu* in right of payment with the Notes or any Subsidiary Guarantee, on an equal and ratable basis with (or, if the Company so elects, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien and (ii) in the case of Liens securing Indebtedness that is expressly subordinated in right of payment to the Notes or any Subsidiary Guarantee, on a senior basis to the obligations so secured with the same relative priority as the Notes or such Subsidiary Guarantee, as the case may be, shall have to that subordinated Indebtedness until such time as such obligations are no longer secured by a Lien.

Any Lien created for the benefit of Holders of the Notes pursuant to this covenant shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) in the preceding paragraph.

SECTION 4.13. Business Activities. The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Subsidiaries taken as a whole.

SECTION 4.14. Corporate Existence. Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.15. Offer to Repurchase upon Change of Control. If a Change of Control occurs, the Company shall be required to make an offer (a "Change of Control Offer") to each Holder to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of that Holder's Notes on the terms set forth in this Indenture. In the Change of Control Offer, the Company shall offer a payment in cash (the "Change of Control Payment") equal to 101% of the principal amount of the Notes repurchased plus accrued and unpaid interest and Additional Interest, if any, on the Notes repurchased to the date of purchase (a "Change of Control Payment Date"). Within 30 days following any Change of Control, the Company shall mail a notice to each Holders stating: (i) that the Change of Control Offer is being made pursuant to this Section 4.15 (and describing the transaction or transactions that constitute the Change of Control) and that all Notes tendered shall be accepted for payment; (ii) the purchase price and the Change of Control Payment Date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed; (iii) that any Note not tendered shall continue to accrue interest and Additional Interest, if any; (iv) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue

interest and Additional Interest, if any, after the Change of Control Payment Date; (v) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date; (vi) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and (vii) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(c) The Paying Agent shall promptly mail to each Holder of Notes validly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) If the Change of Control Payment Date is on or after an interest payment record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Interest, if any, will be paid to the Holder in whose name a note is registered at the close of business on such record date, and no other interest or Additional Interest, if any, will be payable to Holders who tender pursuant to the Change of Control Offer.

(e) The Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under the Change of Control Offer or if an irrevocable notice of redemption has been given pursuant to this Indenture in accordance with the provisions set forth in Section 3.07 for all outstanding Notes.

(f) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of such conflict.

SECTION 4.16. Future Guarantors.

If any Restricted Subsidiary of the Company that is not a Guarantor (the “New Guarantor”) Guarantees, assumes or in any other manner becomes liable with respect to Indebtedness of the Company or any Guarantor (the “Other Indebtedness”), then the Company shall and shall cause the New Guarantor to, within ten Business Days of the date of the New Guarantor’s Guarantee or assumption of the Other Indebtedness, execute and deliver to the Trustee a supplemental indenture in the form of Exhibit D attached hereto or otherwise satisfactory to the Trustee pursuant to which the New Guarantor shall become a Guarantor and Guarantee the obligations of the Company under this Indenture and the Notes on a senior subordinated basis. Concurrently with the execution and delivery of such supplemental indenture, the Company shall deliver to the Trustee an Opinion of Counsel and an Officers’ Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such New Guarantor, and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer or other similar laws relating to creditors’ rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, and other customary exceptions, such New Guarantor’s Subsidiary Guarantee is a legal, valid and binding obligation of such New Guarantor, enforceable against such New Guarantor in accordance with its terms and as to such other matters as the Trustee may reasonably request. Upon the release, termination or satisfaction of the New Guarantor’s Guarantee or assumption of all Other Indebtedness (other than a release, termination or satisfaction as a result of payment under such Guarantee), the New Guarantor’s Subsidiary Guarantee shall automatically be released and terminated. Upon request of the New Guarantor, the Trustee shall provide written evidence of such release and termination.

SECTION 4.17. Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary properly designated shall be deemed to be an Investment made as of the time of the designation and shall reduce the amount available for Restricted Payments or Permitted Investments, as determined by the Company. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if the redesignation would not cause a Default.

SECTION 4.18. Limitation on Layering.

The Company shall not, and shall not permit any Guarantor to, incur any Indebtedness (including Acquired Debt) that is subordinate in right of payment to any Senior Debt of the Company or such Guarantor, as the case may be, unless such Indebtedness is either:

- (a) equal in right of payment with the Notes or such Guarantor’s Subsidiary Guarantee, as the case may be; or
- (b) expressly subordinated in right of payment to the Notes or such Guarantor’s Subsidiary Guarantee, as the case may be.

This Indenture does not treat (1) unsecured Indebtedness as subordinated to secured Indebtedness merely because it is unsecured, (2) secured Indebtedness as subordinated to any other secured Indebtedness merely because it has a junior priority with respect to the same collateral, (3) any Indebtedness as subordinated to any other Indebtedness merely because of maturity date, order of

payment or order of application of funds or (4) Indebtedness that is not Guaranteed as subordinated to Indebtedness that is Guaranteed merely because of such Guarantee.

ARTICLE 5.

SUCCESSORS

SECTION 5.01. Merger, Consolidation or Sale of Assets. The Company may not, directly or indirectly, in one or more related transactions: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Restricted Subsidiaries, taken as a whole, to another Person; unless:

(i) either: (a) the Company is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, limited liability company or partnership organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided* that if the Person is a partnership or limited liability company, a corporation wholly owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and shall not have any material assets or operations shall promptly thereafter become a co-issuer of the Notes pursuant to a supplemental indenture;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made expressly assumes all the obligations of the Company under the Notes, this Indenture and the Registration Rights Agreement pursuant to a supplemental indenture executed and delivered to the Trustee in form reasonably satisfactory to the Trustee;

(iii) immediately after such transaction no Default or Event of Default exists;

(iv) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made shall, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (a) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of Section 4.09 or (b) have a Fixed Charge Coverage Ratio equal to or greater than the Fixed Charge Coverage Ratio of the Company immediately prior to such transaction; and

(v) if the Company is not the surviving corporation, each Guarantor (unless it is the other party to the transactions above, in which case clause (ii) shall apply) shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations in respect of the Notes and this Indenture and its obligations under the Registration Rights Agreement shall continue to be in effect.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

Notwithstanding clause (iv) of this Section 5.01, any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company or any Guarantor.

SECTION 5.02. Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01 hereof, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, *provided, however*, that the predecessor company shall not be relieved from the obligation to pay the principal of and interest on the Notes (and its obligations to the Trustee pursuant to Section 7.07) except in the case of a sale or other disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries taken as a whole that meets the requirements of Section 5.01 hereof.

ARTICLE 6.

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An “Event of Default” occurs if:

- (i) the Company defaults for 30 days in the payment when due of interest on, or Additional Interest with respect to, the Notes (whether or not prohibited by the subordination provisions of this Indenture);
- (ii) the Company defaults in payment when due of the principal of, or premium, if any, on the Notes (whether or not prohibited by the subordination provisions of this Indenture);
- (iii) the Company or any of its Restricted Subsidiaries fails to comply with any of the provisions of Section 5.01 hereof;
- (iv) the Company or any of its Restricted Subsidiaries fails to comply with Section 4.15 for 30 days after receipt by the Company of written notice from the Trustee or the Holders of not less than 25% in principal amount of the Notes;
- (v) the Company or any of its Restricted Subsidiaries fails to observe or perform any of the other agreements in this Indenture for 60 days after receipt by the Company of written notice from the Trustee or the Holders of not less than 25% in principal amount of the Notes;
- (vi) a default by the Company or any of its Restricted Subsidiaries occurs under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries) whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay principal on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “Payment Default”); or
 - (b) results in the acceleration of such Indebtedness prior to its express maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$25.0 million or more;

(vii) a final nonappealable judgment or judgments for the payment of money are entered by a court or courts of competent jurisdiction against the Company or any of its Restricted Subsidiaries and such judgment or judgments remain unpaid or undischarged for a period (during which execution shall not be effectively stayed) of 60 days; *provided* that the aggregate of all such undischarged judgments exceeds \$25.0 million (net of any amount with respect to which a reputable and solvent insurance company has acknowledged liability in writing);

(viii) except as permitted by this Indenture, any Subsidiary Guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Subsidiary Guarantee;

(ix) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, pursuant to or within the meaning of Bankruptcy Law:

- (a) commences a voluntary case;
 - (b) consents to the entry of an order for relief against it in an involuntary case;
 - (c) consents to the appointment of a Custodian of it or for all or substantially all of its property;
 - (d) makes a general assignment for the benefit of its creditors; or
 - (e) generally is not paying its debts as they become due; or
- (x) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (a) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary in an involuntary case;
 - (b) appoints a Custodian of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary for all or substantially all of the property of the Company or such Subsidiary; or
 - (c) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary;

and in each case the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 6.02. Acceleration. In the case of an Event of Default arising from clause (ix) or (x) of Section 6.01 with respect to the Company, any Subsidiary that is a Significant Subsidiary or any group of Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately; *provided, however*, that

so long as any Designated Senior Debt remains outstanding, no such acceleration shall be effective until the earlier date of: (1) acceleration of any such Designated Senior Debt; or (2) five Business Days after the giving of written notice of such acceleration to the Company and the Representative of such Designated Senior Debt. When any such declaration becomes effective, the principal of, premium, if any, and accrued and unpaid interest, if any, and Additional Interest, if any, shall become due and payable immediately. The Trustee has no duty or obligation to determine whether an Event of Default has occurred as a result of the events described above and shall have notice of such events only in accordance with Section 7.02(i) herein.

Notwithstanding the foregoing, if an Event of Default specified in clause (vi) of Section 6.01 shall have occurred and be continuing, such Event of Default and any consequential acceleration shall be automatically rescinded if (i) the Indebtedness that is the subject of such Event of Default has been repaid or (ii) if the default relating to such Indebtedness is waived or cured and if such Indebtedness has been accelerated, then the Holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness.

Any such declaration with respect to the Notes may be rescinded and annulled by the Holders of a majority in aggregate principal amount of the outstanding Notes by written notice to the Trustee if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default have been cured or waived except nonpayment of principal of or interest on the Notes that has become due solely by such declaration of acceleration, (iii) to the extent the payment of such interest is lawful, interest (at the same rate specified in the Notes) on overdue installments of interest and overdue payments of principal, which has become due otherwise than by such declaration of acceleration, has been paid, (iv) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances and (v) in the event of the cure or waiver of a Default or Event of Default of the type described in clauses (ix) and (x) of Section 6.01 the Trustee has received an Officers' Certificate and Opinion of Counsel that such Default or Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal amount, premium on, Additional Interest, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Sections 2.09, 6.07 and 9.02, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium and Additional Interest on, or interest on the Notes (including in connection with an offer to purchase); *provided, however*, that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits. A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal amount, premium and Additional Interest, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(i) or (ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal amount of, premium and Additional Interest, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and

expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. After an Event of Default, any money or other property distributable in respect of the Company's obligations under this Indenture shall be paid in the following order:

First: to the Trustee (including any predecessor Trustee), its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal amount, premium and Additional Interest, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal amount, premium and Additional Interest, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7.

TRUSTEE

SECTION 7.01. Duties of Trustee. If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) or (d) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and

powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee. The Trustee may, in the absence of bad faith on its part, conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel selected by it and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company request or Company order and any resolution of the Company's Board of Directors may be sufficiently evidenced by a board resolution.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, to the extent necessary and consistent with each inquiry or investigation, the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(i) The Trustee shall not be deemed to have notice, nor shall it be charged with knowledge, of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of such Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(k) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles or officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any security for the payment of the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium and Additional Interest, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06. Reports by Trustee to Holders of the Notes. Within 60 days after each May 15 beginning with the May 15 following the Issue Date, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the 12 months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA §

313(b)(2) to the extent applicable. The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Company and filed with the Commission and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Notes are listed on any stock exchange or any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon written request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.07) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.07 shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

To secure the Company's payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

In addition and without prejudice to its rights hereunder, when the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(ix) or (x) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of Notes of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof;

(b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(c) a Custodian or public officer takes charge of the Trustee or its property; or

(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Note who has been a Holder of a Note for at least six months, fails to comply with Section 7.10, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and (i) that has a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition, or (ii) that is a wholly owned subsidiary of a bank or bank holding company which has a consolidated net worth in excess of \$50 million.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Nothing herein shall prohibit the Trustee from making the application to the Commission referred to in the penultimate paragraph of Section 310(b) of the TIA.

SECTION 7.11. Preferential Collection of Claims Against the Company. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the Company shall be deemed to have been discharged from all of its obligations with respect to all outstanding Notes and this Indenture and the Guarantors shall be deemed to have been discharged from their obligations with respect to their Subsidiary Guarantees and this Indenture on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same); *provided* that the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Additional Interest, if any, on such Notes when such payments are due from the trust referred to in clause (b); (b) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust; (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Guarantor's obligations in connection therewith; and (d) this Article 8. Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their respective obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18 and 5.01(iv) hereof and Article 12 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this

Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(iv) through 6.01(vii) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants (or, if two or more nationally recognized firms of independent public accountants decline to issue such opinion as a matter of policy after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), to pay the principal of, and interest, premium and Additional Interest, if any, on the outstanding Notes on their Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the incurrence of Indebtedness all or a portion of the proceeds of which shall be used to defease the Notes pursuant to this Article 8 concurrently with such incurrence and the granting of Liens in connection therewith);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(f) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, assuming that no intervening bankruptcy of the Company between the date of the deposit and the 91st day following the deposit will occur and that no Holder of Notes is an insider of the Company under applicable bankruptcy law, no trust funds will be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and

(h) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust: Other Miscellaneous Provisions

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal of or premium, if any, Additional Interest, if any, or interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (or, if two or more nationally recognized firms of independent public accountants decline to issue such opinion as a matter of policy after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to the Company. Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or premium, if any, Additional Interest, if any, or interest on the Notes and remaining unclaimed for two years after such principal, and premium, if any, Additional Interest, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case

may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and any Guarantor's obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company has made any payment of principal of, premium, if any, Additional Interest, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees without the consent of any Holder of a Note:

- (a) to cure any ambiguity, defect or inconsistency;
- (b) to provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);
- (c) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's assets or a Guarantor;
- (d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;
- (e) to provide for the issuance of Additional Notes in accordance with the provisions set forth in this Indenture;
- (f) to add Subsidiary Guarantees with respect to the Notes or to secure the Notes or the Subsidiary Guarantees;
- (g) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA;
- (h) to evidence and provide for the acceptance and appointment under this Indenture of a successor trustee thereunder pursuant to the requirements herein; or
- (i) to conform the text of the Notes, the Subsidiary Guarantees or this Indenture to any provision of the "Description of Notes" section contained in the Offering Memorandum to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of the Notes, the Subsidiary Guarantees or this Indenture.

Subject to Section 9.06, upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon

receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. With Consent of Holders of Notes. Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including Section 4.15 hereof), the Notes and the Subsidiary Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of or premium, if any, Additional Interest, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Subject to Section 9.06, upon the request of the Company accompanied by a resolution of the Board of Directors of the Company authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

However, without the consent of each Holder affected, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a nonconsenting Holder):

- (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes;
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default or Event of Default in the payment of principal of, or interest or premium, or Additional Interest, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);
- (e) make any Note payable in currency other than that stated in the Notes;

(f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium or Additional Interest, if any, on the Notes;

(g) waive a redemption payment with respect to any Note;

(h) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(i) release any Guarantor from any of its Obligations under its Subsidiary Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(j) make any change to or modify the subordination provisions of the Notes that would adversely affect the Holders; or

(k) make any change in the foregoing amendment and waiver provisions.

For avoidance of doubt, clauses (b), (g) and (h) of the foregoing paragraph do not apply to Section 4.15 hereof and provisions related thereto and payments required thereunder.

Notwithstanding Section 9.01 and this Section 9.02, no amendment to, or waiver of, the subordination provisions contained in Articles 10 and 13 of this Indenture (or the component definitions used herein) that is adverse to the lenders under the Credit Agreement in any material respect may be made without the consent of the holders of a majority of the Indebtedness in respect of the Credit Agreement (or their Representative(s)).

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

SECTION 9.05. Notice of Amendment; Notation on or Exchange of Notes. After any amendment under this Article becomes effective, the Company shall mail to Holders of Notes a notice briefly describing such amendment. The failure to give such notice to all Holders of Notes, or any defect therein, shall not impair or affect the validity of an amendment under this Article.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, Etc. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement, in the sole discretion of the Trustee, does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee shall be entitled to receive and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 14.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10.

SUBORDINATION

SECTION 10.01. Agreement To Subordinate.

The Company agrees, and each Holder by accepting a Note agrees, that the payment of all Obligations owing in respect of the Notes is subordinated in right of payment, to the extent and in the manner provided in this Article 10, to the prior payment in full of all existing and future Senior Debt of the Company and that the subordination is for the benefit of and enforceable by the holders of such Senior Debt. The Notes shall in all respects rank equal in right of payment with all existing and future Senior Subordinated Debt of the Company, and will be senior in right of payment to all existing and future Indebtedness of the Company that is by its terms subordinated in right of payment to the Notes; and only Indebtedness of the Company that is Senior Debt shall rank senior to the Notes in accordance with the provisions set forth herein. All provisions of this Article 10 shall be subject to Section 10.12.

SECTION 10.02. Liquidation, Dissolution, Bankruptcy.

Upon any payment or distribution of the assets of the Company upon a total or partial liquidation or dissolution or reorganization, insolvency or bankruptcy or similar proceeding relating to the Company or its property:

(a) the holders of Senior Debt of the Company shall be entitled to receive payment in full in cash of such Senior Debt before Holders shall be entitled to receive any payment or distribution of any kind or character with respect to any Obligations on, or relating to, the Notes, except that Holders may receive Permitted Junior Securities;

(b) until the Senior Debt of the Company is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of this Indenture shall be made to holders of such Senior Debt as their interests may appear, except that Holders may receive Permitted Junior Securities; and

(c) if a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Debt of the Company and pay it over to them as their interests may appear.

SECTION 10.03. Default on Senior Debt of the Company.

The Company shall not pay principal of, premium, if any, or interest on the Notes (or pay any other Obligations relating to the Notes, including Additional Interest, fees, costs, expenses, indemnities and rescission or damage claims) or make any deposit pursuant to Article 8 or Article 11 hereof and may not purchase, redeem or otherwise retire or acquire for cash or property any Notes (collectively, "pay the

Notes”) (except in the form of Permitted Junior Securities) if either of the following occurs (a “Designated Senior Debt Payment Default”):

- (a) any Obligation on any Designated Senior Debt of the Company is not paid in full in cash when due (after giving effect to any applicable grace period); or
- (b) any other default on Designated Senior Debt of the Company occurs and the maturity of such Designated Senior Debt is accelerated in accordance with its terms;

unless, in either case, the Designated Senior Debt Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Debt has been paid in full in cash. Regardless of the foregoing, the Company is permitted to pay the Notes if the Company and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Debt with respect to which the Designated Senior Debt Payment Default has occurred and is continuing.

During the continuance of any default (other than a Designated Senior Debt Payment Default) (a “Non-Payment Default”) with respect to any Designated Senior Debt of the Company pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, the Company is not permitted to pay the Notes (except in the form of Permitted Junior Securities) for a period (a “Payment Blockage Period”) commencing upon the receipt by the Trustee (with a copy to the Company) of written notice (a “Blockage Notice”) of such Non-Payment Default from the Representative of such Designated Senior Debt specifying an election to effect a Payment Blockage Period and ending 179 days thereafter. So long as there shall remain outstanding any Senior Debt under the Credit Agreement, a Blockage Notice may be given only by the respective Representatives thereunder unless otherwise agreed to in writing by the requisite lenders named therein. The Payment Blockage Period shall end earlier if such Payment Blockage Period is terminated (i) by written notice to the Trustee and the Company from the Person or Persons who gave such Blockage Notice; (ii) because the default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or (iii) because such Designated Senior Debt has been discharged or repaid in full in cash.

Notwithstanding the provisions described in the immediately preceding two sentences (but subject to the provisions contained in the first sentence of this Section 10.03 and Section 10.02), unless the holders of such Designated Senior Debt or the Representative of such Designated Senior Debt shall have accelerated the maturity of such Designated Senior Debt, the Company is permitted to resume paying the Notes after the end of such Payment Blockage Period. The Notes shall not be subject to more than one Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Debt of the Company during such period; *provided* that if any Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Debt of the Company (other than the holders of Indebtedness under the Credit Agreement), a Representative of holders of Indebtedness under the Credit Agreement may in the aggregate give one other Blockage Notice within such period. However, in no event shall the total number of days during which any Payment Blockage Period or Periods on the Notes is in effect exceed 179 days in the aggregate during any consecutive 360 day period, and there must be at least 181 days during any consecutive 360 day period during which no Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no default that existed or was continuing on the date of delivery of any Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Blockage Notice unless such default shall have been waived for a period of not less than 90 days (it being acknowledged that any subsequent action, or any breach of any financial covenants during the period after the date of delivery of a Blockage Notice, that, in either case, would give rise to a Non-Payment Default pursuant to any provisions under which a Non-Payment Default previously existed or was continuing shall constitute a new Non-Payment Default for this purpose).

SECTION 10.04. Acceleration of Payment of Notes.

If payment of the Notes is accelerated because of an Event of Default, the Company shall promptly notify the holders of the Designated Senior Debt of the Company or the Representative of such Designated Senior Debt of the acceleration; provided that any failure to give such notice shall have no effect whatsoever on the provisions of this Article 10. If any Designated Senior Debt of the Company is outstanding, the Company may not pay the Notes until five Business Days after the Representatives of all the issuers of such Designated Senior Debt receive notice of such acceleration and, thereafter, may pay the Notes only if this Indenture otherwise permits payment at that time.

SECTION 10.05. When Distribution Must Be Paid Over.

If a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Debt of the Company and pay it over to them as their interests may appear.

SECTION 10.06. Subrogation.

After all Senior Debt of the Company is paid in full and until the Notes are paid in full, Holders shall be subrogated to the rights of holders of such Senior Debt to receive distributions applicable to such Senior Debt. A distribution made under this Article 10 to holders of such Senior Debt which otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on such Senior Debt.

SECTION 10.07. Relative Rights.

This Article 10 defines the relative rights of Holders and holders of Senior Debt of the Company. Nothing in this Indenture shall:

- (a) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Notes in accordance with their terms;
- (b) prevent the Trustee or any Holder from exercising its available remedies upon a Default, subject to the rights of holders of Senior Debt of the Company to receive payments or distributions otherwise payable to Holders and such other rights of such holders of Senior Debt as set forth herein; or
- (c) affect the relative rights of Holders and creditors of the Company other than their rights in relation to holders of Senior Debt.

SECTION 10.08. Subordination May Not Be Impaired by the Company.

No right of any holder of Senior Debt of the Company to enforce the subordination of the Indebtedness evidenced by the Notes shall be impaired by any act or failure to act by the Company or by its failure to comply with this Indenture.

SECTION 10.09. Rights of Trustee and Paying Agent.

Notwithstanding Section 10.03 hereof, the Trustee or any Paying Agent may continue to make payments on the Notes and shall not be charged with knowledge of the existence of facts that would prohibit the making of any payments unless, not less than two Business Days prior to the date of such

payment, a Responsible Officer of the Trustee receives notice satisfactory to him that payments may not be made under this Article 10. The Company, the Registrar, the Paying Agent, a Representative or a holder of Senior Debt of the Company shall be entitled to give the notice; *provided, however*, that, if an issue of Senior Debt of the Company has a Representative, only the Representative shall be entitled to give the notice.

The Trustee in its individual or any other capacity shall be entitled to hold Senior Debt of the Company with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent shall be entitled to do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article 10 with respect to any Senior Debt of the Company which may at any time be held by it, to the same extent as any other holder of such Senior Debt; and nothing in Article 7 shall deprive the Trustee of any of its rights as such holder. Nothing in this Article 10 shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07 hereof or any other Section of this Indenture.

SECTION 10.10. Distribution or Notice to Representative.

Whenever a distribution is to be made or a notice given to holders of Senior Debt of the Company, the distribution may be made and the notice given to their Representative (if any).

SECTION 10.11. Not To Prevent Events of Default or Limit Right To Accelerate.

The failure to make a payment pursuant to the Notes by reason of any provision in this Article 10 shall not be construed as preventing the occurrence of a Default. Nothing in this Article 10 shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Notes.

SECTION 10.12. Trust Moneys Not Subordinated.

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust by the Trustee for the payment of principal of and interest on the Notes pursuant to Article 8 or Article 11 hereof shall not be subordinated to the prior payment of any Senior Debt of the Company or subject to the restrictions set forth in this Article 10, and none of the Holders shall be obligated to pay over any such amount to the Company or any holder of Senior Debt of the Company or any other creditor of the Company, *provided* that the subordination provisions of this Article 10 were not violated at the time the applicable amounts were deposited in trust pursuant to Article 8 or Article 11 hereof, as the case may be.

SECTION 10.13. Trustee Entitled To Rely.

Upon any payment or distribution pursuant to this Article 10, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 10.02 hereof are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives of Senior Debt of the Company for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Debt and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 10. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Debt of the Company to participate in any payment or distribution pursuant to this Article 10, the Trustee shall be entitled to request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article 10, and, if such evidence is not furnished, the Trustee shall be entitled to defer any

payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 hereof shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article 10.

SECTION 10.14. Trustee To Effectuate Subordination.

A Holder by its acceptance of a Note agrees to be bound by this Article 10 and authorizes and expressly directs the Trustee, on his behalf, to take such action as may be necessary or appropriate to effectuate the subordination between the Holders and the holders of Senior Debt of the Company as provided in this Article 10 and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 10.15. Trustee Not Fiduciary for Holders of Senior Debt of the Company.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt of the Company and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of Senior Debt of the Company shall be entitled by virtue of this Article 10 or otherwise.

SECTION 10.16. Reliance by Holders of Senior Debt of the Company on Subordination Provisions.

Each Holder by accepting a Note acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Debt of the Company, whether such Senior Debt was created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Debt and such holder of such Senior Debt shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Debt.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt of the Company may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Trustee or the Holders and without impairing or releasing the subordination provided in this Article 10 or the obligations hereunder of the Holders to the holders of the Senior Debt of the Company, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt of the Company, or otherwise amend or supplement in any manner Senior Debt of the Company, or any instrument evidencing the same or any agreement under which Senior Debt of the Company is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt of the Company; (iii) release any Person liable in any manner for the payment or collection of Senior Debt of the Company; and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

ARTICLE 11.

SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect, except as to surviving rights of registration of transfer or exchange of the Notes, as to all Notes issued hereunder, when:

- (a) either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has previously been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year or are to be called for redemption within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and noncallable Government Securities, in amounts as will be sufficient in the opinion of a nationally recognized firm of independent public accountants (or, if two or more nationally recognized firms of independent public accountants decline to issue such opinion as a matter of policy after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Interest, if any, and accrued interest to the date of maturity or redemption;

(b) no Default or Event of Default has occurred and is continuing on the date of the deposit or shall occur as a result of the deposit and the deposit shall not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(c) the Company or any Guarantor has paid or caused to be paid all other sums payable by it under this Indenture; and

(d) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at their Stated Maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee each stating that all conditions precedent to the satisfaction and discharge have been satisfied.

SECTION 11.02. Deposited Cash and Government Securities.

Subject to Section 10.03 hereof, all cash and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 11.02, the "Trustee") pursuant to Section 11.01 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Additional Interest, if any, but such cash and securities need not be segregated from other funds except to the extent required by law.

SECTION 11.03. Repayment to Company.

Any cash or non-callable Government Securities deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest or Additional Interest, if any, on, any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest or Additional Interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder shall thereafter, as an unsecured creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such cash and securities, and all liability of

the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such cash and securities remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such cash and securities then remaining shall be repaid to the Company.

SECTION 11.04. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Sections 11.01 and 11.02, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and any Guarantor's obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Sections 11.01 and 11.02 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Sections 11.01 and 11.02 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest or Additional Interest, if any, on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12.

SUBSIDIARY GUARANTEES

SECTION 12.01. Guarantee.

Subject to this Article 12, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, interest and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this Subsidiary Guarantee is a general unsecured obligation of such Guarantor and it is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this

Indenture. Each Guarantor hereby expressly waives all statutory suretyship defenses that it may waive under applicable law, including, without limitation, California Civil Code Section 2856.

Each Guarantor also agrees to pay, in addition to the amount stated above, any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 12.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by the Company or a Guarantor either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Subsidiary Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Subsidiary Guarantee.

Each Subsidiary Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company or any Guarantor for liquidation or reorganization, should the Company or any Guarantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's or any other Guarantor's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Subsidiary Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Subsidiary Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Subsidiary Guarantee issued by any Guarantor shall be a general unsecured senior subordinated obligation of such Guarantor and shall be subordinated in right of payment to all existing and future Senior Debt of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Subsidiary Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 12.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to such maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 12, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 12.03. Execution and Delivery.

To evidence its Subsidiary Guarantee set forth in Section 12.01 hereof, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 12.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.16 hereof, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.16 hereof and this Article 12, to the extent applicable.

SECTION 12.04. Successors and Assigns.

This Article 12 shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.05. No Waiver.

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

SECTION 12.06. Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 12.07. The provisions of this Section shall in no respect limit the obligations and liabilities of any Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 12.07. No Subrogation.

Notwithstanding any payment or payments made by any of the Guarantors hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or Guarantee or right of offset held by the Trustee or any Holder for the payment of the Obligations under this Indenture, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Obligations under this Indenture are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations under this Indenture shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Obligations under this Indenture.

SECTION 12.08. Guarantors May Consolidate, Etc., on Certain Terms.

A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless immediately after giving effect to the transaction, no Default or Event of Default exists.

In case of any such consolidation, merger, sale or other disposition and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee, of the Subsidiary Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. All the Subsidiary Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Subsidiary Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Subsidiary Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

SECTION 12.09. Releases of Subsidiary Guarantee.

The Subsidiary Guarantee of a Guarantor will be released and the Guarantor will be relieved of any obligations under the Notes, this Indenture and the Registration Rights Agreement:

- (a) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale or other disposition complies with Section 12.08;
- (b) in connection with any sale, exchange or transfer of the Capital Stock of a Guarantor, after which such Guarantor is no longer a Subsidiary of the Company to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale, exchange or transfer complies with Section 12.08;
- (c) if the Company designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.17;
- (d) upon the discharge of the Notes in accordance with Section 8.02; or
- (e) upon the release, termination or satisfaction of the Guarantor's guarantee or assumption of certain other Indebtedness in accordance with Section 4.16.

Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel both to the effect that all conditions precedent set forth in this Section 12.09 to the release of the Subsidiary Guarantee of a Guarantor have been satisfied, to the extent such conditions can be satisfied as of such date, the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Subsidiary Guarantee, to be effective upon the satisfaction of all such conditions precedent.

Any Guarantor not released from its obligations under its Subsidiary Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 12.

ARTICLE 13.

SUBORDINATION OF SUBSIDIARY GUARANTEES

SECTION 13.01. Agreement To Subordinate.

Each Guarantor agrees, and each Holder by accepting a Note agrees, that the obligations of such Guarantor under its Guarantee are subordinated in right of payment, to the extent and in the manner provided in this Article 13, to the prior payment in full of all existing and future Senior Debt of such Guarantor and that the subordination is for the benefit of and enforceable by the holders of such Senior Debt. A Guarantor's obligations under its Subsidiary Guarantee shall in all respects rank equal in right of payment with all existing and future Senior Subordinated Debt of such Guarantor, and will be senior in right of payment to all existing and future Indebtedness of such Guarantor that is by its terms subordinated in right of payment to the Subsidiary Guarantee of such Guarantor; and only Indebtedness of such Guarantor that is Senior Debt shall rank senior to the obligations of such Guarantor under its Subsidiary Guarantee in accordance with the provisions set forth herein. All provisions of this Article 13 shall be subject to Section 13.12.

SECTION 13.02. Liquidation, Dissolution, Bankruptcy.

Upon any payment or distribution of the assets of a Guarantor upon a total or partial liquidation or dissolution or reorganization, insolvency or bankruptcy or similar proceeding relating to such Guarantor or its property:

(a) the holders of Senior Debt of such Guarantor shall be entitled to receive payment in full in cash of such Senior Debt before Holders shall be entitled to receive any payment or distribution of any kind or character with respect to any Obligations on, or relating to, its Subsidiary Guarantee, except that Holders may receive Permitted Junior Securities;

(b) until the Senior Debt of such Guarantor is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of this Indenture shall be made to holders of such Senior Debt as their interests may appear, except that Holders may receive Permitted Junior Securities; and

(c) if a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Debt of the Guarantor and pay it over to them as their interests may appear.

SECTION 13.03. Default on Senior Debt of a Guarantor.

A Guarantor shall not make any payment pursuant to its Subsidiary Guarantee (or pay any other Obligations relating to its Subsidiary Guarantee, including Additional Interest, fees, costs, expenses, indemnities and rescission or damage claims) and may not purchase, redeem or otherwise retire or acquire for cash or property any Notes (collectively, "pay its Guarantee") (except in the form of Permitted Junior Securities) if either of the following occurs (a "Guarantor Designated Senior Debt Payment Default"):

(a) any Obligation on any Designated Senior Debt of such Guarantor is not paid in full in cash when due (after giving effect to any applicable grace period); or

(b) any other default on Designated Senior Debt of such Guarantor occurs and the maturity of such Designated Senior Debt is accelerated in accordance with its terms;

unless, in either case, the Guarantor Designated Senior Debt Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Debt has been paid in full in cash. Regardless of the foregoing, such Guarantor is permitted to pay its Guarantee if such Guarantor and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Debt with respect to which the Guarantor Designated Senior Debt Payment Default has occurred and is continuing.

During the continuance of any default (other than a Guarantor Designated Senior Debt Payment Default) (a "Guarantor Non-Payment Default") with respect to any Designated Senior Debt of a Guarantor pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, such Guarantor is not permitted to pay its Guarantee (except in the form of Permitted Junior Securities) for a period (a "Guarantee Payment Blockage Period") commencing upon the receipt by the Trustee (with a copy to such Guarantor and the Company) of written notice (a "Guarantee Blockage Notice") of such Guarantor Non-Payment Default from the Representative of such Designated Senior Debt specifying an election to effect a Guarantee Payment Blockage Period and ending 179 days thereafter. So long as there shall remain outstanding any Senior Debt under the Credit Agreement, a Guarantee Blockage Notice may be given only by the respective Representatives thereunder unless otherwise agreed to in writing by the

requisite lenders named therein. The Guarantee Payment Blockage Period shall end earlier if such Guarantee Payment Blockage Period is terminated (i) by written notice to the Trustee, the relevant Guarantor and the Company from the Person or Persons who gave such Guarantee Blockage Notice; (ii) because the default giving rise to such Guarantee Blockage Notice is cured, waived or otherwise no longer continuing; or (iii) because such Designated Senior Debt has been discharged or repaid in full in cash.

Notwithstanding the provisions described in the immediately preceding two sentences (but subject to the provisions contained in the first sentence of this Section 13.03 and Section 13.02 hereof), unless the holders of such Designated Senior Debt or the Representative of such Designated Senior Debt shall have accelerated the maturity of such Designated Senior Debt, the relevant Guarantor is permitted to resume paying its Guarantee after the end of such Guarantee Payment Blockage Period. Each Guarantee shall not be subject to more than one Guarantee Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Debt of the relevant Guarantor during such period; *provided* that if any Guarantee Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Debt of such Guarantor (other than the holders of Indebtedness under the Credit Agreement), a Representative of holders of Indebtedness under the Credit Agreement may in the aggregate give one other Guarantee Blockage Notice within such period. However, in no event shall the total number of days during which any Guarantee Payment Blockage Period or Periods on a Guarantee is in effect exceed 179 days in the aggregate during any consecutive 360 day period, and there must be at least 181 days during any consecutive 360 day period during which no Guarantee Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no default that existed or was continuing on the date of delivery of any Guarantee Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Guarantee Blockage Notice unless such default shall have been waived for a period of not less than 90 days (it being acknowledged that any subsequent action, or any breach of any financial covenants during the period after the date of delivery of a Guarantee Blockage Notice, that, in either case, would give rise to a Guarantor Non-Payment Default pursuant to any provisions under which a Guarantor Non-Payment Default previously existed or was continuing shall constitute a new Guarantor Non-Payment Default for this purpose).

SECTION 13.04. Demand for Payment.

If payment of the Notes is accelerated because of an Event of Default and a demand for payment is made on a Guarantor pursuant to Article 12 hereof, the Company or such Guarantor shall promptly notify the holders of the Designated Senior Debt of such Guarantor or the Representative of such Designated Senior Debt of such demand; *provided* that any failure to give such notice shall have no effect whatsoever on the provisions of this Article 13. If any Designated Senior Debt of a Guarantor is outstanding, such Guarantor may not pay its Guarantee until five Business Days after the Representatives of such Designated Senior Debt receive notice of such acceleration and, thereafter, may pay its Guarantee only if this Indenture otherwise permits payment at that time.

SECTION 13.05. When Distribution Must Be Paid Over.

If a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Debt of the relevant Guarantor and pay it over to them as their interests may appear.

SECTION 13.06. Subrogation.

After all Senior Debt of a Guarantor is paid in full and until the Notes are paid in full, Holders shall be subrogated to the rights of holders of such Senior Debt to receive distributions applicable to such Senior Debt. A distribution made under this Article 13 to holders of such Senior Debt which otherwise

would have been made to Holders is not, as between the relevant Guarantor and Holders, a payment by such Guarantor on such Senior Debt.

SECTION 13.07. Relative Rights.

This Article 13 defines the relative rights of Holders and holders of Senior Debt of a Guarantor. Nothing in this Indenture shall:

- (a) impair, as between such Guarantor and Holders, the obligation of such Guarantor, which is absolute and unconditional, to make payments under its Subsidiary Guarantee in accordance with its terms;
- (b) prevent the Trustee or any Holder from exercising its available remedies upon a default by such Guarantor under its obligations with respect to its Subsidiary Guarantee, subject to the rights of holders of Senior Debt of such Guarantor to receive payments or distributions otherwise payable to Holders and such other rights of such holders of Senior Debt as set forth herein; or
- (c) affect the relative rights of Holders and creditors of such Guarantor other than their rights in relation to holders of Senior Debt.

SECTION 13.08. Subordination May Not Be Impaired by a Guarantor.

No right of any holder of Senior Debt of a Guarantor to enforce the subordination of the obligations of such Guarantor under its Subsidiary Guarantee shall be impaired by any act or failure to act by such Guarantor or by its failure to comply with this Indenture.

SECTION 13.09. Rights of Trustee and Paying Agent.

Notwithstanding Section 13.03 hereof, the Trustee or any Paying Agent may continue to make payments on the Notes and shall not be charged with knowledge of the existence of facts that would prohibit the making of any payments unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Trustee receives notice satisfactory to him that payments may not be made under this Article 13. A Guarantor, the Registrar, the Paying Agent, a Representative or a holder of Senior Debt of such Guarantor shall be entitled to give the notice; *provided, however*, that, if an issue of Senior Debt of such Guarantor has a Representative, only the Representative shall be entitled to give the notice.

The Trustee in its individual or any other capacity shall be entitled to hold Senior Debt of a Guarantor with the same rights it would have if it were not Trustee. The Registrar and the Paying Agent shall be entitled to do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article 13 with respect to any Senior Debt of a Guarantor which may at any time be held by it, to the same extent as any other holder of such Senior Debt; and nothing in Article 7 shall deprive the Trustee of any of its rights as such holder. Nothing in this Article 13 shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07 hereof or any other Section of this Indenture.

SECTION 13.10. Distribution or Notice to Representative.

Whenever a distribution is to be made or a notice given to holders of Senior Debt of a Guarantor, the distribution may be made and the notice given to their Representative (if any).

SECTION 13.11. Article 13 Not To Prevent Events of Default or Limit Right to Demand Payment.

The failure of a Guarantor to make a payment pursuant its Subsidiary Guarantee by reason of any provision in this Article 13 shall not be construed as preventing the occurrence of a default by such Guarantor under its Subsidiary Guarantee. Nothing in this Article 13 shall have any effect on the right of the Holders or the Trustee to make a demand for payment on a Guarantor pursuant to Article 12 hereof.

SECTION 13.12. Trust Moneys Not Subordinated.

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust by the Trustee for the payment of principal of and interest on the Notes pursuant to Article 8 or Article 11 hereof shall not be subordinated to the prior payment of any Senior Debt of any Guarantor or subject to the restrictions set forth in this Article 13, and none of the Holders shall be obligated to pay over any such amount to such Guarantor or any holder of Senior Debt of such Guarantor or any other creditor of such Guarantor, *provided* that the subordination provisions of this Article 13 were not violated at the time the applicable amounts were deposited in trust pursuant to Article 8 or Article 11 hereof, as the case may be.

SECTION 13.13. Trustee Entitled To Rely.

Upon any payment or distribution pursuant to this Article 13, the Trustee and the Holders shall be entitled to rely (i) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 13.02 hereof are pending, (ii) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (iii) upon the Representatives of Senior Debt of a Guarantor for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of such Senior Debt and other Indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 13. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Debt of a Guarantor to participate in any payment or distribution pursuant to this Article 13, the Trustee shall be entitled to request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article 13, and, if such evidence is not furnished, the Trustee shall be entitled to defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 hereof shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article 13.

SECTION 13.14. Trustee To Effectuate Subordination.

A Holder by its acceptance of a Note agrees to be bound by this Article 13 and authorizes and expressly directs the Trustee, on his behalf, to take such action as may be necessary or appropriate to effectuate the subordination between the Holders and the holders of Senior Debt of a Guarantor as provided in this Article 13 and appoints the Trustee as attorney-in-fact for any and all such purposes.

SECTION 13.15. Trustee Not Fiduciary for Holders of Senior Debt of Guarantors.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt of a Guarantor and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or such Guarantor or any other Person, money or assets to which any holders of Senior Debt of such Guarantor shall be entitled by virtue of this Article 13 or otherwise.

SECTION 13.16. Reliance by Holders of Senior Debt of a Guarantor on Subordination Provisions.

Each Holder by accepting a Note acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Debt of a Guarantor, whether such Senior Debt was created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Debt and such holder of such Senior Debt shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Debt.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt of a Guarantor may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Trustee or the Holders and without impairing or releasing the subordination provided in this Article 13 or the obligations hereunder of the Holders to the holders of the Senior Debt of such Guarantor, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt of such Guarantor, or otherwise amend or supplement in any manner Senior Debt of such Guarantor, or any instrument evidencing the same or any agreement under which Senior Debt of such Guarantor is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt of such Guarantor; (iii) release any Person liable in any manner for the payment or collection of Senior Debt of such Guarantor; and (iv) exercise or refrain from exercising any rights against such Guarantor and any other Person.

SECTION 14.03. Communication by Holders of Notes with Other Holders of Notes. Holders may communicate pursuant to TIA § 312(b) with other Holders with respect to their rights under this Indenture or the Notes. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such eligible and qualified Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents;

Any certificate or opinion of an Officer of the Company may be based, insofar as it related to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating the information on which counsel is relying unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous; and

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 14.05. Statements Required in Certificate or Opinion. SECTION 14.06. Rules by Trustee and Agents. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

SECTION 14.07. No Personal Liability of Directors, Officers, Employees and Stockholders. [FORM OF REVERSE OF NOTES]

7.375% Senior Subordinated Notes due 2021

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. **Interest.** Cinemark USA, Inc., a Texas corporation (the "**Company**"), promises to pay interest on the principal amount of this Note at the rate of 7.375% per annum. Interest on the Notes will accrue at the rate of 7.375% per annum and the Company will pay interest semi-annually in arrears on June 15 and December 15 of each year, commencing December 15, 2011 or if any such day is not a Business Day, on the next succeeding Business Day (each an "**Interest Payment Date**"). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from June 3, 2011. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **Method of Payment.** The Company shall pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the June 1 or December 1 immediately preceding the Interest Payment Date (each, a "**Record Date**"), even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture. The Notes shall be payable as to principal or premium, if any, Additional Interest, if any, or interest at the office or agency of the Company maintained for such purpose within the City and State of New York (which may be an office of the Paying Agent), or, at the option of the Company, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of or premium, if any, Additional Interest, if any, or interest on the Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent prior to the applicable Record Date. Such payment shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts.

3. **Paying Agent and Registrar.** Initially, Wells Fargo Bank, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. **Indenture.** The Company issued the Notes under an Indenture, dated as of June 3, 2011 (as such may be amended or supplemented from time to time, the "**Indenture**"), among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are obligations of the Company initially in the aggregate principal amount of \$200,000,000. Subject to compliance with Section 2.13 and Section 4.09 of the Indenture, the Company is permitted to issue Additional Notes under the Indenture in an unlimited principal amount. Any such Additional Notes that

are actually issued shall be treated as issued and outstanding Notes (and of the same class as the Initial Notes) for all purposes of the Indenture, unless the context clearly indicates otherwise. The Notes are Guaranteed by certain Subsidiaries of the Company pursuant to the Indenture.

5. Optional Redemption.

Except as described below, the Notes will not be redeemable at the Company's option prior to June 15, 2016.

(a) At any time prior to June 15, 2014, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) at a redemption price of 107.375% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings by the Company, *provided* that: (i) at least 65% of the principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and (ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after June 15, 2016, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on June 15 of the years indicated below:

<u>YEAR</u>	<u>Percentage</u>
2016	103.688%
2017	102.458%
2018	101.229%

(c) At any time and from time to time prior to June 15, 2016, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest and Additional Interest, if any, thereon to the redemption date. Notice of redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

(d) The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

6. Repurchase at Option of Holder.

If a Change of Control occurs, the Company shall be required to make an offer to each Holder of Notes to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of such Holder's Notes pursuant to the terms set forth in the Indenture (the "Change of Control Offer") at an offer price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest and Additional Interest thereon, if any, to the date of repurchase. Within 30 days following any Change of

Control, the Company shall mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

7. Notice of Redemption. Notice of redemption shall be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 aggregate principal amount may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed.

8. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a Record Date and the corresponding Interest Payment Date.

9. Subordination. The Notes and the Subsidiary Guarantees are subordinated to Senior Debt of the Company and the Guarantors on the terms and subject to the conditions set forth in the Indenture. To the extent provided in the Indenture, Senior Debt must be paid before the Notes and the Subsidiary Guarantees may be paid. The Company agrees, and each Holder by accepting a Note agrees, to the subordination provisions contained in the Indenture and authorizes the Trustee to give such provisions effect and appoints the Trustee as attorney-in-fact for such purpose.

10. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement and Waiver. The provisions governing amendment, supplement and waiver of any provision of the Indenture, the Notes and the Subsidiary Guarantees are set forth in Article 9 of the Indenture.

14. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or any Guarantor under the Notes, the Indenture, any Subsidiary Guarantees or the Registration Rights Agreement or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an Authenticating Agent.

16. Abbreviations. (b) Holders of Applicable Securities. A Person is deemed to be a holder of Applicable Securities (each, a "Holder") whenever such Person owns Applicable Securities.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy (so long as the procedures set forth in Section 6(a) below are being or have been complied with), Cinemark and the Guarantors shall (i) use their commercially reasonable best efforts to cause to be filed with the Commission, not later than 90 days after the Closing Date, the Exchange Offer Registration Statement under the Act relating to the Exchange Notes and the Exchange Offer, (ii) use their commercially reasonable best efforts to cause such Exchange Offer Registration Statement to be declared effective by the Commission at the earliest practicable time, but not later than 180 days after the Closing Date, (iii) in connection with the foregoing, (A) file all pre-effective amendments to such Exchange Offer Registration Statement as may be necessary in order to cause such Exchange Offer Registration Statement to become effective, (B) if applicable, file a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Notes to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, and (iv) upon the effectiveness of such Exchange Offer Registration Statement, commence and use their commercially reasonable best efforts to Consummate the Exchange Offer. The Exchange Offer shall be on an appropriate form permitting registration of the Exchange Notes to be offered in exchange for the Applicable Securities and to permit resales of Securities held by Broker-Dealers as contemplated by Section 3(c) below. If, after such Exchange Offer Registration Statement initially is declared effective by the Commission, the Exchange Offer or the issuance of Exchange Notes thereunder or the sale of Applicable Securities pursuant thereto as contemplated by Section 3(c) below is interfered with by any stop order, injunction or other order or requirement of the Commission or any other governmental agency or court, such Exchange Offer Registration Statement shall be deemed not to have become effective for purposes of this Agreement during the period that such stop order, injunction or other similar order or requirement shall remain in effect.

(b) Cinemark and the Guarantors shall use their commercially reasonable best efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to Consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days. Cinemark and the Guarantors shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Securities shall be included in the Exchange Offer Registration Statement. Unless the Exchange Offer shall not be permissible under applicable law or Commission policy, Cinemark and the Guarantors shall use their commercially reasonable best efforts to cause the Exchange Offer to be Consummated on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but not later than 30 days thereafter.

(c) Cinemark shall indicate in a "Plan of Distribution" section contained in the Prospectus included in the Exchange Offer Registration Statement that any Broker-Dealer who holds Notes that are Applicable Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Applicable Securities acquired

directly from Cinemark), may exchange such Notes pursuant to the Exchange Offer; *provided, however*, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Act and must, therefore, deliver a prospectus meeting the requirements of the Act in connection with any resales of the Exchange Notes received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Securities held by any such Broker-Dealer except to the extent required by the Commission.

Cinemark and the Guarantors shall use their commercially reasonable best efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) below to the extent necessary to ensure that it is available for resales of Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of twelve months from the date on which the Exchange Offer Registration Statement is declared effective.

Cinemark shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such period in order to facilitate such resales.

SECTION 4. SHELF REGISTRATION

(a) Shelf Registration. If (i) Cinemark and the Guarantors are not required to file an Exchange Offer Registration Statement or consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy (so long as the procedures set forth in Section 6(a) below are being or have been complied with) or (ii) any Holder of Applicable Securities shall notify Cinemark on or prior to the 20th day following the Consummation of the Exchange Offer that (A) such Holder is prohibited by a change in applicable law or Commission policy from participating in the Exchange Offer, (B) such Holder may not resell the Exchange Notes to be acquired by it in the Exchange Offer to the public without delivering a prospectus and that the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder or (C) such Holder is a Broker-Dealer and owns Notes acquired directly from Cinemark or an affiliate of Cinemark, then Cinemark and the Guarantors shall:

(x) use their commercially reasonable best efforts to cause to be filed a shelf registration statement pursuant to Rule 415 under the Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the “Shelf Registration Statement”), on or prior to the 30th day after the obligation to file such Shelf Registration Statement arises (and in any event within 210 days after the Closing Date) (the “Shelf Filing Deadline”), which Shelf Registration Statement shall provide for resales of all

Applicable Securities, the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use their commercially reasonable best efforts to cause such Shelf Registration Statement to be declared effective by the Commission on or before the 180th day after the obligation to file such Shelf Registration Statement arises.

Cinemark and the Guarantors shall use their commercially reasonable best efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Securities by the Holders of Applicable Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of one year following the Closing Date.

(b) Provision by Holders of Certain Information in Connection with the Shelf Registration Statement No Holder of Applicable Securities may include any of its Applicable Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to Cinemark in writing, within 20 Business Days after receipt of a request therefor, such information as Cinemark may reasonably request specified in Item 507 and Item 508 of Regulation S-K under the Act for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to Cinemark all information required to be disclosed in order to make the information previously furnished to Cinemark by such Holder not materially misleading. No Holder of Applicable Securities shall be entitled to Additional Interest pursuant to Section 5 hereof unless and until such Holder shall have used its best efforts to provide all such reasonably requested information.

SECTION 5. ADDITIONAL INTEREST

If (i) any of the Registration Statements required by this Agreement is not filed with the Commission on or prior to the date specified for such filing in this Agreement, (ii) any of such Registration Statements has not been declared effective by the Commission on or prior to the date specified for such effectiveness in this Agreement (the "Effectiveness Target Date"), (iii) the Exchange Offer has not been Consummated within 30 Business Days after the Effectiveness Target Date with respect to the Exchange Offer Registration Statement or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being succeeded within two Business Days by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) through (iv) above, a "Registration Default"), Cinemark and the Guarantors hereby agree to pay, jointly and severally, additional cash interest ("Additional Interest") to each Holder of Applicable Securities. Such Additional Interest, with respect to the first 90-day period immediately following the occurrence of each such Registration Default, shall equal an increase in the annual interest rate on the Notes by 0.5%. The amount of Additional Interest will increase by an additional 0.5% per annum with respect to each subsequent 90-day

period relating to each such Registration Default until all Registration Defaults have been cured, up to a maximum amount of Additional Interest for all Registration Defaults of 1.0% per annum. The Securities will not accrue Additional Interest from and after the second anniversary of the Issue Date even if Cinemark is not in compliance with its obligations under this Agreement. Cinemark shall notify the Trustee within one Business Day after (i) each and every Registration Default and (ii) the date the Registration Default has been so cured. Cinemark and the Guarantors shall, jointly and severally, pay all accrued Additional Interest to Holders in New York, New York by wire transfer of immediately available funds or by federal funds check in the same manner as interest is paid under the Notes. Following the cure of all Registration Defaults relating to any particular Applicable Securities, the accrual of Additional Interest with respect to such Applicable Securities will cease. The parties agree that the obligation to pay Additional Interest will be the sole remedy of Holders with respect to damages arising from a Registration Default (except as provided in Section 12(a) hereof).

All obligations of Cinemark and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Applicable Security at the time such security ceases to be an Applicable Security shall survive until such time as all such obligations with respect to such Security shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) Exchange Offer Registration Statement. In connection with the Exchange Offer, Cinemark and the Guarantors shall comply with all of the provisions of Section 6(c) below, shall use their commercially reasonable best efforts to effect such exchange to permit the sale of Applicable Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If in the reasonable opinion of counsel to Cinemark there is a question as to whether the Exchange Offer is permitted by applicable law, Cinemark and the Guarantors hereby agree to seek a no-action letter or other favorable decision from the Commission, including oral advice from the staff of the Commission, allowing Cinemark and the Guarantors to consummate an Exchange Offer for such Notes. Cinemark and the Guarantors hereby agree to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. In connection with the foregoing, Cinemark and the Guarantors hereby agree, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to Cinemark setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a resolution (which need not be favorable) by the Commission staff of such matters.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Applicable Securities shall furnish, upon the request of Cinemark, prior to the consummation thereof, a written representation to Cinemark (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of

Cinemark, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. Each Holder hereby acknowledges and agrees that any Broker-Dealer who acquired Notes directly from Cinemark or any affiliate of Cinemark and any such Holder intending to use the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (including any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Notes obtained by such Holder in exchange for Notes acquired by such Holders directly from Cinemark.

(iii) Prior to effectiveness of the Exchange Offer Registration Statement, Cinemark and the Guarantors shall provide a supplemental letter to the Commission stating that Cinemark and the Guarantors are registering the Exchange Offer in reliance on the position of the Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988), Morgan Stanley and Co., Inc. (available June 5, 1991) and, if applicable, any no-action letter obtained pursuant to clause (i) above. The supplemental letter shall include a representation that Cinemark and the Guarantors have not entered into any arrangement or understanding with any Person to distribute the Exchange Notes to be received in the Exchange Offer and that, to the best of Cinemark's information and belief, each Holder participating in the Exchange Offer is acquiring the Exchange Notes in its ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the Exchange Notes received in the Exchange Offer.

(b) Shelf Registration Statement. In connection with the Shelf Registration Statement, Cinemark and the Guarantors shall comply with all the provisions of Section 6(c) below and shall use their commercially reasonable best efforts to effect such registration to permit the sale of the Applicable Securities being sold in accordance with the intended method or methods of distribution thereof in accordance with the provisions of Sections 4(a) and 6(c) hereof.

(c) General Provisions. In connection with any Registration Statement and any related Prospectus required by this Agreement to permit the sale or resale of Applicable Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Securities by Broker-Dealers), Cinemark and the Guarantors shall:

(i) use their commercially reasonable best efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 hereof, as applicable; upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Applicable Securities during the period required by this Agreement, Cinemark and the Guarantors shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use their commercially reasonable best efforts to cause such amendment to be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as reasonably practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Applicable Securities covered by such Registration Statement have been exchanged or sold or until such Applicable Securities no longer constitute Applicable Securities or are no longer outstanding; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Act in a timely manner; and comply with the provisions of the Act with respect to the disposition of all Applicable Securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise promptly the underwriter(s), if any, and selling Holders and, if requested by such Persons, confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Act or of the suspension by any state securities commission of the qualification of the Applicable Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes or (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Applicable Securities under state securities or Blue Sky laws,

Cinemark and the Guarantors shall use their commercially reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest practicable time;

(iv) furnish to the Purchasers, each selling Holder named in any Registration Statement or Prospectus and each of the underwriter(s) in connection with each such sale, if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus if requested by such person, which documents will be subject to the review of such Holders and underwriter(s) in connection with each such sale, if any, for a period of at least five Business Days, and Cinemark and the Guarantors will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus to which a selling Holder of Applicable Securities covered by such Registration Statement or the underwriter(s) in connection with each such sale, if any, shall reasonably object within five Business Days after the receipt thereof. A selling Holder or underwriter, if any, shall be deemed to have reasonably objected to such filing if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission or fails to comply with the applicable requirements of the Act;

(v) promptly provide copies prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, if requested by any selling Holders or the underwriter(s), if any, within five Business Days after receipt of notification thereof from Cinemark, of such document to the selling Holders and to the underwriter(s), if any; make Cinemark's representatives available for discussion of such document and other customary due diligence matters; and include such information in such document prior to the filing thereof as such selling Holders or underwriter(s), if any, reasonably may request;

(vi) make available at reasonable times for inspection by the selling Holders, any underwriter participating in any disposition pursuant to such Registration Statement, and any attorney or accountant retained by such selling Holders or any of the underwriter(s), all financial and other records, pertinent corporate documents and properties of Cinemark and its subsidiaries, and cause Cinemark's officers, directors and employees to supply all information reasonably requested by any such Holder, underwriter, attorney or accountant in connection with such Registration Statement subsequent to the filing thereof and prior to its effectiveness;

(vii) if requested by any selling Holders or the underwriter(s) in connection with each such sale, if any, promptly include in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and such underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Applicable Securities, information with respect to the principal amount of Applicable Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Applicable Securities to be sold in such offering; and make all required filings of such Prospectus supplement or

post-effective amendment as soon as practicable after Cinemark is notified of the matters to be included in such Prospectus supplement or post-effective amendment;

(viii) use their commercially reasonable best efforts to cause the Applicable Securities covered by the Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Notes covered thereby or the underwriter(s), if any;

(ix) furnish to each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including all documents incorporated by reference therein and all exhibits if so requested by such person;

(x) deliver to each selling Holder and each of the underwriter(s) in connection with each such sale, if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons may reasonably request; Cinemark and the Guarantors hereby consent to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Applicable Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Applicable Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be reasonably acceptable to Cinemark and the Guarantors and reasonably requested by the Purchasers or by any Holder of Applicable Securities or any underwriter in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement; and whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, Cinemark and each of the Guarantors shall:

(A) furnish to each Purchaser, each selling Holder and each underwriter, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the Consummation of the Exchange Offer and, if applicable, upon the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed by (x) the President or any Vice President and (y) a principal financial or accounting officer of Cinemark and each of the Guarantors, confirming, as of the date thereof, the matters set forth in paragraph (h) of Section 5 of the Purchase Agreement and such other matters as such parties may reasonably request; *provided* that references to

the “Offering Memorandum” in such certificate shall instead refer to the Prospectus and references to the “Disclosure Package” in such certificate shall instead refer to any time of sale information prepared in connection with such Exchange Offer or Shelf Registration Statement, as the case may be;

(2) an opinion, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for Cinemark and the Guarantors, covering the matters set forth in paragraphs (c) and (d) of Section 5 of the Purchase Agreement and such other matters as such parties may reasonably request, and in any event including a statement to the effect that such counsel has participated in conferences with officers and other representatives of Cinemark, representatives of the independent public accountants for Cinemark, the Purchasers’ representatives and the Purchasers’ counsel at which the contents of such Registration Statement and the related Prospectus were discussed, although such counsel has not undertaken to investigate or independently verify and does not assume any responsibility for, the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing (relying as to materiality to a large extent upon facts provided to such counsel by officers and other representatives of Cinemark and without independent check or verification), no facts came to such counsel’s attention that caused such counsel to believe that the applicable Registration Statement, at the time such Registration Statement or any post-effective amendment thereto became effective, and, in the case of the Exchange Offer Registration Statement, as of the date of Consummation, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus contained in such Registration Statement as of its date and, in the case of the opinion dated the date of Consummation of the Exchange Offer, as of the date of Consummation, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Without limiting the foregoing, such counsel may state further that such counsel makes no comment with respect to, assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial and statistical data included in any Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) a customary comfort letter, dated as of the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, from Cinemark’s independent accountants, in the customary form and covering matters of

the type customarily covered in comfort letters by underwriters in connection with primary underwritten offerings, and affirming the matters set forth in the comfort letters delivered pursuant to Section 5(f) of the Purchase Agreement, without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section;

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with clause (A) above and with any customary conditions contained in the underwriting agreement or other agreement entered into by Cinemark and the Guarantors pursuant to this clause (xi), if any; and

(D) if at any time the representations and warranties of Cinemark and each of the Guarantors contemplated in clause (A)(1) above cease to be true and correct, Cinemark and each of the Guarantors shall so advise the Purchasers and the underwriter(s), if any, and each Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xii) prior to any public offering of Applicable Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Applicable Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may reasonably request and do any and all other acts or things necessary or advisable (including, without limitation, the imposition of such restrictions on offers or sales of the Securities as are referred to in Section 3(b) hereof) to enable the disposition in such jurisdictions of the Applicable Securities covered by the applicable Registration Statement; *provided, however*, that neither Cinemark nor any Guarantor shall be required to register or qualify as a foreign corporation where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, except as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not now so subject;

(xiii) shall issue, upon the request of any Holder of Notes covered by the Shelf Registration Statement, Exchange Notes having an aggregate principal amount equal to the aggregate principal amount of Notes surrendered to Cinemark by such Holder in exchange therefor or being sold by such Holder; such Exchange Notes to be registered in the name of such Holder or in the name of the purchaser(s) of such Exchange Notes, as the case may be; in return, the Notes held by such Holder shall be surrendered to Cinemark for cancellation;

(xiv) cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Applicable Securities to be sold and not bearing any restrictive legends; and to register such

Applicable Securities in such denominations (which denominations shall be of \$1,000 and integral multiples thereof) and such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any such sale of Applicable Securities made by such underwriter(s);

(xv) use their commercially reasonable best efforts to cause the Applicable Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Applicable Securities;

(xvi) if any fact or event contemplated by Section 6(c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Applicable Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading;

(xvii) provide a CUSIP number for all Applicable Securities not later than the effective date of the Registration Statement covering such Applicable Securities and provide the Trustee under the Indenture with printed certificates for the Applicable Securities which are in a form eligible for deposit with the Depository Trust Company;

(xviii) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter (including any "qualified independent underwriter") that is required to be retained in accordance with the rules and regulations of FINRA, and use their commercially reasonable best efforts to cause such Registration Statement to become effective and approved by such governmental agencies or authorities as may be necessary to enable the Holders selling Applicable Securities to consummate the disposition of such Applicable Securities;

(xix) otherwise use their commercially reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to Holders, as soon as reasonably practicable, a consolidated earnings statement meeting the requirements of Rule 158 under the Act (which need not be audited) covering a 12-month period (A) beginning at the end of any fiscal quarter in which Applicable Securities are sold to underwriters in a firm or best efforts Underwritten Offering or (B) if not sold to underwriters in such an Underwritten Offering, commencing with the first month of Cinemark's first fiscal quarter commencing after the effective date of the Registration Statement;

(xx) cause the Indenture to be qualified under the TIA not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate, with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in

accordance with the terms of the TIA; and execute, and use their commercially reasonable best efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner;

(xxi) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 or Section 15 of the Exchange Act;

(xxii) use their commercially reasonable best efforts to cause all Applicable Securities covered by the Registration Statement to be listed on each securities exchange on which similar securities issued by Cinemark are then listed if requested by the Holders of a majority in aggregate principal amount of Notes covered by such Registration Statement or the managing underwriter(s), if any; and

(xxiii) to the extent any Free Writing Prospectus is used, file with the Commission any Free Writing Prospectus that is required to be filed by Cinemark or the Guarantors with the Commission in accordance with the Act and to retain any Free Writing Prospectus not required to be filed.

(d) Restrictions on Holders. Each Holder agrees by acquisition of an Applicable Security that, upon receipt of any notice from Cinemark of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Applicable Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the "Advice") by Cinemark that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by Cinemark, each Holder will deliver to Cinemark (at Cinemark's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Applicable Securities that was current at the time of receipt of such notice. In the event Cinemark shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice.

SECTION 7. REGISTRATION EXPENSES

(a) All expenses incident to Cinemark and the Guarantors' performance of or compliance with this Agreement will be borne jointly and severally by Cinemark and the Guarantors, regardless of whether a Registration Statement becomes effective, including without limitation: (i) all registration and filing fees and expenses (including filings made by any Purchaser or Holder with FINRA (and, if applicable, the reasonable fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and

regulations of FINRA); (ii) all fees and expenses incurred in connection with compliance with federal securities and state Blue Sky or securities laws; (iii) all expenses of printing (including printing certificates for the Exchange Notes to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for Cinemark, and in accordance with Section 7(b) below, the Holders of Applicable Securities; (v) if applicable, all application and filing fees in connection with listing Securities on a national securities exchange or automated quotation system pursuant to the requirements hereof; and (vi) all fees and disbursements of independent certified public accountants of Cinemark (including the expenses of any special audit and comfort letters required by or incident to such performance).

Cinemark and the Guarantors will bear their internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by Cinemark and/or any Guarantor.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), Cinemark and the Guarantors will reimburse the Purchasers and the Holders of Applicable Securities being tendered in the Exchange Offer and/or resold pursuant to the "Plan of Distribution" contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, which shall be Simpson Thacher & Bartlett LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Applicable Securities for whose benefit such Registration Statement is being prepared.

SECTION 8. INDEMNIFICATION

(a) Cinemark and the Guarantors agree, jointly and severally, to indemnify and hold harmless, to the fullest extent permitted by applicable law, each of the Holders, each person, if any, who controls any Holder within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and the respective officers, directors, partners, employees, representatives and agents of each Holder or any controlling person, against any and all losses, liabilities, claims, damages and expenses whatsoever (including but not limited to reasonable attorneys' fees and any and all reasonable expenses whatsoever incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation) (collectively, "Losses"), joint or several, to which they or any of them may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus, or in any supplement thereto or amendment thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that neither Cinemark nor any Guarantor will be liable in any such case to the extent, but only to the extent, that any such Loss arises out of or is based upon any such untrue statement

or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to Cinemark and the Guarantors by or on behalf of any Holders expressly for use therein. This indemnity will be in addition to any liability which Cinemark or any Guarantor may otherwise have, including, under this Agreement.

(b) Each of the Holders agrees, severally and not jointly, to indemnify and hold harmless Cinemark, each of the Guarantors, each person, if any, who controls Cinemark or any Guarantor within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and the respective officers, directors, partners, employees, representatives and agents of Cinemark or any Guarantor or any controlling person, against any and all Losses, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such loss, liability, claim, damage or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to Cinemark and the Guarantors by or on behalf of such Holder expressly for use therein; *provided, however*, that in no case shall any Holder be liable or responsible for any amount in excess of the dollar amount of the proceeds received by such Holder upon the sale of the Securities giving rise to such indemnification obligation, unless such Losses are a result of the gross negligence or willful misconduct of such Holder as determined in a final judgment by a court of competent jurisdiction. This indemnity will be in addition to any liability which any Holder may otherwise have, including under this Agreement.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought, in writing of the commencement thereof (but the failure so to notify an indemnifying party shall not relieve it from any liability which it may have under this Section 8 except to the extent that it has been prejudiced in any material respect by such failure or from any liability which it may otherwise have). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action and the indemnifying party has agreed in writing to pay the fees and expenses of such counsel, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable

time after notice of commencement of the action, or (iii) such indemnified party or parties shall have concluded, upon the advice of counsel, that there may be defenses available to it or them which are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such fees and expenses of counsel shall be borne by the indemnifying parties; *provided, however*, that the indemnifying party under subsection (a) or (b) above, shall only be liable for the legal expenses of one counsel (in addition to any local counsel) for all indemnified parties in each jurisdiction in which any claim or action is brought. Anything in this subsection to the contrary notwithstanding, an indemnifying party shall not be liable for any settlement of any claim or action effected without its written consent; *provided, however*, that such consent was not unreasonably withheld.

(d) In order to provide for contribution in circumstances in which the indemnification provided for in this Section 8 is for any reason held to be unavailable or is insufficient to hold harmless a party indemnified hereunder, Cinemark and the Guarantors, on the one hand, and each Holder, on the other hand, shall contribute to the aggregate losses, claims, damages, liabilities and expenses of the nature contemplated by such indemnification provision (including any investigation, legal and other expenses incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claims asserted, but after deducting in the case of losses, claims, damages, liabilities and expenses suffered by Cinemark and the Guarantors, any contribution received by Cinemark and the Guarantors from persons, other than the Holders, who may also be liable for contribution, including persons who control either Cinemark or any Guarantor within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act) to which Cinemark, any Guarantor and any Holder may be subject, in such proportion as is appropriate to reflect the relative benefits received by Cinemark and the Guarantors, on the one hand, and any such Holder, on the other hand, or, if such allocation is not permitted by applicable law or if indemnification is not available as a result of the indemnifying party not having received notice as provided in this Section 8, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of Cinemark and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by Cinemark and the Guarantors, on the one hand, and any Holder, on the other hand, shall be deemed to be in the same proportion as (x) the total proceeds from the offering of the Securities (net of discounts and commissions but before deducting expenses) received by Cinemark and the Guarantors and (y) the total proceeds received by such Holder upon its sale of Securities which would otherwise give rise to the indemnification obligation, respectively. The relative fault of Cinemark and the Guarantors, on the one hand, and of the Holders, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by Cinemark and the Guarantors or the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Cinemark, each of the Guarantors and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by *pro rata* allocation or by any other method of allocation which does not take into account the equitable considerations

referred to above. Notwithstanding the provisions of this Section 8, (i) no Holder shall be required to contribute, in the aggregate, any amount in excess of the dollar amount by which the proceeds received by such Holder with respect to the sale of its Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person, if any, who controls a Holder within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and the respective officers, directors, partners, employees, representatives and agents of a Holder or any controlling person shall have the same rights to contribution as such Holder, and each person, if any, who controls Cinemark or any Guarantor within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and the respective officers, directors, partners, employees, representatives and agents of Cinemark or any Guarantor or any controlling person shall have the same rights to contribution as Cinemark and each of the Guarantors, subject in each case to clauses (i) and (ii) of this Section 8(d). Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this Section 8, notify such party or parties from whom contribution may be sought, but the failure to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 8 or otherwise.

SECTION 9. RULE 144A

Cinemark and the Guarantors hereby agree with each Holder, for so long as any Applicable Securities remain outstanding, to make available to any Holder or beneficial owner of Applicable Securities in connection with any sale thereof and any prospective purchaser of such Applicable Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Act in order to permit resales of such Applicable Securities pursuant to Rule 144A.

SECTION 10. UNDERWRITTEN REGISTRATIONS

No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Applicable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. SELECTION OF UNDERWRITERS

The Holders of Applicable Securities covered by the Shelf Registration Statement who desire to do so may sell such Applicable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker or investment bankers and manager or managers that will administer the offering will be selected by the Holders of a majority in aggregate

principal amount of the Applicable Securities included in such offering;*provided* that such investment bankers and managers must be reasonably satisfactory to Cinemark (it being understood that Barclays Capital Inc. is reasonably satisfactory); such investment bankers and manager or managers are referred to herein as the “underwriters”.

SECTION 12. MISCELLANEOUS

(a) Remedies. Cinemark and the Guarantors agree that monetary damages (including the Additional Interest contemplated hereby) would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) No Inconsistent Agreements. Neither Cinemark nor any Guarantor will, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with, and are not inconsistent with, the rights granted to the holders of Cinemark’s securities under any agreement in effect on the date hereof.

(c) Adjustments Affecting the Securities. Neither Cinemark nor any Guarantor will take any action, or permit any change to occur, with respect to the Securities that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless Cinemark has obtained the written consent of Holders of a majority of the outstanding principal amount of Applicable Securities. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer or registered pursuant to the Shelf Registration and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer or registered pursuant to the Shelf Registration, may be given by the Holders of a majority of the outstanding principal amount of Applicable Securities being tendered or registered, as applicable.
