LETTER TO OUR STOCKHOLDERS

Dear Fellow Stockholders:

On behalf of the Board of Directors (the “Board”), I would like to invite you to the 2019 annual meeting of stockholders (the “Annual Meeting”) of Cinemark Holdings, Inc. (the “Company”) to be held at our West Plano Theatre located at 3800 Dallas Parkway, Plano, TX 75093 on May 23, 2019 at 9:00 a.m. CDT. The accompanying formal notice and proxy statement set forth the details regarding admission and the business to be conducted at the Annual Meeting.

The North-American movie exhibition industry achieved an all-time high box office of \$11.9 billion in 2018, an increase of 6.9% over 2017. For the ninth time out of the past ten years, we outperformed the North American industry box office with 7.7% domestic box office growth and a 6.3% increase in attendance. The strength of the film content coupled with our consistent execution of our strategic initiatives led to our fourth consecutive year of all-time highs, including records in all revenue categories and \$3.2 billion in worldwide revenues.

During 2018, we served more than 280 million guests worldwide and expanded our footprint through new builds and acquisitions for a total of more than 6,000 screens across our global footprint spanning 16 countries. Our domestic subscription program, Movie Club, achieved more than 530,000 members, which was 250% more than our initial one-year goal and represented nearly 1,600 members per theatre. Additionally, we increased our recliner penetration from 45% to more than 55% of our domestic circuit, the highest among the major exhibitors.

The focus of the executive team has always been to drive stockholder value and to increase the return on your investment in the Company. In that spirit, we increased our cash dividend by \$0.08 annually in the fourth quarter of 2018, thus growing our cash dividend by 36% cumulatively and distributing more than \$640 million to our stockholders, over the past five years.

The Board, the management team and I would like to thank you for choosing to invest in Cinemark and extend a warm invitation to attend the Annual Meeting.

YOUR VOTE IS VERY IMPORTANT TO US. Whether or not you plan to attend the Annual Meeting, I urge you to please cast your vote as soon as possible via the Internet, telephone or mail.

Warm regards,

Mark Zoradi

Item 2. Ratification of the Appointment of Deloitte

The Audit Committee has appointed and the Board has ratified the appointment of Deloitte & Touche LLP (collectively, “Deloitte”) as the Company’s independent registered public accounting firm for 2019. As a matter of good corporate governance, we are seeking stockholder ratification of the appointment of Deloitte. If the stockholders do not ratify the appointment of Deloitte, the Audit Committee may review its future selection of auditors.

One or more representatives of Deloitte are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to answer appropriate questions.

We paid the following fees (in thousands) to Deloitte for professional services rendered by them during 2018 and 2017, respectively:

Item 3. Non-binding, Advisory Vote on Executive Compensation

The Company annually requests a non-binding advisory vote from our stockholders on the compensation paid to our named executive officers (the “NEOs”), for and during the prior year. We have consistently received high stockholder approval for our executive compensation program primarily due to its strong alignment with Company financial performance. At the 2018 annual meeting, approximately 95% of our stockholders present, either in person or via proxy, and voting approved our executive compensation for 2017.

2018 BUSINESS PERFORMANCE HIGHLIGHTS

Our Vision and its Execution

Our key objective is to deliver competitive returns on capital invested by the Company. We achieve this objective by implementing our vision of shaping the motion picture industry and being recognized as the most influential out-of-home entertainment network in the world. We also focus on our core values of integrity, trust and servant leadership. During 2018, we executed our vision by launching and making significant progress on many strategic initiatives that will benefit the Company over the long-term. We accomplished the following in 2018:

- Served more than 280 million guests worldwide
- Launched in December 2017, grew our U.S. subscription program, Movie Club, to more than 530,000 members, representing nearly 1,600 members per theatre and more than 2.5x our initial one-year goal
- Increased recliner penetration from 45% to more than 55% of our domestic circuit - the highest recliner penetration of the major exhibitors
- Launched a new XD campaign and continued to grow our XD market share generating approximately 9% of our worldwide box office from only 4% of worldwide XD screens
- Increased domestic food and beverage revenue by more than \$100 million, the highest one-year growth in our history and achieving 12 consecutive years of domestic per cap growth
- Launched our own CNK Brazil e-commerce platform and implemented e-commerce platforms in Colombia, Peru and Bolivia
- Expanded our worldwide footprint, through new builds and acquisitions, exceeding 6,000+ screens
- Opened our first virtual reality experience at our West Plano theatre.

Additionally, over the past five years, we have grown Cinemark's cash dividend by 36% (inclusive of the 2018 fourth quarter increase) and distributed more than \$640 million to our stockholders. This demonstrates our commitment to return capital to our stockholders while continuing to invest in strategic initiatives to position our Company for long-term success. Below is our annual cash dividend paid per share of Common Stock over the past five years:

| Year | Annualized Cash Dividend Per Share |
|------|------------------------------------|
| 2014 | \$ 1.00 |
| 2015 | \$ 1.00 |
| 2016 | \$ 1.08 |
| 2017 | \$ 1.16 |
| 2018 | \$ 1.28 |

Operational and Financial Results

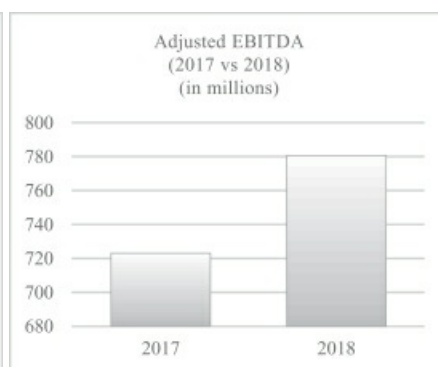

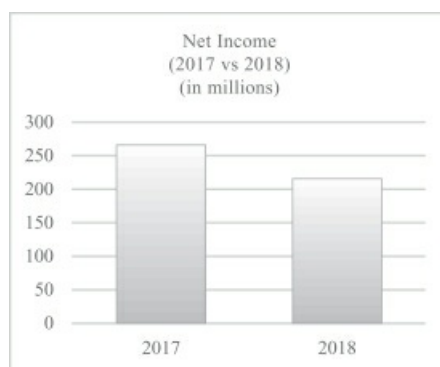

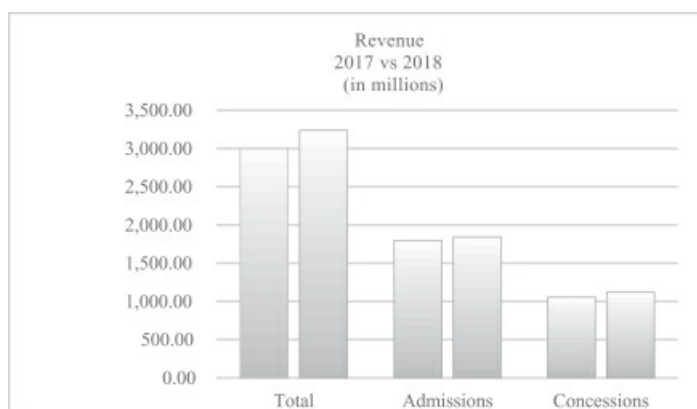

Company Performance Year-Over-Year:

We delivered worldwide records for the fourth consecutive year in many of our key performance categories in 2018. We achieved these record results through disciplined execution of our strategic initiatives focused on creating an extraordinary guest experience, coupled with outstanding film content from our studio partners.

The North American industry box office grew by 6.9% to reach an all-time high of \$11.9 billion, bolstered by a sizeable increase in year-over-year attendance. Cinemark's domestic box-office over-indexed the North American industry box office by 80 basis points, growing 7.7%, for the full-year 2018. This follows our industry outperformance in nine out of the past ten years with the prior three years outperforming by 90, 100 and 200 basis points respectively. We also reported the fourth consecutive year of all-time highs, including records in all of our revenue categories, that collectively delivered total worldwide revenue of more than \$3.2 billion and exceeded the \$3 billion mark for the first time. We accomplished these results in spite of a decline in international attendance and revenues which were adversely impacted by a Hollywood film slate with weaker consumer appeal to Latin audiences, challenging economic and political environments in certain countries in which we operate, and the impact of foreign currency exchange rates.

As compared to 2017, our worldwide performance in 2018 for key financial metrics were as follows:

| Key Financial Metric | 2018 (in millions) | 2017 (in millions) | % Change |
|--------------------------|-----------------------|-----------------------|----------|
| Attendance | 282.1 | 277.0 | 1.8% |
| Revenue | | | |
| Admissions | \$ 1,834.2 | \$ 1,795.0 | 2.2% |
| Concessions | \$ 1,108.8 | \$ 1,038.8 | 6.7% |
| Total | \$ 3,221.8 | \$ 2,991.6 | 7.7% |
| Net Income* | \$ 213.8 | \$ 264.2 | (19%) |
| Adjusted EBITDA** | \$ 781.5 | \$ 723.8 | 8.0% |

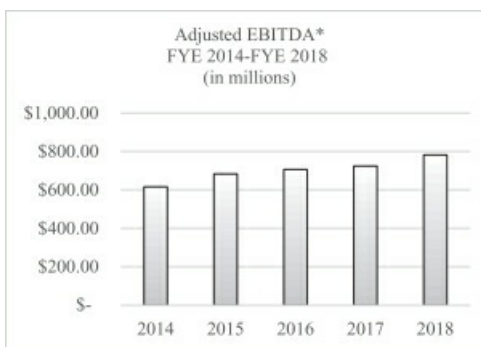

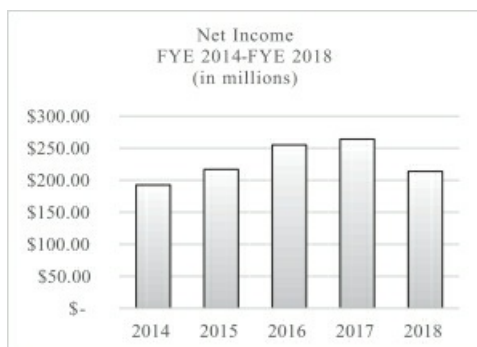

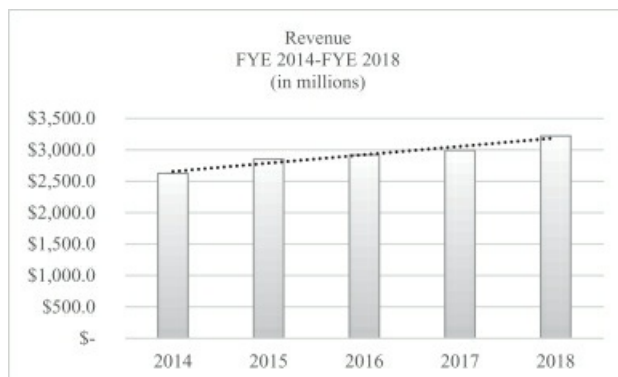

*Net income attributable to the Company, or Net Income, for 2018 included \$19.2 million of non-cash tax expense associated with true-ups to 2017's provisional tax reform calculations, as well as recently issued tax guidance that modified the treatment of foreign tax credit utilization and resulted in an increased valuation allowance for the Company. Additionally, net income for 2017 included a \$45 million tax benefit driven by a reduction of net deferred income tax liabilities as a result of the 2017 tax reform legislation that went into effect during December 2017.

**Adjusted EBITDA is a non-GAAP financial measure. This non-GAAP financial measure should be considered in addition to, but not as a substitute for, the information provided in accordance with U.S. generally accepted accounting principles ("GAAP"). A reconciliation of Net Income to Adjusted EBITDA is provided in footnote 19 to the Company's 2018 Form 10-K.

Company Performance Over the 5-Year Period:

| Year | Revenue | Net Income Attributable to Cinemark Holdings, Inc. | Adjusted EBITDA |
|------|------------|---|--------------------|
| 2014 | \$ 2,627.0 | \$ 192.6 | \$ 615.7 |
| 2015 | \$ 2,852.6 | \$ 216.9 | \$ 682.8 |
| 2016 | \$ 2,918.8 | \$ 255.1 | \$ 706.1 |
| 2017 | \$ 2,991.6 | \$ 264.2 | \$ 723.8 |
| 2018 | \$ 3,221.8 | \$ 213.8 | \$ 781.5 |

EXECUTIVE COMPENSATION HIGHLIGHTS

The Board monitors emerging best practices in executive compensation to incorporate them into our compensation program and enhance value for our stockholders. Through our commitment to strong governance, the Board has implemented the following compensation “best practices.”

| What We Do | What We Do Not Do |
|--|--|
| ✓ Provide a competitive base salary | ✗ Reward imprudent risk-taking |
| ✓ Utilize performance-based component as a significant portion of total compensation | ✗ Provide “single trigger” provisions in our employment agreements for change-in-control |
| ✓ Overlap performance periods and cap incentive opportunities | ✗ Provide excise tax gross-ups for change-in-control payments |
| ✓ Balance mix of pay components | ✗ Offer deferred compensation |
| ✓ Align management and stockholder interests through stock ownership guidelines | ✗ Agree to golden parachutes |
| ✓ Prohibit executives from engaging in hedging transactions or pledging Cinemark stock | ✗ Offer pension benefits |
| ✓ Provide double-trigger for change-in-control | ✗ Provide excessive perks |

Our Approach to Executive Compensation

We believe in taking a holistic view of pay and performance. While formulating an effective pay strategy, the Compensation Committee ensures that there is appropriate alignment with Company performance, overall business strategy and culture. The three principal tenets of our executive compensation program are: Retention, Performance and Balance.

The Compensation Committee ensures that the three tenets are appropriately represented in our compensation program by taking into consideration the following:

- ✓ Key drivers of sustainable performance
- ✓ Viewing value creation over multiple overlapping timeframes
- ✓ Considering total compensation as one package rather than viewing each component independently
- ✓ Balancing stockholder expectations by discouraging undue risk-taking and motivating executives to drive the right behaviors
- ✓ Industry comparables

Highlights of 2018 Executive Compensation

Although our compensation program has consistently received a high-level of support from our stockholders (approximately 95% say-on-pay vote result in 2017), in 2018, the Compensation Committee made certain calibrations to an already robust compensation structure to more closely align with the tenets of the program.

Base Salary: designed to attract and retain key talent

The Compensation Committee adjusted the base salaries of the NEOs to better align with market and to address evolving roles of certain executives. Mr. Gamble's base salary had a higher adjustment than the other NEOs to reflect his additional responsibilities upon being appointed as our Chief Operating Officer ("COO") in January 2018. The change in base salaries for 2018 were as follows:

| Name | Change from 2017 |
|------------------|------------------|
| Lee Roy Mitchell | Up by 1.7% |
| Mark Zoradi | Up by 5.3% |
| Sean Gamble | Up by 14.3% |
| Michael Cavalier | Up by 5.0% |
| Valmir Fernandes | Up by 3.3% |

Cash Bonus: designed to align with Company's performance over the short-term

2018
Changes

In 2018, the Compensation Committee calibrated the cash bonus program to enhance alignment of payout with performance. The adjustments were as follows:

a. Increased the budgeted Adjusted EBITDA target for maximum payout for all non-CEO NEOs to 110% from 108%. Mr. Zoradi's payout has been at 110% of target since 2017. The Compensation Committee determined that raising the bar for the NEOs, as drivers of the Company's strategy and its execution, is consistent with our compensation philosophy of pay-for-performance.

b. Tied a portion of the cash bonus payout to the Annual Business Objectives ratings ("ABO") of the individual for the year. Composite ABO scores rate the individual's performance against the Company's strategic objectives and goals for the year. The ABO score is applicable to all bonus-eligible employees, including the NEOs. Based on the ABO score of the individual, a discretionary modifier up to a maximum of (+/-)15 percentage points will be applied to adjust the cash bonus payout calculation ("ABO modifier"). However, maximum bonus payout (Adjusted EBITDA-based + ABO modifier) cannot exceed 165% of the individual's target bonus opportunity.

Adding the individual ABO as a modifier to the Adjusted EBITDA-based payout enhances the level of individual accountability while continuing to maintain a "one team" culture. Also, the individual performance modifier facilitates greater differentiation thereby strengthening our compensation program's pay-for-performance linkage.

c. Raised the target cash bonus opportunity for Messrs. Gamble and Cavalier to 90% from 85% of their respective base salary given their evolving roles and responsibilities in the Company and to align with industry peers.

Long-term Equity Awards: designed to retain talent and align with Company's long-term performance

2018
Changes

The Compensation Committee made the following changes from 2017 to incentivize performance of the NEOs over the long-term:

a. Shifted the split of performance-based and time-based equity awards, at target, for all non-CEO NEOs to 60% performance-based and 40% time-based from the 50%/50% split in prior years.

b. Increased the target value of long-term equity incentive compensation for Mr. Zoradi to 250% from 225%, for Mr. Gamble to 175% from 150% and for Mr. Cavalier to 150% from 135% of their respective base salary.

The charts below provide a summary of the compensation of the CEO and thenon-CEO NEOs for 2018, including a comparison of their 2018 compensation with that of 2017.

| | Equity mix for Messrs. Gamble, Cavalier and Fernandes 60% performance-based 40% time-based | Shifted from 50%/50% split |

Compensation Mix: appropriately balanced between fixed (base salary and benefits) and variable components (cash bonus and long-term equity incentive awards) to reward and motivate performance without encouraging undue risk-taking

The presentations below illustrate the mix of the variable and fixed components of compensation as a percentage of target total compensation. Mr. Zoradi is presented individually while Messrs. Gamble, Cavalier and Fernandes are presented as a group. Since Mr. Mitchell does not receive any equity grant on an annual basis due to his substantial ownership in the Company, he has not been included in the non-CEO NEO group. His compensation is 49% each of base salary and target cash bonus and 1% benefits.

| NEO | Variable | Fixed |
|-------------------|----------|-------|
| CEO | 76% | 24% |
| Non-CEO NEO group | 67% | 33% |

Board Diversity

The Board has not adopted a formal diversity policy. Pursuant to the Corporate Governance Guidelines, the Board broadly construes diversity to mean diverse background, education, skills, age and expertise. Our Board is comprised of directors who bring diverse viewpoints and perspectives, exhibit a variety of skills, professional experience and backgrounds, and effectively represent the interests of our stockholders. The directors complement each other in their mix of skills by bringing to the Board expertise and experience on the entertainment industry, capital markets, cybersecurity, technology, financial management, strategic planning and corporate governance.

Nominations for Election to the Board

The Governance Committee of our Board receives nominations for Board members which it evaluates based on the standards, qualifications and diversity criteria set forth by the Board in the Corporate Governance Guidelines. The Governance Committee annually evaluates the criteria for the selection of new directors and recommends any proposed changes to the Board. Although the Board retains ultimate responsibility for approving candidates for election, the Governance Committee conducts the initial screening and evaluation. In doing so, the Governance Committee considers candidates recommended by the directors, the CEO and the Company's stockholders. The Governance Committee also has the authority, to the extent it deems appropriate, to retain one or more search firms to be used to identify director candidates.

While typically the Governance Committee recommends candidates to the full Board, under the director nomination agreement which we entered into on April 9, 2007 with certain of our then current stockholders (the “Director Nomination Agreement”), the Mitchell Investors (as defined in the Director Nomination Agreement) have a right to designate two nominees to the Board. The nominees of the Mitchell Investors however, must fulfil the membership criteria set by the Board under the Corporate Governance Guidelines. Currently, Messrs. Mitchell (Class III) and Sepulveda (Class II) are the nominees of the Mitchell Investors.

To recommend a candidate for election to the Board for the 2020 annual meeting of stockholders, a stockholder must submit the following information to the Company Secretary no later than 90 and no earlier than 120 days in advance of the anniversary date of this Annual Meeting:

- the name and address of the stockholder of record and the beneficial owner, if any, on whose behalf the proposal is made;
- a representation that the stockholder intends to appear in person or by proxy at the annual meeting;
- the number of shares of capital stock of the Company that are owned beneficially and of record by such stockholder and the beneficial owner, if any, on whose behalf the nomination is made;
- a description of any arrangements or understandings between the stockholder, the beneficial owner and the nominee or any other person (including their names);
- the name, age, business and residential addresses of the stockholder’s nominee for director;
- the biographical and other information about the nominee (including the number of shares of capital stock of the Company owned beneficially or of record by the nominee) that would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission (“SEC”); and
- the nominee’s consent to be named as a nominee and to serve on the Board.

Candidates recommended by stockholders will be evaluated on the basis of the same qualifications discussed above as candidates recommended by existing directors and the CEO.

Annual Meeting Slate

The terms of the current Class III directors, Messrs. Chereskin, Mitchell and Syufy expire at the Annual Meeting. Mr. Mitchell has been nominated by the Mitchell Investors for election at the Annual Meeting. Messrs. Chereskin and Syufy have been recommended by the Governance Committee and nominated by the Board for election at the Annual Meeting.

Each of Messrs. Chereskin, Mitchell and Syufy has consented to be nominated for re-election to the Board as a Class III director. If elected, they will serve on the Board for a three-year term expiring on the date of our 2022 annual meeting of stockholders. At this time, we have no reason to believe that either Messrs. Chereskin, Mitchell or Syufy will be unable or unwilling to serve if elected. However, should any of them become unavailable or unwilling to serve before the Annual Meeting, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

CORPORATE GOVERNANCE

The Board oversees our executive management, reviews our long-term strategic plans and exercises oversight over all major decisions.

Board Leadership Structure

We believe that a key factor in a company's performance is a leadership structure that provides a balance between independent oversight by an engaged Board and day-to-day operations by management to implement the Board's strategic vision. To achieve this balance, we have split the roles of the Chairman of the Board and the CEO such that the Board is separated from the day-to-day operations of the Company.

In addition to the separation of the positions of the Chairman of the Board and the CEO, the Board has a lead independent director, which role provides leadership and an organizational structure to the non-management directors. The position of the lead independent director has the following significant authority and responsibilities under our Corporate Governance Guidelines:

- to act as a liaison between the non-management directors and the Company's management;
- to call meetings of non-management directors;
- chair the executive sessions of non-management directors;
- chair Board meetings when the Chairman is not present;
- consult with the Chairman and the CEO and approve the schedules, agendas and information provided to the Board for each meeting;
- be available for consultation and communication with stockholders upon request; and
- provide the Chairman and the CEO with the results of the Board's annual performance review.

Board's Role in Risk Oversight

Responsibility for risk oversight rests with the Board. The Board has oversight responsibility of the processes established to identify, report and mitigate material risks applicable to the Company, including strategic, competitive, economic, operational, financial, legal, regulatory, compliance, and reputational risks. In addition, Board committees oversee and review risk areas that are particularly relevant to their respective areas of responsibility and oversight. The risk oversight responsibility of the Board and its Committees is supported by our management reporting processes, which are designed to provide visibility to the Board to those Company personnel responsible for risk assessment, and information about management's identification, assessment and mitigation strategies for critical risks. While the Board considers risk in all its decisions, it also recognizes that appropriate and measured risk-taking may be required for the Company to retain its competitiveness and increase stockholder value.

Table of Contents

The Board implements its risk oversight function both as a whole and through delegation to certain Board committees. The risk management function of the various committees is as follows:

| Board | | |
|---|--|--|
| Audit | Compensation | Governance |
| <ul style="list-style-type: none"> Assesses financial and accounting risk exposures and management's risk management procedures to address those risks Reviews and assess information technology and cybersecurity risk exposures and the steps taken to monitor and control those exposures Reviews risks, identified during the external auditor's risk assessment procedures. | <ul style="list-style-type: none"> Oversees risk management related to employee compensation plans and arrangements Assesses whether the Company's compensation plans and practices may incentivize excessive risk-taking. The Compensation Committee has determined that the risks arising from the Company's compensation plans and policies are not reasonably likely to have a material adverse effect on the Company. | <ul style="list-style-type: none"> Manages risks associated with governance structure and processes Oversees succession planning |

In order to provide oversight of the risks associated with strategic planning and business development initiatives, the Board has established two additional committees, the Strategic Long-Range Planning Committee and the New Ventures Committee. The Strategic Long-Range Planning Committee assists management in the analysis of alternative strategic options and reviews with management key industry and market issues and external developments impacting the Company. The New Ventures Committee monitors the strategic direction of the Company. It evaluates new development programs or business growth and diversification opportunities within established strategic plan targets and applicable regulatory boundaries.

Director Independence

We comply with the independence requirements of the New York Stock Exchange (the "NYSE"). The NYSE bright-line tests for independence are whether the director:

2. has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company (other than director and committee fees and pension or other forms of deferred compensation for prior service, provided such compensation is not contingent in any way on continued service);
3. (a) is a current partner or employee that is the Company's internal or external auditor; (b) has an immediate family member who is a current partner of such a firm; (c) has an immediate family member who is a current employee of such firm and personally works on the Company's audit; or (d) is or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on the Company's audit within that time;
4. is, or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or has served on that company's compensation committee; or

Table of Contents

With the assistance of the Company's legal counsel, the Governance Committee and the Board reviews the NYSE Standards for Board and committee member independence. On the basis of this review, the Board has affirmatively determined, in its business judgment, that (a) the majority of the Board was, and continues to be, independent, (b) each of Mmes. Antonellis, Loewe and Vaca and Messrs. Chereskin and Sepulveda meet all applicable requirements for membership in the Compensation Committee.

During 2018, the Board held four (4) meetings and took action by written consent on six (6) occasions. All directors attended at least seventy-five percent (75%) of all meetings held by the Board and all meetings held by committees of the Board on which such director served.

All directors are strongly encouraged to attend the Annual Meeting, but we do not have a formal attendance requirement. All directors, except Mr. Senior, attended the annual meeting held in May 2018.

The presiding director of the executive sessions is currently our lead independent director, Mr. Sepulveda. During 2018, our non-management directors met twice and our independent directors met once in executive sessions.

Stockholder Communications with the Board

As stated in our Corporate Governance Guidelines, any Company stockholder or other interested party who wishes to communicate with the non-management directors as a group may direct such communications by writing to the:

DIRECTOR COMPENSATION

The compensation of the non-employee directors for 2018 was governed by our Third Amended and Restated Non-Employee Director Compensation Policy (the "Director Compensation Policy") adopted by the Board in February 2017. A non-employee director is one who is not (i) an employee of the Company or any of our subsidiaries, or (ii) an employee of any of the Company's stockholders which has contractual rights to

nominate directors. Therefore, as Company employees, Messrs. Mitchell and Zoradi do not receive any compensation for their services on the Board or any of its committees. See the compensation tables beginning on page 42 for the compensation paid to Messrs. Mitchell and Zoradi.

Each non-employee director received the following annual cash retainers, as applicable, for services as a Board member during 2018:

- (a) a base director retainer of \$60,000;
- (b) additional retainer of \$35,000 for the non-employee director who serves as the lead independent director;
- (c) additional cash retainer for services on the committees as follows:

| Committee | Chairperson | Member |
|-------------------------------|-------------|-----------|
| Audit | \$ 20,000 | \$ 10,000 |
| Compensation | \$ 15,000 | \$ 10,000 |

| Strategic Long-Range Planning | \$ 10,000 | \$ 5,000 |
| New Ventures | \$ 10,000 | \$ 5,000 |

Annual cash retainers are paid in four equal quarterly installments at the end of each quarter for services rendered during the quarter. All directors are reimbursed for travel related expenses incurred for each Board meeting they attend.

In addition to the annual cash retainers, the non-employee directors receive an annual grant of restricted stock valued at \$115,000. The number of shares of restricted stock is determined by dividing \$115,000 by the closing price of Common Stock on the grant date, rounded down to the nearest whole share. The annual awards fully vest on the first anniversary of the grant date subject to continued service to the Company through the vest date.

The following table sets forth summary information regarding the compensation of non-employee directors for 2018.

ITEM TWO — RATIFICATION OF THE APPOINTMENT OF DELOITTE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019

The Audit Committee has appointed and the Board has ratified the appointment of Deloitte as the Company's independent registered public accounting firm for 2019. As a matter of good corporate governance, we are seeking stockholder ratification of the appointment of Deloitte. If the stockholders do not ratify the appointment of Deloitte, the Audit Committee may review its future selection of auditors. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders.

One or more representatives of Deloitte are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to answer appropriate questions. Please refer to page 24 for the fees paid to Deloitte in 2018 and 2017.

Unless marked to the contrary, proxies received will be voted **"FOR"** ratification of the appointment of Deloitte as the independent registered public accounting firm for 2019.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF DELOITTE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019.

ITEM THREE — ANNUAL ADVISORY VOTE ON EXECUTIVE COMPENSATION

Executive Summary

Our Board believes that we have created a compensation program that is tied to performance, aligns with stockholder interests and merits stockholder approval. Accordingly, we are seeking approval of the compensation paid to our NEOs ("say-on-pay") for 2018 as disclosed in this proxy statement, the CD&A, the compensation tables and the narrative discussion following the compensation tables. Our executive compensation program has consistently received high stockholder approval. COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our executive compensation program is structured to attract, motivate, reward and retain high caliber talent who will lead the Company to increase our competitive advantage and deliver sustainable profitability. This includes building a solid foundation for long-term growth while consistently achieving near-term results. While formulating an effective pay strategy, the Compensation Committee takes a holistic view of pay and performance and ensures that there is appropriate alignment with Company performance, overall business strategy and culture. The three principal tenets of our executive compensation program are: Retention, Performance and Balance.

We have built our compensation program using traditional compensation elements of base salary, cash bonus and long-term equity awards. The chart below identifies the hallmarks of our executive compensation program:

| Characteristics | Description |
|---|---|
| Competitive Base Salary | Base salary is aligned with industry median to retain valued employees |
| Balanced Mix of Pay Components | The target compensation mix is not overly weighted towards short-term cash bonus but is balanced with long-term equity-based compensation vesting over four years |
| Balanced Approach to Performance-based Awards | Performance targets are tied to multiple financial metrics of the Company as well as individual performance |
| Overlap of Performance Periods and Vesting Schedules | The performance periods for long-term equity incentive awards overlap and, therefore, reduce the motivation to maximize performance in any one period |
| Stock Ownership Guidelines | CEO required to own, directly or indirectly, Company equity five times base salary; other NEOs to own two times the respective base salary |
| Hedging in or Pledging Common Stock Prohibited; No Margin Account | NEOs prohibited to trade in puts, calls or other derivative securities with respect to Company securities and short sales of Company securities. They may not also hold Company securities in a margin account, and may not, without prior approval, pledge Company securities as collateral for any other loan |

2018 BUSINESS PERFORMANCE HIGHLIGHTS

The Company has delivered record results for the stockholders over the past few years. This has been possible due to disciplined execution of our strategic initiatives led by our executive leadership. We have tailored our executive compensation program such that our executives continue to be motivated to perform and deliver stellar performance without having to undertake undue risks that would impact long-term stockholder value. The discussion below tracks our financial performance over the past one- and five- years and also our performance as compared to our peers.

Company Performance Over the 1-Year Period

In 2018, the North American industry box office grew by 6.9% to reach an all-time high of \$11.9 billion, bolstered by sizeable increase in year-over-year attendance. Cinemark's domestic box office over-indexed the North American industry box office by 80 basis points, growing 7.7%, for the full-year 2018. This follows our industry outperformance of 90, 100 and 200 basis points respectively for the prior three years and nine out of the past ten years of industry outperformance. We also reported the fourth consecutive year of all-time highs, including records in all of our revenue categories, that collectively delivered total worldwide revenues of more than \$3.2 billion, exceeding the \$3 billion mark for the first time.

As compared to 2017, our performance in 2018 in these key financial metrics were as follows:

| Worldwide (in millions) | 2018 (in millions) | 2017 (in millions) | % Change |
|----------------------------|-----------------------|-----------------------|----------|
| Attendance | 282.1 | 277.0 | 1.8% |
| Revenue | | | |
| Admissions | \$ 1,834.2 | \$ 1,795.0 | 2.2% |
| Concessions | \$ 1,108.8 | \$ 1,038.8 | 6.7% |
| Total | \$ 3,221.8 | \$ 2,991.6 | 7.7% |
| Net Income* | \$ 213.8 | \$ 264.2 | (19%) |
| Adjusted EBITDA** | \$ 781.5 | \$ 723.8 | 8.0% |

*Net income for 2018 included \$19.2 million of non-cash tax expense associated with true-ups to 2017's provisional tax reform calculations, as well as recently issued tax guidance that modified the treatment of foreign tax credit utilization and resulted in an increased valuation allowance for the Company. Additionally, net income for 2017 included a \$45 million tax benefit driven by a reduction of net deferred income tax liabilities as a result of the 2017 tax reform legislation that went into effect during December 2017.

**Adjusted EBITDA is a non-GAAP financial measure. This non-GAAP financial measure should be considered in addition to, but not as a substitute for, the information provided in accordance with GAAP. A reconciliation of Net Income to Adjusted EBITDA is provided in footnote 19 to the Company's 2018 Form 10-K.

Company Performance Over the 5-Year Period

The following tabular and graphical presentations below demonstrate our growth in certain key performance metrics over the past five years.

| Year | Revenue | Net Income Attributable to Cinemark Holdings, Inc. | Adjusted EBITDA |
|------|------------|---|-----------------|
| 2014 | \$ 2,627.0 | \$ 192.6 | \$ 615.7 |
| 2015 | \$ 2,852.6 | \$ 216.9 | \$ 682.8 |
| 2016 | \$ 2,918.8 | \$ 255.1 | \$ 706.1 |
| 2017 | \$ 2,991.6 | \$ 264.2 | \$ 723.8 |
| 2018 | \$ 3,221.8 | \$ 213.8 | \$ 781.5 |

Our Performance As Compared to Our Peers

We also compare our performance to our direct competitors that were publicly-held during the fiscal year ("Theatre Peers") in terms of Total Stockholder Return ("TSR"). Our Theatre Peers for 2018 included the

Table of Contents

two currently publicly-held companies in our industry, namely, AMC Entertainment Holdings, Inc. (AMC) and IMAX Corporation (IMAX). For purposes of evaluating our fiscal performance over five years as of FYE 2018, we believe that this peer group is an appropriate benchmark since we directly competed with these companies for business and investor capital. While we do also compete with Regal Cinemas (“Regal”), we do not have comparable TSR metrics for Regal given its acquisition by Cineworld, a privately-held company, as of December 2017.

As compared to our Theatre Peers, our TSR (with dividends reinvested) for the one-year and cumulative three-year and cumulative five-year periods as of FYE 2018 has been as follows:

| | 1 Yr. TSR | 3 Yr. TSR | 5 Yr. TSR |
|---------------|-----------|-----------|-----------|
| Cinemark | 6.5% | 17.6% | 24.0% |
| AMC | (4.4%) | (33.2%) | (15.2%) |
| IMAX | (18.7%) | (47.1%) | (36.2%) |
| S&P 500 | (4.4%) | 30.4% | 50.3% |
| Theatre Peers | (13.1%) | (41.5%) | (27.6%) |

Our cumulative total return between FYE 2013 and FYE 2018 as compared to our Theatre Peers and S&P 500 is presented below:

DESIGN OF OUR EXECUTIVE COMPENSATION PROGRAM

The design of our executive compensation program is consistent with the compensation structure used in our industry:

- base salary;
- performance-based cash bonus;
- long-term equity incentive awards;
- standard benefits; and
- limited perks

Base salary and benefits are the only fixed components of our compensation program. Cash bonus and long-term equity incentive awards are the variable/performance-based components of our compensation. We believe the allocation between fixed and variable/performance-based components offers a competitive compensation program while appropriately mitigating risk.

The following chart summarizes the components and associated objectives of our executive compensation program:

| Pay Element | | | Objective | Performance Metric and Payment |
|-------------|-----------|------------------------|--|--|
| Fixed | Annual | Base Salary | Retain executive talent and recognize individual's role and responsibilities | Individual performance and market competitiveness |
| | Annual | Cash Bonus | Achieve annual goals measured in terms of Company and individual performance | Adjusted EBITDA @Threshold, Target, Maximum Pro rata payment |
| Variable | Long-Term | Restricted Stock | Retain executive talent and align with long-term interest of stockholders | Increase in value of Common Stock Time-based; 4 year vesting |
| | | Restricted Stock Units | Validate Company's investment decisions and ensure alignment with long-term value creation | Based on achievement of IRR hurdles Pro rata payment based on 2 year Company performance + 2 year service |

ANALYSIS OF THE DESIGN OF OUR EXECUTIVE COMPENSATION PROGRAM

Tenet 1 - Retention

Base Salary

Base salary component of our compensation program is designed to attract and retain key talent. Base salaries are determined by the Compensation Committee based on a variety of factors including:

- Nature and responsibility of the position;
- Expertise of the executive and competition in the market for the executive's services;
- Potential for driving the Company's success in the future;
- Peer Group compensation data;
- Performance reviews and recommendations of the CEO (except in the case of his own compensation); and
- Other judgmental factors deemed relevant by the Compensation Committee

[Table of Contents](#)

The Compensation Committee has not adopted any formula with specific weightings assigned to any of the factors above. The Company has employment agreements with each NEO according to which the Compensation Committee annually reviews the base salaries, which can be increased but not decreased.

In February 2018, as part of the annual compensation review process, the Compensation Committee considered factors relevant to determining an executive's compensation such as the NEO's role in Company management, performance in prior years, leadership in implementing Company's strategic goals and initiatives and contribution to the Company's overall business. In addition, our compensation consultant, Pearl Meyer, provided to the Compensation Committee the appropriate market data for comparison. Based on such review, the Compensation Committee adjusted the base salaries of the NEOs for 2018 to better align with market and to address the evolving role of certain executives in Company management. Mr. Gamble's base salary had a higher adjustment than the other NEOs to reflect his additional responsibilities upon appointment as our COO in January 2018. The base salaries for 2018 and the changes from 2017 were as follows:

| Name | Base Salary | Change from 2017 |
|------------------|--------------|------------------|
| Lee Roy Mitchell | \$ 975,000 | Up by 1.7% |
| Mark Zoradi | \$ 1,000,000 | Up by 5.3% |
| Sean Gamble | \$ 600,000 | Up by 14.3% |
| Michael Cavalier | \$ 525,000 | Up by 5.0% |
| Valmir Fernandes | \$ 525,000 | Up by 3.3% |

Tenet 2: Performance

Cash Bonus

We provide participants to our cash bonus program an opportunity to earn a cash bonus tied to annual Company performance, measured against pre-established performance metrics set for the year by the Compensation Committee. This opportunity is intended to compensate participants for achieving short-term financial and operational goals of the Company with individual targets based on the participant's position and potential contribution to the achievement of the Company's goals. As discussed later, beginning 2018, payout is also subject to an upward or downward adjustment based on the individual's ABO rating which ties individual contribution to Company performance. The cash bonus related goals are established in writing by the Compensation Committee, with the expectation that attainment of these goals would require significant effort in light of the business environment.

How does the cash bonus program work?

Per the terms of our 2017 Omnibus Incentive Plan, the Compensation Committee sets the Company's target performance metric for the year and the target cash bonus for the year within the first 90 days of the fiscal year.

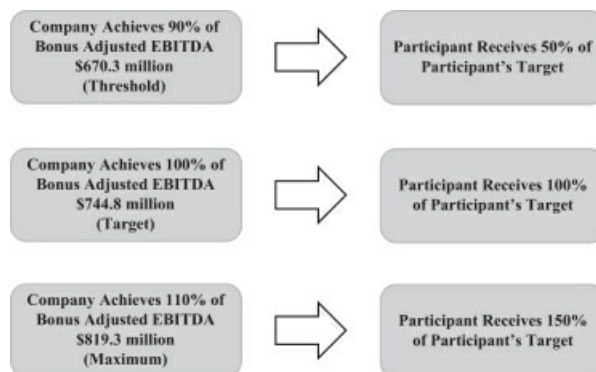

A participant's target cash bonus is a percentage of his/her base salary. In setting the target cash bonus percentages of each NEO, the Compensation Committee takes into consideration market data and such other factors as deemed relevant, such as the individual's potential contribution to the Company's performance, the individual's prior performance, overall market conditions, market variables in a specific sector, and recommendations from the CEO (except for himself).

Each participant is entitled to receive a ratable portion of the participant's target cash bonus based upon the Company's level of achievement, within the range of threshold and maximum percentages, of the target performance metric set by the Compensation Committee. The actual amount of cash bonuses paid, if any, may result in a cash bonus that is greater or less than the stated individual target (and could be zero) depending on whether, and to what extent, the applicable performance metric and other conditions are satisfied.

How does the Compensation Committee set the Company's pre-established performance metric?

The Compensation Committee sets the cash bonus target based upon the Company's budgeted Adjusted EBITDA which is regarded as a key performance indicator of a company in our industry and is highly correlated to long-term stockholder value. The cash bonus achievement is determined using the Company's reported Adjusted EBITDA with certain add-backs and adjustments for cash bonus accruals, certain severance payments, if any, unusual expenses such as those related to accounting changes and a +/- 5% collar for foreign exchange fluctuation (the "Bonus Adjusted EBITDA") compared to the budgeted Adjusted EBITDA. At the end of the fiscal year, the budgeted Adjusted EBITDA may be adjusted, upward or downward, to eliminate any variance between the actual North American industry box office for the fiscal year and the industry forecast used to set the cash bonus target in the first quarter.

The cash bonus payout structure and the Bonus Adjusted EBITDA hurdles, as adjusted, for 2018 were as follows:

How do we measure performance and determine cash bonus payouts for the year?

Prior to making any payouts, the Compensation Committee assesses and certifies the Company's performance for the bonus year in the first quarter of the payout year which follows the bonus year. In its assessment, in addition to the adjustments discussed above, the Compensation Committee may make further adjustments as permitted by the bonus program under the Company's 2017 Omnibus Incentive Plan. Such adjustments include, but are not limited to, factors such as extraordinary, unusual or non-recurring events that were not included in the operating budget for the year being considered (such as the disposition of a theatre or theatres or the cessation of operation of a theatre as a result of a natural disaster). The Compensation Committee may, in its discretion, at any time, establish (and, once established, rescind, waive or amend) additional conditions and terms of payment of the cash bonus (including, but not limited to, the achievement of other financial, strategic or individual goals, which may be objective or subjective) as it may deem desirable in carrying out the purposes of the cash bonus program. The Compensation Committee may also take into account such other factors as it deems appropriate in administering any aspect of the cash bonus program, including reducing the amount of the cash bonus at any time prior to payout based on such criteria as it shall determine, including, but not limited to, individual merit and the attainment of specified levels of one or any combination of the performance factors. However, the Compensation Committee cannot waive, accelerate or amend the performance goals for a NEO except in the event of the death or disability of the executive or a sale of the Company.

Beginning 2018, the Compensation Committee added the ABO modifier to an individual payout. See discussion below on 2018 changes to the cash bonus program for the details.

How was cash bonus calibrated in 2018 and why?

In 2018, the Compensation Committee calibrated the cash bonus program to enhance alignment of payout with performance. The adjustments were as follows:

- a. Increased the Budgeted Adjusted EBITDA target for maximum payout for all non-CEO NEOs to 110% from 108%. Mr. Zoradi's payout has been at 110% of target since 2017. By raising the bar for performance, the Compensation Committee ensured continued focus by the top executives on driving industry-leading results.
- b. Tied a portion of the cash bonus payout to the ABO ratings of the individual for the year. The ABO modifier rates the individual's performance against the Company's strategic objectives and goals for the year. The ABO modifier is applicable to all bonus-eligible employees, including the NEOs. Based on the ABO modifier, the individual's cash bonus payout is adjusted up to a maximum of (+/-)15 percentage points. However, maximum bonus payout (Adjusted EBITDA-based + ABO modifier) cannot exceed 165% of the individual's target bonus opportunity. The ABO modifier provides for higher compensation for those who have contributed more to the business during the year and thus aligns individual and Company performance.
- c. Raised the target bonus percentages for Messrs. Gamble and Cavalier to 90% from 85% of their respective base salary given their evolving roles in the Company and to better align with industry peers.

What was the cash bonus payout for the NEOs for 2018?

In February 2019, the Compensation Committee certified the worldwide Bonus Adjusted EBITDA for 2018 at \$754.2 million which is 101.3% of the target Bonus Adjusted EBITDA of \$744.8 million. This yielded a payout for Messrs. Mitchell, Zoradi, Gamble and Cavalier at 106.3% of their individual target opportunity and for Mr. Fernandes at 80% of his target opportunity. Similar to prior years, Mr. Fernandes's cash bonus was split 50%/50% between worldwide and Latin America Adjusted EBITDA. Latin America performance resulted in a payout just above the threshold at 50%. The individual cash bonus payouts for 2018 were calculated for each of the NEOs as follows:

What was the cash bonus payout for the NEOs for 2018?

| Name | 2018 Base Salary | Individual Target (Percentage of Base Salary) | Payout Percentage of Individual Target | ABO Modifier | Cash Bonus Payout |
|------------------|------------------|---|---|-----------------|----------------------|
| Lee Roy Mitchell | \$ 975,000 | 100% | 106.3% | - | \$ 1,036,425 |
| Mark Zoradi | \$ 1,000,000 | 100% | 106.3% | - | \$ 1,063,000 |
| Sean Gamble | \$ 600,000 | 90% | 106.3% | 7.5% | \$ 617,072 |
| Michael Cavalier | \$ 525,000 | 90% | 106.3% | 7.5% | \$ 539,938 |
| Valmir Fernandes | \$ 525,000 | 85% | 80% | - | \$ 357,000 |

Long-term Equity Incentive Compensation

The Compensation Committee annually awards time-based and performance-based equity incentive compensation to certain eligible employees, including the NEOs. The combination of the two, with an emphasis placed on performance-based equity, ensures both balance and alignment within our long-term incentive program. Equity compensation encourages Company's long-term growth and aligns the executive's interests with the interests of our stockholders. Grants to all eligible employees, including the NEOs, are made within the first 90 days of the year.

How is the long-term incentive program structured?

The target value of long-term equity incentive awards is based on a percentage of the executive's base salary. The target value and the percentage split between time-based and performance-based awards is determined by the Compensation Committee by taking into consideration various factors such as individual's leadership and role in Company operations, projected state of the economy over the performance period and overall business environment.

Restricted Stock. All participants to our equity incentive plan are eligible to receive restricted stock. Time-based restricted stock enables us to attract and retain highly qualified individuals while tying their pay with continued growth of the Company over the long-term. Restricted stock grants typically vest 50% on each of the second and fourth anniversaries of the grant date subject to continuous employment through the vest dates.

Recipients of restricted stock awards are permitted to:

- (i) receive dividends on the restricted stock to the extent dividends are paid by the Company on shares of its Common Stock, and
- (ii) to vote such Common Stock during the restriction period.

As of the Record Date, the Company's dividend rate is \$0.34 per common share per quarter.

Performance Awards. Performance awards are granted in the form of restricted stock units. The goals for the performance shares are based on one or more pre-established objective criteria. At the time of grant, the performance-based awards are hypothetical shares of Common Stock subject to issuance only upon attainment of the performance goals.

The performance goal is based on an implied equity value concept that measures the change in an IRR during a performance period of two years beginning on January 1 of the grant year and ending on December 31 of the following year. The performance goal is set within the first 90 days of the grant year.

The implied equity value is based on a valuation model utilizing a multiple of Adjusted EBITDA (subject to certain specified adjustments) and other factors that produce a fundamental valuation of Cinemark equity. IRR represents the growth in this implied equity value during the performance period. The structure of the performance award program is similar to that of cash bonus. Each performance target underlying the performance awards has a threshold, target and maximum level and vest on a pro rata basis according to the IRR achieved during the performance period, with the maximum level equal to 150% of the individual's target. The target IRR goal for the performance-based award is set by the Compensation Committee based on projected value creation with a substantial degree of difficulty to attain the performance level. The IRR for the performance period is calculated applying a 7.5% cap for fluctuation in foreign currency translation adjustments.

[Table of Contents](#)

If, at the end of the performance period, the Compensation Committee certifies that the performance target has been met, the shares of Common Stock underlying the restricted stock units are subject to an additional time-based vesting restriction contingent upon the employee's continued service until the vest date.

Any dividends that are attributable to the underlying Common Stock will be accrued and paid to the recipient, to the extent the performance award vests, at the end of the four years when the Common Stock is issued.

How was long-term equity incentive compensation calibrated in 2018 and why?

The Compensation Committee annually reviews each NEO's compensation to determine the percentage of base salary to be awarded as long-term equity awards and the appropriate mix of time-based and performance-based awards. Upon such review, in 2018, the Compensation Committee made the following changes:

- a. Increased the long-term equity incentive compensation target value for Messrs. Zoradi, Gamble and Cavalier. The percentage of base salary for purposes of determining the target value of the long-term equity incentive awards for 2018 for each NEO was as follows:

| NEO | Percentage of Base Salary |
|------------------|---------------------------|
| Lee Roy Mitchell | N/A |
| Mark Zoradi | 250% |
| Sean Gamble | 175% |
| Michael Cavalier | 150% |
| Valmir Fernandes | 125% |

- b. Shifted the split of performance-based and time-based equity awards, at target, for all non-CEO NEOs to 60% performance-based and 40% time-based from the 50%/50% split in prior years. Mr. Zoradi's split has been 75% performance-based and 25% time-based since 2017.

The number of time-based and performance-based (at target) shares of Common Stock granted to each of the NEOs in 2018 were as follows:

| Name | Time-based Restricted Stock | Performance-based Restricted Stock Units |
|------------------|-----------------------------|--|
| Lee Roy Mitchell | N/A | N/A |
| Mark Zoradi | 16,013 | 48,039 |
| Sean Gamble | 10,760 | 16,141 |
| Michael Cavalier | 8,070 | 12,106 |
| Valmir Fernandes | 6,725 | 10,088 |

Table of Contents

- c. The IRR goals for the 2018 performance-based awards remained unchanged from 2017 and are as follows with straight-line interpolation used to determine payout between threshold, target and maximum goals:

| Performance Metric and Payout | Goals | | |
|--|-----------|--------|---------|
| | Threshold | Target | Maximum |
| IRR | 7.0% | 9.5% | 13.0% |
| Percentage of Individual Target Payout | 50% | 100% | 150% |

The performance period for the 2018 grants is from January 1, 2018 to December 31, 2019. Once the Compensation Committee certifies the IRR achieved for the performance period, the award recipient must satisfy an additional two-year service period until the anniversary of the grant date in February 2022.

In line with our compensation philosophy of rewarding performance, the Compensation Committee awarded a special grant of restricted stock to all employees, including the NEOs, who received performance-based awards in 2016. This was in recognition of the Company's significant and sustained outperformance on key performance metrics relative to its peers since 2016. The Compensation Committee determined that the special grant appropriately rewarded the employees based upon the three tenets of the Company's compensation philosophy. The time-based restricted shares granted under the special grant vest fully on the second anniversary of the grant date and were of the following amounts:

| Name | Special Grant |
|------------------|---------------|
| Lee Roy Mitchell | N/A |
| Mark Zoradi | 14,081 |
| Sean Gamble | 3,489 |
| Michael Cavalier | 3,346 |
| Valmir Fernandes | 3,574 |

Compensation Mix

The presentations below show the mix of the variable and fixed components of compensation as a percentage of target total compensation. The 'Total Equity Target' category does not include the restricted stock awarded under the special grant since it was awarded in addition to the regular compensation. Mr. Zoradi is presented individually while Messrs. Gamble, Cavalier and Fernandes are presented as a group. Since Mr. Mitchell does not receive any equity grant on an annual basis due to his substantial ownership in the Company, he has not been included in the non-CEO NEO group. His compensation is 49% each of base salary and target cash bonus and 1% benefits.

| | Variable | Fixed |
|-------------------|----------|-------|
| CEO | 76% | 24% |
| Non-CEO NEO group | 67% | 33% |

THE PROCESS OF SETTING EXECUTIVE COMPENSATION

Role of the Compensation Committee and the Compensation Consultant. The Compensation Committee oversees and provides strategic direction to management regarding all aspects of our pay program for senior executives. It sets the compensation of the CEO and the non-CEO NEOs. If deemed appropriate, the Compensation Committee advises the Board of its determination of the compensation of the CEO and certain other executive officers, prior to its implementation. But, while the Compensation Committee may consider input provided by the Board, the compensation decisions and determinations are made solely by the Compensation Committee.

Each year the Compensation Committee engages in extensive executive compensation discussions with our independent compensation consultant to review best practices and receive a competitive assessment of executive compensation compared to peers. The Committee reviews total compensation and approves each of the elements of executive compensation, and reviews whether compensation programs and practices carry undue risk. During 2018, the Compensation Committee continued to engage Pearl Meyer as its independent compensation consultant. The Compensation Committee determined the independence of Pearl Meyer using the NYSE listing standards regarding independence of compensation consultants. Pearl Meyer evaluates the competitiveness of the design of the Company's executive compensation program, including that for directors and recommends appropriate changes; reviews the competitiveness of the compensation of individual NEOs and certain other executive officers; evaluates market pay data and competitive-positioning; provides analyses and inputs on program structure, performance measures, and goals; provides updates on market trends and the regulatory environment as it relates to executive compensation; reviews various management proposals presented to the Compensation Committee related to executive compensation and provides objective analysis and recommendations; and works with the Compensation Committee to validate and strengthen the pay-for-performance relationship and alignment with stockholder interests. Pearl Meyer does not perform other services for Cinemark, and will not do so without the prior consent of the Compensation Committee. Pearl Meyer meets with the Compensation Committee, outside the presence of management, in executive sessions.

Role of Management and the CEO in Setting Executive Compensation. The Compensation Committee solicits the views of our CEO when making compensation decisions for his direct reports. The CEO may also

[Table of Contents](#)

provide input to the Compensation Committee regarding performance metrics and the setting of appropriate performance targets for executives who report directly to him. The CEO, however, does not make recommendations to the Compensation Committee about his own compensation and none of our executive officers are involved in the Compensation Committee's determination of their own compensation.

Use of Peer Review in Setting Our Executive Compensation. The Compensation Committee believes the management team's compensation should be aligned to similarly situated executives within a peer group of companies in order to attract, retain and motivate the highest caliber executive management team critical to our long-term success. While we do not rely solely on benchmark compensation to establish target pay levels, Pearl Meyer conducts a review, annually, of the compensation programs of peers selected based on size-appropriate comparators operating in entertainment and retail industries (the "peer group") that are also traded publicly. We believe the resulting peer group provides the Compensation Committee with a valid comparison for the Company's executive compensation program. A blended market data using the most recent proxy data and size-appropriate survey information provided by Pearl Meyer was used by the Compensation Committee to determine 2018 compensation for each of the NEOs.

Our Peer Group for 2018 was as follows:

| | | |
|-------------------------------------|-----------------------------------|-------------------------------------|
| AMC Entertainment Holdings, Inc. | Lions Gate Entertainment Corp. | Discovery, Inc. |
| AMC Networks Inc. | Live Nation Entertainment, Inc. | IMAX Corporation |
| Brinker International, Inc. | The Madison Square Garden Company | Six Flags Entertainment Corporation |
| Cineplex, Inc. | Regal Entertainment Group | |
| Dave & Buster's Entertainment, Inc. | E.W. Scripps Company | |

Compensation Risk Assessment

Our compensation program provides strategic direction to the participant and engages them in the Company's success, which contributes to stockholder value. We believe our approach to goal setting, establishing targets with payouts at multiple levels of performance, evaluation of performance results and negative discretion in the payout of incentives help to mitigate excessive risk-taking that could harm Company value or reward poor judgment by our executives. Below are some additional highlights of the Company's compensation program which mitigate risks associated with compensation:

- Appropriate mix of "short- vs. long-term" pay and "fixed vs. variable" pay" to reward overall performance;
- Measuring Company performance against objective financial metrics;
- Capped payout levels for incentive compensation;
- Stock ownership guidelines for directors, NEOs and executive vice-presidents – directors required to retain Common Stock ownership five times the value of their cash retainer, the CEO five times his/her base salary and other executive officers two time their respective base salary;
- Linking vest of a significant portion of long-term equity incentive awards to performance over a significant period of time (with overlapping performance periods);
- Validating pay-for-performance on an annual basis by stockholders; and
- Prohibiting our NEOs and those employees covered by the Supplemental Insider Trading Policy to trade in short sales of Company securities, hold Company securities in a margin account and pledge or hedge Company securities.

Our Compensation Committee monitors and considers the risk mitigating factors when setting executive compensation. Based on such review, the Compensation Committee has concluded that the compensation program does not create risks that are reasonably likely to have a materially adverse effect on the Company or put the Company at-risk.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the CD&A as required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Compensation Committee recommended to the Board that the CD&A be included in this proxy statement and incorporated by reference in the Company's 2018 Form 10-K, and the Board has approved the recommendation.

(2) The reported amounts reflect the aggregate grant date fair values of the long-term equity incentive awards, at target as the most probable outcome, computed in accordance with FASB ASC Topic 718. The amounts shown exclude the impact of estimated forfeitures. See Note 15 to the Company's 2018 Form 10-K for a discussion of the assumptions used in determining the grant date fair values of these long-term equity incentive awards, including forfeiture assumptions and the period over which the Company will recognize compensation expense for such awards.

The long-term equity incentive awards granted were restricted stock and restricted stock units. The restricted stock includes the special grant discussed on page 38. Similar to previous years, Mr. Mitchell was not awarded any equity due to his substantial equity ownership in the Company.

The grant date fair values were calculated based upon the closing price of Common Stock on February 16, 2018 of \$39.03, February 14, 2017 of \$42.37 and February 19, 2016 of \$29.36 per share.

As required by the rules of the SEC, the table below provides the grant date fair values of the restricted stock units at the maximum level of payment. However, as certified by the Compensation Committee, only 86% and 96% of the target opportunity of the restricted stock units awarded to each NEO in 2016 and 2017 respectively, shall vest.

| Name | 2018 | 2017 | 2016 |

| Lee Roy Mitchell | N/A | N/A | N/A |
| Mark Zoradi | \$ 2,812,424 | \$ 2,378,800 | \$ 1,823,961 |

| Valmir Fernandes | \$ 590,602 | \$ 471,133 | \$ 462,890 |

The terms of the restricted stock and restricted stock units are discussed under *Analysis of the Design of the Executive Compensation Program – Long-term Equity Incentive Compensation* and the footnote disclosures to the *Grants of Plan-Based Awards in 2018* table. See also *Compensation Mix* for the percentage of target total compensation for 2018 granted as long-term equity incentive awards.

(3) The reported amounts are the cash bonuses earned for the respective fiscal years. The cash bonuses earned for a fiscal year are paid in the first quarter of the following year subject to the attainment of performance targets set by the Compensation Committee at the beginning of the covered fiscal year. The cash bonuses were paid on February 28, 2019, February 27, 2018 and February 24, 2017 respectively. See *Analysis of the Design of the Executive Compensation Program – Cash Bonus* for a discussion of how cash bonus is set. For a narrative description of the amounts reported in the *Summary Compensation Table for 2018*, see *Design of the Executive Compensation Program and Analysis of the Design of the Executive Compensation Program* for a discussion of the various elements of compensation, including general description of the formula or criteria to be applied in determining the amounts payable, material terms of the long-term equity incentive awards, *Grants of Plan-Based Awards 2018* table for details of the equity granted in 2018 and *Discussion of the Terms of the Employment Agreements with Our NEOs* for compensation pursuant to the terms of the respective employment agreements.

CEO Pay Ratio for 2018

Pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), the SEC adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the total annual compensation of the principal executive officer ("PEO"). The 2018 total compensation for our median employee was \$8,626 and for our PEO, Mr. Zoradi, it was \$5,245,256. The resulting ratio of our CEO's pay to the pay of our median employee for is 608 to 1.

There have been no changes in our employee population or employee compensation arrangements in 2018 that would significantly impact the process that we used to identify the median employee for the 2017 compensation. However, the median employee identified for 2017, a Theatre Usher in the U.S. (the "2017 median employee"), was not employed by the Company during 2018. Therefore, as permitted by the SEC rules, we replaced the 2017 median employee's compensation with that of another employee (the "2018 median employee") whose compensation was substantially similar to that of the 2017 median employee. The 2018 median employee is also a Theatre Usher in the U.S. and worked approximately 981 hours during 2018.

Our employees, whether employed on a full-time, part-time, seasonal or temporary basis were included to calculate the median employee. However, as permitted by the *de minimis* exception of the applicable rules, we excluded the employee populations of certain foreign jurisdictions comprising less than 5% of our total employees. The cash compensation included base salary, cash bonus and benefits, the three most consistently

applied compensation measures at Cinemark. We do not widely distribute long-term incentive awards so it was not included in the calculation of total compensation. We annualized the compensation for salaried new hires and salaried employees who were on a leave of absence. Except for the annualization as described, we did not make any assumptions, adjustments, or estimates with respect to total cash compensation.

This pay ratio is a reasonable estimate calculated in a manner consistent with the applicable rules. The rules allow companies to adopt a variety of methodologies, apply certain exclusions, and make reasonable estimates and assumptions that reflect their compensation practices. Therefore, the pay ratio reported by other companies may not be comparable to the pay ratio reported above.

See *Analysis of the Design of the Executive Compensation Program – Long-Term Equity Incentive Compensation* for a discussion of the terms of the restricted stock units. - (5) On February 19, 2018, the Compensation Committee awarded Messrs. Zoradi, Gamble, Cavalier and Fernandes an aggregate of 66,058 shares of restricted stock (including the special grant discussed on page 38). - (1) Based on the base salaries in effect as of December 31, 2018, the amounts reported are calculated as follows: one-time the base salary for Messrs. Mitchell and Zoradi and two times the base salary for Messrs. Gamble, Cavalier and Fernandes. Subject to Treasury Regulations as specified in the respective employment agreements, for termination without cause, the amounts would have been payable according to the Company’s normal payroll practices for a period of 24 months to Messrs. Gamble, Cavalier and Fernandes; for a period of 12 months to Mr. Mitchell and through the end of the Term (as defined in the employment agreement) to Mr. Zoradi. For termination by executive for good reason, the above stated payments for Messrs. Mitchell, Gamble, Cavalier and Fernandes would have been payable in a lump sum subject to the requirements of Section 409A of the Code.

Mitchell, Gamble, Cavalier and Fernandes, the amounts reported are calculated as follows: the sum of the cash bonus the NEO would have received for 2018 and the cash bonus received by the NEO for 2017. Messrs. Zoradi, Gamble, Cavalier and Fernandes are entitled to use our office space for a period of three months following the date of termination. The amount reported is based on the use of a 144 square foot office at a rental rate of approximately \$23 per square foot per annum.
- (5) The amounts reported have been determined based on the following provisions in the respective employment agreements.

Pursuant to Mr. Zoradi’s employment agreements, any outstanding equity award with time-based vesting provisions would have vested as of the termination date. Any long-term equity incentive awards with performance-based vesting provisions would have remained outstanding through the remainder of the applicable performance period and if or to the extent the performance provisions are attained shall vest without regard to any continued employment requirement.

[Table of Contents](#)

Pursuant to the employment agreements of Messrs. Gamble, Cavalier and Fernandes, any outstanding long-term equity incentive awards with time-based vesting provisions would have vested on a pro rata basis. - (1) The amounts reported are the base salary of each named executive officer in effect as of December 31, 2018, payable in a lump sum.
- (2) The amounts reported are the cash bonus each NEO would have received for 2018 payable in a lump sum at the same time as the cash bonus payments are made to other similarly situated active executives.
- (3) The amounts reported are calculated as follows: welfare benefit plans and insurance programs for a period of 12 months. Disability insurance includes premiums for long-term disability, individual disability income protection and short-term disability.
- (4) Mr. Mitchell is entitled to receive tax preparation assistance for five years following the date of termination. We estimate the cost of such preparation to be approximately \$17,300 per year. Messrs. Zoradi, Gamble, Cavalier and Fernandes are entitled to use our office space for a period of three months following the date of termination. The reported amount is based on the use of a 144 square foot office at a rental rate of approximately \$23 per square foot per annum.
- (5) The amounts reported have been determined based on the following provision in the respective employment agreements: any outstanding long-term equity incentive awards shall vest on a pro rata basis. Any long-term equity incentive awards with performance-based vesting provisions shall remain outstanding through the remainder of the applicable performance period and if or to the extent the performance provisions are attained shall vest without regard to any continued employment requirement on a pro rata basis. The pro rata basis for the long-term equity incentive awards is based on the percentage determined by dividing (i) the number of days from and including the grant date of such equity award through the termination date of the NEO's employment, by (ii) the number of days from the grant date to the full vesting date/end of the applicable performance period, as applicable, of such long-term equity incentive awards.

The participant or the participant's estate or representative shall be entitled to receive any previously vested long-term equity incentive awards.

Pursuant to the above, the total number of shares of Common Stock subject to the long-term equity incentive awards that would have vested upon death or disability of each NEO would have been as follows:

Restricted Stock:

| Name | Number of Shares |
|------------------|------------------|
| Lee Roy Mitchell | N/A |
| Mark Zoradi | 20,407 |
| Sean Gamble | 19,846 |
| Michael Cavalier | 17,469 |

| Mark Zoradi | 104,985 |
| Sean Gamble | 36,914 |
| Michael Cavalier | 34,267 |

Percentage ownership is based on 117,019,540 shares of Common Stock outstanding as of the Record Date. As of the Record Date, there were 499 holders of record of our Common Stock.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company.

These insiders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file, including Forms 3, 4 and 5. Based solely on its review of the copies of such reports, the Company believes that each of its directors and executive officers has complied with the applicable reporting requirements for transactions in the Company's securities during 2018.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our Board has adopted a written policy supplementing our Code of Business Conduct and Ethics relating to the review, approval and ratification of transactions between us and "related parties" as generally defined by applicable rules under the Securities Act of 1933, as amended. The policy covers any related party transaction in which the amount involved exceeds \$120,000. Our Board has determined that the Audit Committee is best suited to review and approve related party transactions, although in certain circumstances the Board may determine that a particular related party transaction be reviewed and approved by a majority of disinterested directors. In reviewing and approving a related party transaction, the Audit Committee, after satisfying itself that it has received all material information regarding the related party transaction under review, shall approve based upon the determination whether the transaction is fair and in the best interest of the Company.

Management presents any proposed related party transaction at an Audit Committee meeting for review and approval. If management becomes aware of a proposed or existing related party transaction that has not been presented or pre-approved by the Audit Committee, management shall promptly notify the Chair of the Audit Committee who shall submit such related party transaction to the full Audit Committee for approval or ratification. If management, in consultation with our CEO, CFO or General Counsel determines that it is not practicable to wait until the next Audit Committee meeting, the Chair of the Audit Committee has been delegated the authority to review, consider and approve any such transaction. In such event, the Chair of the Audit Committee shall report any related party transaction approved by him or her at the next Audit Committee meeting. The Audit Committee may establish guidelines it determines as necessary and appropriate for management to follow in dealings with related parties and related party transactions. The procedures followed in considering a related party transaction are evidenced in the resolutions and minutes of the meetings of the Audit Committee or Board, as applicable.

Under the agreement, management fees are paid by Laredo to us at a rate of 5% of annual theatre revenues up to \$50 million and 3% of annual theatre revenues in excess of \$50 million. We recorded approximately \$0.65 million of management fee revenue from Laredo during 2018. As the sole general partner and the majority limited partner of Laredo, we control the affairs of the limited partnership and have the rights to dissolve the partnership or sell the theatres. We also have a license agreement with Laredo permitting Laredo to use the "Cinemark" service mark, name and corresponding logos and insignias in Laredo, Texas.

For 2018, the aggregate amounts paid to the Operator for the use of the aircraft was approximately \$0.068 million.

Mitchell (Class III) and Sepulveda (Class II) are its current nominees.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of holding the Annual Meeting?

We are holding the Annual Meeting to elect three Class III directors, to ratify the selection of Deloitte as our independent registered public accounting firm for 2019 and to hold a non-binding, advisory vote on our 2018

Table of Contents

executive compensation. Our Governance Committee has recommended the nominees to our Board and our Board has nominated the nominees. Our Audit Committee has appointed Deloitte as our independent registered public accounting firm for 2019 and our Board has ratified the appointment. Our Compensation Committee has approved our executive compensation program and the Board has recommended that the stockholders vote to approve our executive compensation program and the compensation paid to our NEOs for 2018. If any other matters requiring a stockholder vote properly come before the Annual Meeting, those stockholders present at the Annual Meeting and the proxies who have been appointed by our stockholders will vote as they deem appropriate.

How many shares must be present to hold the Annual Meeting?

A majority of our outstanding Common Stock as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a “quorum.” Unless a quorum is present at the Annual Meeting, no action may be taken at the Annual Meeting except the adjournment thereof until a later time. Shares are counted as present at the Annual Meeting if you are present and vote in person at the Annual Meeting, if you vote via the Internet, by telephone, by mail or if you are represented by proxy. Abstentions and “broker non-votes” are counted as present for the purpose of determining the presence of a quorum.

Who can vote at the Annual Meeting?

Only stockholders as of the Record Date can vote at the Annual Meeting.

What is the Record Date and what does it mean?

The Record Date for the Annual Meeting is March 28, 2019. The Record Date is established by the Board as required by Delaware law. Owners of record of Common Stock at the close of business on the Record Date are entitled to:

- (a) receive notice of the Annual Meeting, and
- (b) vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

(a) *Stockholder of record:* If your shares are registered in your name with our transfer agent, EQ, you are a stockholder of record with respect to those shares. As a stockholder of record, you have the right to grant your proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

(b) *Stockholder who holds stock in street name:* If your shares are held by a broker or by a bank, you are considered to be a beneficial owner of shares held in “street name.” As the beneficial owner, you have the right to direct your broker or bank on how to vote and you are also invited to attend the Annual Meeting. Your broker or bank, as the record holder of your shares, may exercise discretionary authority to vote on “routine” items but may not vote on “non-routine” items without your instructions.

Your broker or bank has enclosed or provided voting instructions for you to use in directing the broker or bank on how to vote your shares. Since a beneficial owner in street name is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker or bank that holds your shares, giving you the right to vote the shares at the Annual Meeting.

What is a proxy and how does the proxy process operate?

A proxy is your legal designation of another person to vote the stock you own. The person(s) that you designate to vote your shares are called proxies. Sean Gamble and Michael Cavalier have been designated as proxies for the Annual Meeting. The term “proxy” also refers to the written document or “proxy card” that you sign to authorize those persons to vote your shares.

By executing the proxy card, you authorize the above-named individuals to act as your proxies to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary stockholder approval of items, a quorum of stockholders must be represented at the Annual Meeting in person or by proxy. Since few stockholders can spend the time or money to attend stockholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the stockholder vote. It is important that you attend the Annual Meeting in person or grant a proxy to vote your shares to assure a quorum is obtained so corporate business can be transacted. If a quorum is not obtained, we must postpone the Annual Meeting and solicit additional proxies, which is an expensive and time-consuming process.

What different methods can I use to vote?

If you are a stockholder of record, you may vote:

- *via the Internet or by telephone* — Follow the instructions shown on your proxy card. Votes submitted via the Internet or by telephone must be received by 10:59 p.m. CST, on May 22, 2019;
- *by mail* — Complete, sign, date and return the proxy card in the postage paid envelope provided so that it is received before the Annual Meeting; or
- *in person* — We will pass out written ballots at the Annual Meeting and you may deliver your completed and signed proxy card in person. Submitting your proxy or voting instructions, whether via the Internet, by telephone, or by mail will not affect your right to vote in person should you decide to attend the Annual Meeting.

If you are a beneficial holder, you may vote:

- *by instructing your bank or broker* — You should receive a voting instruction form from your bank or broker which you must return with your voting instructions to have your shares voted. If you have not received a voting instruction form from your bank or broker, you may contact it directly to provide instructions on how you wish to vote. Voting instructions submitted by beneficial owners to brokers or banks via the Internet or by telephone must be received by 10:59 p.m. CST, on May 22, 2019; or
- *in person* — If you wish to vote in person at the Annual Meeting, you will need to obtain a “legal proxy” form from your broker or bank that holds your shares of record and you must bring that document to the Annual Meeting.

What happens if I do not give specific voting instructions?

Stockholder of Record.

If you are a stockholder of record and you do not:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board; or
- sign and return a proxy card without specific voting instructions.

then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owner.

If you own shares through a broker or bank and do not provide voting instructions to the broker or bank holding your shares, your broker or bank may represent your shares at the Annual Meeting for purposes of obtaining a quorum. Your broker or bank may vote your shares in its discretion on some “routine matters”. However, with respect to “non-routine matters”, your broker or bank may not vote your shares for you. With respect to these “non-routine matters”, the aggregate number of unvoted shares is reported as “broker non-votes”.

Table of Contents

Which ballot measures are called “routine” or “non-routine”?

Under the broker voting rules of the NYSE, the ratification of the appointment of Deloitte as the Company’s independent registered public accounting firm for 2019 (Item 2) is considered a “routine” matter, and the election of directors (Item 1) and the non-binding, annual advisory vote on executive compensation (Item 3) are considered “non-routine” matters.

What are broker non-votes?

If you are the beneficial owner of shares and hold stock in street name, then the broker or bank, as the stockholder of record of the shares, may exercise discretionary authority to vote your shares with respect to “routine” matters but will not be permitted to vote the shares with respect to “non-routine” matters. A broker non-vote occurs when you do not provide the broker with voting instructions on “non-routine” matters for shares owned by you but held in the name of the broker. For such matters, the broker cannot vote and reports the number of such shares as “broker non-votes.”

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted for purposes of determining a quorum. However, see below with regards to the effect of broker non-votes and abstentions on approval of specific agenda items.

What is the voting requirement for each of the items?

Approval of Item 1: Directors are elected by a plurality voting standard. The nominees who receive the highest number of affirmative votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon will be elected. However, pursuant to the Corporate Governance Guidelines, in an uncontested election, any director nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election shall promptly tender his or her resignation from the Board and all committees of the Board following certification of the results of the Annual Meeting by the Inspector of Elections. The Governance Committee (excluding the nominee in question if applicable) would then consider the resignation offer and make a recommendation to the Board as to whether to accept or reject the resignation. Within 90 days following certification of the results of the annual meeting of stockholders, the Board will make a final determination as to whether to accept the director’s resignation. The Board’s explanation of its decision would then be promptly disclosed in a Form 8-K filed with the SEC. If a director’s resignation is rejected by the Board, the director will continue to serve for the remainder of the term for which he or she was elected and until his or her successor is duly elected, except in the event of his or her earlier death, resignation or removal. The Board believes that this voting policy promotes stability in governance by ensuring that a full slate of carefully chosen and nominated members is elected at each annual meeting of stockholders.

Under the plurality voting standard, votes marked “For” will be counted in favor of the director nominee and broker non-votes and votes withheld shall have no effect on the election of a director. However, a withheld vote could affect whether such director would be required to submit a resignation as discussed above.

Approval of Item 2: The ratification of the appointment of Deloitte requires the affirmative vote of a majority of the votes cast by stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. Since this proposal is considered a “routine” matter, broker non-votes do not arise as brokers and banks may exercise discretionary authority to vote your shares. Abstentions will have no effect on this item.

Approval of Item 3: The advisory vote on executive compensation requires the affirmative vote of a majority of the votes cast by stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

Table of Contents

How does the Board recommend I vote?

The Board recommends that you vote:

- **FOR** each of the nominees for director;
- **FOR** the ratification of the appointment of Deloitte as our independent registered public accounting firm for 2019; and
- **FOR** the non-binding, advisory vote to approve our executive compensation.

Can I revoke or change my proxy? If so, how?

You may revoke your proxy and change your vote at any time before the proxy has been exercised at the Annual Meeting.

If you are a stockholder of record, your proxy can be revoked in several ways:

- by timely delivery of a written revocation to the Company Secretary;
- by submitting another valid proxy bearing a later date; or
- by attending the Annual Meeting in person and giving the inspector of election notice that you intend to vote your shares in person.

If your shares are held in street name, you must contact your broker or bank in order to revoke your proxy. Generally, you may change your vote by submitting new voting instructions to your broker or bank, or, by attending the Annual Meeting and voting in person if you have obtained a “legal proxy” from your broker or bank giving you the right to vote your shares.

Who counts the votes?

The Company has retained a representative of Broadridge Financial Solutions to serve as an independent tabulator to receive and tabulate the proxies and as an independent inspector of election to certify the results.

Who pays for this proxy solicitation?

The Company pays for this proxy solicitation. We use Broadridge Financial Solutions, its agents, and brokers to distribute all proxy materials to our stockholders. We will pay them a fee and reimburse any expenses they incur in making the distribution. Proxies will be solicited on behalf of the Board by mail, telephone, other electronic means or in person. We have retained D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, NY 10005, to assist with the solicitation for a fee of \$7,500 plus reasonable out-of-pocket expenses.

How can I obtain copies of the Company's annual reports and other available information about the Company?

Stockholders may receive a copy of the Company's 2018 Form 10-K at no charge by sending a written request to Michael Cavalier, Company Secretary at Cinemark Holdings, Inc., 3900 Dallas Parkway, Suite 500, Plano, Texas 75093.

Director nomination or proposal for annual meeting. Stockholders who wish to nominate a director or introduce a proposal not included in the proxy statement at the 2020 annual meeting may do so in accordance with our by-laws. These procedures provide that stockholders who wish to bring a proper subject of business before the 2020 annual meeting must do so by a written notice in proper written form to the Company Secretary received not less than 90 and not more than 120 days before the anniversary date of the Annual Meeting and must be accompanied by certain information about the stockholder making the proposal, in accordance with our by-laws. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of our by-laws (and not pursuant to the SEC's Rule 14a-8(e)) must be received no earlier than January 24, 2020, and no later than February 23, 2020 at our principal executive offices at 3900 Dallas Parkway, Suite 500, Plano, Texas 75093, Attention: Michael Cavalier, Company Secretary.

ADDITIONAL INFORMATION

Stockholders Sharing a Common Address

If you and other residents at your mailing address own Common Stock in street name, your broker or bank may have sent you a notice that your household will receive only one proxy statement for each company in which you hold stock through that broker or bank. Nevertheless, each stockholder will receive a separate proxy card. This practice, known as "householding," is designed to reduce the Company's printing and postage costs. If you did not respond that you did not want to participate in householding, the broker or bank will assume that you have consented, and will send one copy of our proxy statement to your address. You may revoke your consent to householding by contacting your broker or bank, if you hold Common Stock in street name, or the Company's Secretary, if you are the registered holder of the Common Stock. The revocation of your consent to householding will be effective 30 days following its receipt. Upon written or oral request to the Company's Secretary at the address or telephone number provided above, the Company will deliver promptly a separate copy of this proxy statement to a stockholder at a shared address to which a single copy of this proxy statement was delivered. By written or oral request to the same address (i) a stockholder may direct a notification to the Company that the stockholder wishes to receive a separate annual report or proxy statement in the future or (ii) stockholders who are sharing an address and who are receiving delivery of multiple copies of the Company's annual reports or proxy statements can request delivery of only a single copy of these documents to their shared address.

Incorporation by Reference

The material under the headings "Compensation Committee Report," "Audit Committee Report" and the disclosure regarding independence of the members of the Audit Committee shall not be deemed to be "filed" with the SEC nor deemed incorporated into any future filing with the SEC, except to the extent that we specifically incorporate it by reference into the filing.

OTHER MATTERS

The Board knows of no other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, proxies received will be voted in respect thereof in accordance with the recommendation of the Board. Discretionary authority with respect to such other matters is granted by the execution of the enclosed proxy.

AVAILABILITY OF REPORT ON FORM 10-K
