**Item 1.01 Entry into a Material Definitive Agreement.**

On March 16, 2021, Cinemark USA, Inc. (“Cinemark USA”), a wholly-owned subsidiary of Cinemark Holdings, Inc. (“Cinemark Holdings”), completed the offering (the “Offering”) of \$405 million aggregate principal amount of its 5.875% Senior Notes due 2026 (the “Notes”). The Notes were offered to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes have not been, and are not required to be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws. The Notes were issued pursuant to an indenture (the “Indenture”) dated March 16, 2021 among Cinemark USA, certain subsidiary guarantors of Cinemark USA (the “Guarantors”) and Wells Fargo Bank, N.A., a national banking corporation, as trustee. The net proceeds from the Offering, together with cash on hand, will be used to fund the Tender Offer (as defined below) and the Redemption (as defined below) and to pay any related fees and expenses associated with the foregoing and the Offering.

Cinemark USA’s obligations under the Notes are fully and unconditionally guaranteed on a joint and several senior unsecured basis by the Guarantors that guarantee, assume or in any other manner become liable with respect to any indebtedness of Cinemark USA or any Guarantor. If Cinemark USA cannot make payments on the Notes when they are due, the Guarantors must make them instead.

The Notes and the guarantees will be Cinemark USA’s and the Guarantors’ senior unsecured obligations and will (i) rank equally in right of payment to Cinemark USA’s and the Guarantors’ existing and future senior debt, including borrowings under Cinemark USA’s senior secured credit agreement (the “Credit Agreement”) and Cinemark USA’s existing senior notes, (ii) rank senior in right of payment to Cinemark USA’s and the Guarantors’ future subordinated debt, (iii) be effectively subordinated to all of Cinemark USA’s and the Guarantors’ existing and future secured debt, to the extent of the value of the collateral securing such debt, including all obligations under Cinemark USA’s Credit Agreement and Cinemark USA’s 8.750% senior secured notes due 2025, (iv) are structurally subordinated to all existing and future debt and other liabilities of Cinemark USA’s non-guarantor subsidiaries and (v) are structurally senior to Cinemark Holdings’ \$460 million of 4.50% Convertible Notes due 2025.

The Notes will mature on March 15, 2026. Pursuant to the Indenture, interest on the Notes accrues at a rate of 5.875% per annum and is payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2021.

Cinemark USA has the option to redeem all or a part of the Notes at any time on or after March 15, 2023 at redemption prices specified in the Indenture. In addition, prior to March 15, 2023, Cinemark USA may redeem up to 40% of the aggregate principal amount of Notes with funds in an amount equal to the net proceeds of certain equity offerings at a redemption price equal to 105.875% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, so long as at least 60% of the principal amount of the Notes issued under the Indenture (including any additional notes) remains outstanding immediately after each such redemption. Prior to March 15, 2023, Cinemark USA has the option to redeem all or any portion of the Notes at a price equal to 100% of the principal amount, plus accrued and unpaid interest on the Notes, if any, plus a make-whole premium.

The Indenture limits Cinemark USA’s ability and the ability of its restricted subsidiaries to, among other things: (i) incur or guarantee additional indebtedness; (ii) pay dividends or distributions on, or redeem or repurchase, capital stock and make other restricted payments; (iii) make certain investments; (iv) consummate certain asset sales; (v) engage in certain transactions with affiliates; (vi) grant or assume certain liens; and (vii) consolidate, merge or transfer all or substantially all of their assets. These covenants are subject to a number of important qualifications and exceptions as described in the Indenture. Additionally, upon the occurrence of a Change of Control (as defined in the Indenture), Cinemark USA must offer to repurchase all of the Notes for a cash payment equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, thereon to the repurchase date. The Indenture also provides for customary events of default.

The foregoing description of the Indenture is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K (this “Report”) and is incorporated by reference herein.

**Item 1.02 Termination of a Material Definitive Agreement.**

On March 16, 2021, Cinemark USA issued a notice of optional redemption to redeem (the “Redemption”) \$66,010,000 in aggregate principal amount of its 5.125% Senior Notes due 2022 (the “5.125% Notes”), which represents all of its 5.125% Notes that remained outstanding following the expiration of the cash tender offer described under Item 7.01 below. In connection therewith, on March 16, 2021, Cinemark USA deposited with Wells Fargo Bank, N.A., as trustee for the 5.125% Notes (the “Trustee”), funds sufficient to redeem any 5.125% Notes remaining outstanding on April 15, 2021 (the “Redemption Date”). The redemption payment (the “Redemption Payment”) included approximately \$66,010,000 of outstanding principal at the redemption price equal to 100.000% of the principal amount plus accrued and unpaid interest thereon to the Redemption Date. Upon deposit of the Redemption Payment with the Trustee on March 16, 2021, the indenture governing the 5.125% Notes was fully satisfied and discharged. The 5.125% Notes, which bore interest at 5.125% per year, were scheduled to mature on December 15, 2022.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant.**

The information provided in Item 1.01 of this Report is hereby incorporated into this Item 2.03.

**Item 7.01 Regulation FD Disclosure.**

On March 16, 2021, Cinemark Holdings issued a press release announcing the consummation of the cash tender offer (the “Tender Offer”) by Cinemark USA to purchase any and all of 5.125% Notes. Following the expiration of the Tender Offer and the notice of guaranteed delivery date, \$333,990,000 aggregate principal amount of the 5.125% Notes (83.50%) was validly tendered. Cinemark USA accepted for payment all such 5.125% Notes validly tendered and not validly withdrawn in the Tender Offer and made payment for such 5.125% Notes on March 16, 2021 using a portion of the net proceeds from the Offering. A copy of the press release is being furnished as Exhibit 99.1 to this Report and is incorporated herein by reference.

The information described in Item 7.01 of this Report, including Exhibit 99.1, is being furnished, not filed, pursuant to Regulation FD. and, in each such case, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of this Section 2.06(e)(ii), the Trustee shall cancel the prior Restricted Definitive Note and the Company shall execute, and, upon receipt of an Authentication Order in accordance with Section 2.02 or in accordance with a previously delivered Authentication Order, the Trustee shall authenticate and deliver to the Person designated in the instructions an Unrestricted Definitive Note in the appropriate principal amount.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(g) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Company's order.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.14 and 9.04).

(iii) The Registrar shall not be required to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company and the Registrar shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) The Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) Subject to compliance with any applicable additional requirements contained in this Article, when a Note is presented to the Registrar with a request to register a transfer thereof or to exchange such Note for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested; *provided, however*, that every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by an assignment form and, if applicable, a transfer certificate, each in the form included in Exhibit A attached hereto and in form satisfactory to the Registrar and each duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registration of transfers and exchanges, upon surrender of any Note for registration of transfer or exchange at an office or agency maintained for such purpose pursuant to Section 2.03, the Company shall execute, and the Trustee shall authenticate, Notes of a like aggregate principal amount at the Registrar's request.

(x) Any Registrar appointed pursuant to Section 2.03 shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes upon transfer or exchange of Notes.

(xi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or other beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xii) None of the Company, the Trustee or any Paying Agent shall have any responsibility or liability for any aspect of the records relating to, or payments made on account of or transfers of, beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(xiii) None of the Company, the Trustee or the Registrar shall have any liability for any acts or omissions of the Depository, for any Depository records of beneficial interests, for any transaction between the Depository or any Participant and/or beneficial owners, for any transfers of beneficial interests in the Notes, or in respect of any transfers effected by the Depository or by any Participant or any beneficial owner of any interest in any Notes held through any such Participant.

**SECTION 2.07. Replacement Notes.** If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order or in accordance with a previously delivered Authentication Order, shall authenticate a replacement Note if the Company's and the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note issued in accordance with this Section 2.07 is an additional obligation of the Company and any other obligor upon the Notes and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

**SECTION 2.08. Outstanding Notes.** The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

**SECTION 2.09. Treasury Notes.** In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

**SECTION 2.10. Temporary Notes.** Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

**SECTION 2.11. Cancellation.** The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose canceled Notes in accordance with customary practices (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes shall be delivered to the Company from time to time upon written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

**SECTION 2.12. Defaulted Interest.** If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall send or cause to be sent to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

**SECTION 2.13. Issuance of Additional Notes.**

The Company shall be entitled, subject to its compliance with Section 4.09, to issue Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date, other than with respect to the date of issuance and issue price and, if applicable, the first payment of interest; *provided* that if any such Additional Notes are not fungible with the Initial Notes for United States federal income tax purposes, such Additional Notes will be issued under a separate CUSIP number.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (b) the issue price, the issue date and the CUSIP number and corresponding ISIN of such Additional Notes; and
- (c) whether such Additional Notes shall be issued in the form of Initial Notes as set forth in Exhibit A to this Indenture.

**SECTION 2.14. One Class of Securities.**

The Initial Notes issued on the Issue Date and any Additional Notes shall be treated as a single class for all purposes under this Indenture.

**SECTION 2.15. CUSIP, ISIN or Other Similar Numbers.**

The Company in issuing the Notes may use "CUSIP," "ISIN" or other similar numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP," "ISIN" or other similar numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the "CUSIP," "ISIN" or other similar numbers.

ARTICLE 3.

REDEMPTION AND PREPAYMENT

**SECTION 3.01. Notices to Trustee.** If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, the Company shall furnish to the Trustee, at least ten days but not more than 60 days (unless a shorter period is acceptable to the Trustee) before a redemption date, an Officers' Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price (expressed as a percentage or principal amount).

**SECTION 3.02. Selection of Notes to Be Redeemed.** If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select the Notes to be redeemed or purchased on a pro rata basis (and in the case of Global Notes, subject to the applicable procedures of the Depository), by lot, at random or in accordance with any other method the Trustee shall deem fair and appropriate; *provided* that no Notes of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption by lot or at random, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than ten nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not in a minimum amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

**SECTION 3.03. Notice of Redemption.** (a) At least ten days but not more than 60 days before a redemption date, the Company shall send (or provide in accordance with the applicable procedures of DTC) a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent (or provided in accordance with the applicable procedures of DTC) more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price;

(iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;

- (iv) the name and address of the Paying Agent;

---

(v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(vi) that, unless the Company defaults in making such redemption payment, or conditions to such redemption, if any, described in the notice of redemption have not been satisfied, the interest, if any, on Notes called for redemption ceases to accrue on and after the redemption date;

(vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(viii) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(ix) any conditions precedent.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense *provided, however*, that the Company shall have delivered to the Trustee, at least ten days prior to the redemption date (unless a shorter period is acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a).

**SECTION 3.04. Effect of Notice of Redemption.** Subject to the satisfaction of any conditions to such redemption, once the notice of redemption is sent in accordance with Section 3.03, Notes called for redemption shall become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional, except as provided for in Section 3.07(d).

**SECTION 3.05. Deposit of Redemption Price.** (a) Prior to 11:00 a.m. New York City time on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest, if any, on all Notes to be redeemed on that date. Subject to applicable abandoned property laws, the Trustee or the Paying Agent shall promptly, upon request, return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

(b) Unless the Company defaults in paying the redemption price, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a record date but on or prior to the related interest payment date, then any accrued and unpaid interest, if any, shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

**SECTION 3.06. Notes Redeemed in Part.** Upon surrender of a Note that is redeemed in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

**SECTION 3.07. Optional Redemption.** Except as described in this Section 3.07 and in Section 4.14(d), the Notes will not be redeemable at the Company's option prior to March 15, 2023.

(a) At any time prior to March 15, 2023, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 105.875% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date, with funds in an amount equal to the net cash proceeds of one or more Equity Offerings by the Company, *provided that*:

(i) at least 60% of the principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after March 15, 2023, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on March 15 of the years indicated below:

<u>YEAR</u>	<u>Percentage</u>
2023	102.938%
2024	101.469%
2025 and thereafter	100.000%

(c) At any time and from time to time prior to March 15, 2023, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. With respect to any such redemption, the Company shall notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and the Trustee shall not be responsible for such calculation.

(d) Notice of any redemption or purchase of the notes (including upon an Equity Offering or debt incurrence or in connection with a transaction (or series of related transactions) that constitute a Change of Control) may, at the Company's discretion, be given prior to the completion of such transaction and may be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering, debt incurrence or Change of Control. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption or purchase date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption or purchase date, or by the redemption or purchase date so delayed. In addition, the Company may provide in such notice that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person.

**SECTION 3.08. Mandatory Redemption.**

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4.

COVENANTS

**SECTION 4.01. Payment of Notes.** The Company shall pay or cause to be paid the principal of or premium, if any, or interest on the Notes on the dates, at the location and in the manner provided in the Notes and this Indenture. Principal, premium, if any, interest, if any, shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal of or premium, if any, or interest on the Notes then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the then applicable interest rate on the Notes; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any, (without regard to any applicable grace period) from time to time on demand at the same rate to the extent lawful.

The Company shall make all interest, premium, if any, and principal payments by wire transfer of immediately available funds to any Holder who shall have given written directions to the Company or the Paying Agent to make such payments by wire transfer pursuant to the wire transfer instructions supplied to the Company or the Paying Agent by such Holder on or prior to the applicable record date. All other payments on Notes will be made at the office or agency of the Paying Agent and Registrar within the City and State of New York unless the Company elects to make interest payments by check mailed to the Holders at their address set forth in the register of Holders.

**SECTION 4.02. Maintenance of Office or Agency.** The Company shall maintain in the Borough of Manhattan, The City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the New York Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

(f) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's and the Guarantors' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee shall have no duty or responsibility to review such reports, information or documents or to determine whether or not such reports have been filed with the Commission.

Stay, Extension and Usury Laws.** The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

(ii) this Indenture, the Notes and the Subsidiary Guarantees;

(iii) applicable law, rule, regulation or order;

(iv) any agreement, instrument or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries (including by merger or consolidation) as in effect at the time of such acquisition (except to the extent such agreement, instrument or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(viii) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(ix) Liens securing Indebtedness otherwise permitted to be incurred under the provisions of Section 4.12 that limit the right of the debtor to dispose of the assets subject to such Liens;

(x) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, stockholder agreements, asset sale agreements, stock sale agreements and other similar agreements and agreements relating to Permitted Business Investments;

(xi) the issuance of preferred stock by a Restricted Subsidiary or the payment of dividends thereon in accordance with the terms thereof; *provided* that issuance of such preferred stock is permitted pursuant to Section 4.09 and the terms of such preferred stock do not expressly restrict the ability of a Restricted Subsidiary to pay dividends or make any other distributions on its Capital Stock (other than requirements to pay dividends or liquidation preferences on such preferred stock prior to paying any dividends or making any other distributions on such other Capital Stock);

(xii) encumbrances or restrictions contained in any Indebtedness, Disqualified Stock or preferred stock incurred by a Foreign Restricted Subsidiary pursuant to Section 4.09(a) or clause (i), (iv), (v) (but only to the extent a Foreign Restricted Subsidiary initially would have been permitted to incur the underlying Indebtedness), (xiv), (xv), (xvi) or (xviii) of Section 4.09(b); *provided* that such encumbrance or restriction shall only apply to such Foreign Restricted Subsidiary;

(xvii) restrictions or conditions of the types contained in clause (iii) of Section 4.08(a) contained in any operating, construction, service, supply, purchase or other agreement to which the Company or any Restricted Subsidiary is a party entered into in the ordinary course of business; *provided* that such agreement limits the encumbrance solely to the property or assets of the Company or such Restricted Subsidiary that is the subject of such agreement, the payment rights arising thereunder and the proceeds thereof and does not extend to any other asset or property of such Restricted Subsidiary or the assets or property of the Company or any other Restricted Subsidiary.

(c) In each case set forth in this Section 4.08, notwithstanding any stated limitation on the assets or property that may be subject to such encumbrance or restriction, an encumbrance or restriction on a specified asset or property or group or type of assets or property may also apply to all improvements, additions and accessions thereto, assets and property affixed or appurtenant thereto, and all products and proceeds thereof, including dividends, distributions, interest and increases in respect thereof.

---

(b) Section 4.09(a) shall not prohibit:

(i) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness and letters of credit under one or more Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (i) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries thereunder) not to exceed \$1,700.0 million;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (other than Indebtedness described in clauses (i), (iii) and (xviii) of this Section 4.09(b);

(iii) the incurrence by the Company and any Guarantor of Indebtedness represented by the Notes (other than Additional Notes) and any Subsidiary Guarantees of the foregoing;

(v) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under this clause (v), Section 4.09(a) or clauses (ii), (iii), (iv), (x) or (xvi) of this Section 4.09(b) and related interest, premiums, fees and other Obligations;

(vi) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness, Disqualified Stock or preferred stock between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or any Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Subsidiary Guarantee, in the case of a Guarantor; and

(B) (1) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness, Disqualified Stock or preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company and (2) any sale or other transfer of any such Indebtedness, Disqualified Stock or preferred stock (but for the avoidance of doubt excluding the grant of a Permitted Lien thereon) to a Person that is neither the Company nor a Restricted Subsidiary of the Company shall be deemed, in each case under this clause (vi)(B), to constitute an incurrence of such Indebtedness, Disqualified Stock or preferred stock by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (vi);

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations;

(viii) the Guarantee by the Company or a Restricted Subsidiary of the Company of Indebtedness of the Company or a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.09; *provided* that in the event such Indebtedness that is being guaranteed is (a) *pari passu* with the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall rank equally in right of payment to the Notes or Subsidiary Guarantee, as the case may be, or (b) subordinated to the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall be subordinated in right of payment to the Notes or such Subsidiary Guarantee, as the case may be;

(ix) the accrual of interest or dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock and the incurrence of unrealized losses or charges in respect of Hedging Obligations (including those resulting from the application of ASC Topic 815 and similar provisions), in each case will be deemed not to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this covenant;

(x) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or other similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or a Restricted Subsidiary, other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition; *provided* that the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the fair market value of the consideration actually received (or, in the case of an acquisition, paid) by the Company and its Restricted Subsidiaries in connection with such transaction;

(xi) Indebtedness supported by one or more letters of credit incurred under a Credit Facility in accordance with and pursuant to clause (i) of this Section 4.09(b); *provided* the amount of Indebtedness permitted to be incurred under this clause (xi) relating to any such letter of credit shall not exceed the amount of the letter of credit provided for therein; *provided, further*, that upon any reduction, cancellation or termination of the applicable letter of credit, there shall be deemed to be an incurrence of Indebtedness under this Indenture equal to the excess of the amount of such Indebtedness outstanding immediately after such reduction, cancellation or termination over the remaining stated amount, if any, of such letter of credit or the stated amount of any letter of credit issued in replacement of such letter of credit;

(xii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within ten Business Days of incurrence;

(xiii) Indebtedness represented by property, liability and workers' compensation insurance, completion guarantees, performance bonds *provided* that to the extent that such performance bonds secure Indebtedness, such Indebtedness is otherwise permitted under this Section 4.09), surety bonds, appeal bonds and other obligations (which, in each case, may be in the form of or secured by letters of credit), in each case required or incurred in the ordinary course of business or in connection with the enforcement of rights or claims of the Company or any Restricted Subsidiary of the Company or in connection with judgments that do not result in a Default or an Event of Default and all reimbursement obligations under such letters of credit;

(xiv) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock in an aggregate principal amount (or accreted value or liquidation preference, as applicable) at any time outstanding not to exceed \$600.0 million;

(xv) Construction Indebtedness and Permitted Refinancing Indebtedness incurred in respect thereof in an aggregate principal amount that does not exceed \$300.0 million at any time outstanding;

(xvi) Indebtedness, Disqualified Stock or preferred stock of (x) the Company or a Restricted Subsidiary incurred to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided* that after giving effect to such acquisition or merger, either

(A) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this Section 4.09, or

(B) the Fixed Charge Coverage Ratio is equal to or greater than such ratio immediately prior to such acquisition or merger;

(xvii) Indebtedness of the Company or any of its Restricted Subsidiaries to an Unrestricted Subsidiary for money borrowed; *provided* that such Indebtedness is subordinated in right of payment to the Notes or such Restricted Subsidiary's Subsidiary Guarantee, the Weighted Average Life to Maturity of such Indebtedness is greater than the Weighted Average Life to Maturity of the Notes and the holders of such Indebtedness are not permitted to accelerate such Indebtedness or exercise any other remedies with respect thereto until 91 days after the final Stated Maturity of the Notes; and

(xviii) Indebtedness incurred by the Company or any Restricted Subsidiary with respect to Digital Projector Financing in an aggregate principal amount incurred not to exceed (i) \$70.0 million during the period from June 9, 2009 to the first anniversary thereof; (ii) \$70.0 million during the period from the first anniversary of such date to the second anniversary of such date and (iii) \$60.0 million; *provided* that any unused or repaid amounts may be carried forward and used in subsequent periods without limitation.

(c) No Restricted Subsidiary of the Company that is not a Guarantor may incur any Indebtedness if the proceeds are used to refinance Indebtedness of the Company or a Guarantor (other than a refinancing of all the Notes).

(d) For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (including Acquired Debt) meets the criteria of more than one of the categories described in clauses (i) through (xviii) of Section 4.09(b), or is entitled to be incurred pursuant to Section 4.09(a), the Company shall be permitted to classify and divide and later classify, reclassify and divide (in whole or in part in its sole discretion) such item of Indebtedness in any manner that complies with this Section 4.09, *provided* that all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to have been incurred on the Issue Date pursuant to clause (i) of Section 4.09(b) and the Company shall not be permitted to later reclassify all or any portion of such Indebtedness outstanding on the Issue Date under the Credit Agreement. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or preferred stock of a Restricted Subsidiary that is not a Guarantor, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

(e) This Indenture does not treat (i) unsecured Indebtedness as subordinated to secured Indebtedness merely because it is unsecured, (ii) Senior Debt that is secured Indebtedness as subordinated to any other Senior Debt that is secured Indebtedness merely because it has a junior priority with respect to the same collateral, (iii) any Indebtedness as subordinated to any other Indebtedness merely because of maturity date, order of payment or order of application of funds or (iv) Indebtedness that is not Guaranteed as subordinated to Indebtedness that is Guaranteed merely because of such Guarantee.

**SECTION 4.10. [RESERVED].**

**SECTION 4.11. Transactions with Affiliates.**

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of any Affiliate (each, an "Affiliate Transaction") involving aggregate payments or consideration in excess of \$25.0 million, unless:

(i) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate; and

(ii) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11; and

(b) The following items shall be deemed to not be Affiliate Transactions and, therefore, shall not be subject to the provisions of Section 4.11(a):

(i) any employment, consulting or similar agreement or other compensation arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business of the Company or such Restricted Subsidiary;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(v) sales of Equity Interests (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights in connection therewith;

(vi) Restricted Payments that are permitted by Section 4.07, Permitted Investments (other than pursuant to clause (iii) of such definition) and any transactions excluded from their or any component definitions;

(vii) [RESERVED];

(viii) transactions pursuant to any contract or agreement described in Item 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2020 (or incorporated by reference into Item 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2020 from Cinemark Holdings, Inc.'s definitive proxy statement or definitive information statement filed with the Commission no later than 120 days after December 31, 2019), and the footnotes to the Company's financial statements contained in such Form 10-K, as in effect on the Issue Date, in each case as amended, modified or replaced from time to time so long as the amended, modified or new agreements, taken as a whole, are not materially less favorable to the Company and its Restricted Subsidiaries taken as a whole than those in effect on the Issue Date;

(ix) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(x) the pledge of Equity Interests of an Unrestricted Subsidiary to its lenders to support the Indebtedness of such Unrestricted Subsidiary owed to such lenders; and

(xi) transactions in which the Company or any of its Restricted Subsidiaries delivers to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or such Restricted Subsidiary than those that would have reasonably been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis.

#### **SECTION 4.12. Liens.**

(a) The Company shall not and shall not permit any Guarantor to create, incur, assume or otherwise cause to become effective any Lien (other than Permitted Liens) of any kind securing Indebtedness upon any of their property or assets (including Capital Stock of Subsidiaries of the Company), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision is made to secure the Obligations due under this Indenture and the Notes or, in respect of any Lien on any Guarantor's property or assets, any Subsidiary Guarantee of such Guarantor, (i) in the case of Liens securing Indebtedness that is pari passu in right of payment with the Notes or any Subsidiary Guarantee, on an equal and ratable basis with (or, if the Company so elects, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien and (ii) in the case of Liens securing Indebtedness that is expressly subordinated in right of payment to the Notes or any Subsidiary Guarantee, on a senior basis to the obligations so secured with the same relative priority as the Notes or such Subsidiary Guarantee, as the case may be, shall have to that subordinated Indebtedness until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of Holders of the Notes pursuant to Section 4.12(a) shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) in Section 4.12(a).

**SECTION 4.13. Corporate Existence.** Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

**SECTION 4.14. Offer to Repurchase upon Change of Control.** (a) If a Change of Control occurs, the Company shall be required to make an offer (a "Change of Control Offer") to each Holder to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of that Holder's Notes on the terms set forth in this Indenture. In the Change of Control Offer, the Company shall offer a payment in cash (the "Change of Control Payment") equal to 101% of the principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase (a "Change of Control Payment Date"). Within 30 days following any Change of Control, the Company shall send (or provide in accordance with the applicable procedures of DTC) a notice to each Holder stating: (i) that the Change of Control Offer is being made pursuant to this Section 4.14 (and describing the transaction or transactions that constitute the Change of Control) and that all Notes tendered shall be accepted for payment; (ii) the purchase price and the Change of Control Payment Date, which shall be no earlier than ten days and no later than 60 days from the date such notice is sent; (iii) that any Note not tendered shall continue to accrue interest, if any; (iv) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest, if any, after the Change of Control Payment Date; (v) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date; (vi) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing its election to have the Notes purchased; and (vii) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered;  
and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(c) The Paying Agent shall promptly mail (or electronically deliver) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) If Holders of not less than 90% in aggregate principal amount of the then-outstanding Notes validly tender and do not withdraw such Notes in an offer to purchase the Notes upon a Change of Control and the Company, or any third party making such offer to purchase the Notes upon a Change of Control in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than ten nor more than 60 days' prior written notice, given not more than 15 days following the purchase date, to redeem the Notes that remain outstanding following such purchase at a redemption price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

(e) If the Change of Control Payment Date is on or after a record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Holder in whose name a note is registered at the close of business on such record date, and no other interest, if any, will be payable to Holders who tender pursuant to the Change of Control Offer.

(f) The Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or if an irrevocable notice of redemption has been given pursuant to this Indenture in accordance with the provisions set forth in Section 3.07 for all outstanding Notes.

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.14, the Company shall comply with the applicable securities laws and regulations and shall be deemed not to have breached its obligations under this Section 4.14 by virtue of its compliance with such securities laws or regulations.

#### **SECTION 4.15. Future Guarantors.**

If any Restricted Subsidiary of the Company that is not a Guarantor (the "New Guarantor") Guarantees, assumes or in any other manner becomes liable with respect to any Indebtedness of the Company or any Guarantor (the "Other Indebtedness"), then the Company shall and shall cause the New Guarantor to, within ten Business Days of the date of the New Guarantor's Guarantee or assumption of the Other Indebtedness, execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D attached hereto pursuant to which the New Guarantor shall become a Guarantor and Guarantee the obligations of the Company under this Indenture and the Notes on a senior unsecured basis. Upon the release, termination or satisfaction of the New Guarantor's Guarantee or assumption of all Other Indebtedness (other than a release, termination or satisfaction as a result of payment under such Guarantee), the New Guarantor's Subsidiary Guarantee shall automatically be released and terminated. Upon request of the New Guarantor, the Trustee shall provide written evidence of such release and termination. The Subsidiary Guarantee of any Guarantor that is not a New Guarantor shall be released and terminated upon written notice from the Company to the Trustee if, at the time of such notice, such Restricted Subsidiary would have no obligation to become a Guarantor under this covenant. The Subsidiary Guarantee of any Guarantor will also be released in other circumstances in accordance with Article 11 hereof.

**SECTION 4.16. Designation of Restricted and Unrestricted Subsidiaries.**

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary properly designated shall be deemed to be an Investment made as of the time of the designation and shall reduce the amount available for Restricted Payments or Permitted Investments, as determined by the Company. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if the redesignation would not cause a Default.

(iii) immediately after such transaction no Default or Event of Default exists;

(iv) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made shall, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (a) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) or (b) have a Fixed Charge Coverage Ratio equal to or greater than the Fixed Charge Coverage Ratio of the Company immediately prior to such transaction; and

(v) if the Company is not the surviving corporation, each Guarantor (unless it is the other party to the transactions above, in which case clause (ii) shall apply) shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations in respect of the Notes and this Indenture.

(b) In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(c) Notwithstanding clause (iv) of Section 5.01(a), any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company or any Guarantor.

(d) Unless such consolidation, merger, sale, assignment, transfer, conveyance or other disposition or a contemporaneous event or circumstance, or a series of contemporaneous events or circumstances, results in the release of the Subsidiary Guarantee of such Guarantor pursuant to and in compliance with the terms of this Indenture, the Company will not permit any Guarantor, directly or indirectly, in one or more related transactions to: (1) consolidate or merge with or into another Person (whether or not the Guarantor is the surviving entity); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, taken as a whole, to another Person (other than to the Company or another Guarantor); unless:

(i) either: (a) the Guarantor is the surviving entity; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, limited liability company or partnership organized or existing under the laws of the United States, any state of the United States, the District of Columbia or the jurisdiction where such Guarantor was organized;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made expressly assumes all the obligations of the Guarantor under the Notes and this Indenture pursuant to a supplemental indenture or other agreement; and

(iii) immediately after such transaction no Default or Event of Default exists.

**SECTION 5.02. Successor Corporation Substituted.** Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01(a) hereof, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, *provided, however,* that the predecessor company shall not be relieved from the obligation to pay the principal of and interest on the Notes (and its obligations to the Trustee pursuant to Section 7.06) except in the case of a sale or other disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries taken as a whole that meets the requirements of Section 5.01 hereof.

(a) is caused by a failure to pay principal on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “Payment Default”); or

(b) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;

If any other Event of Default occurs and is continuing, the Trustee or Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the principal of, premium, if any, and accrued and unpaid interest, if any, shall become due and payable immediately. The Trustee has no duty or obligation to determine whether an Event of Default has occurred as a result of the events described above and shall have notice of such events only in accordance with Section 7.02(i) herein.

Notwithstanding the foregoing, if an Event of Default specified in clause (vi) of Section 6.01 shall have occurred and be continuing, such Event of Default and any consequential acceleration shall be automatically rescinded if (i) the Indebtedness that is the subject of such Event of Default has been repaid or (ii) if the default relating to such Indebtedness is waived or cured and if such Indebtedness has been accelerated, then the Holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness.

Any such declaration with respect to the Notes may be rescinded and annulled by the Holders of a majority in aggregate principal amount of the outstanding Notes by written notice to the Trustee if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default have been cured or waived except nonpayment of principal of or interest on the Notes that has become due solely by such declaration of acceleration, (iii) to the extent the payment of such interest is lawful, interest (at the same rate specified in the Notes) on overdue installments of interest and overdue payments of principal, which has become due otherwise than by such declaration of acceleration, has been paid, (iv) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances and (v) in the event of the cure or waiver of a Default or Event of Default of the type described in clauses (ix) and (x) of Section 6.01 the Trustee has received an Officers' Certificate and Opinion of Counsel that such Default or Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

**SECTION 6.03. Other Remedies.** If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal amount, premium on, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

**SECTION 6.04. Waiver of Past Defaults.** Subject to Sections 2.09, 6.07 and 9.02, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium on, or interest on the Notes (including in connection with an offer to purchase); *provided, however*, that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

**SECTION 6.05. Control by Majority.** Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

**SECTION 6.06. Limitation on Suits.** A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

**SECTION 6.07. Rights of Holders of Notes to Receive Payment.** Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal amount, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

**SECTION 6.08. Collection Suit by Trustee.** If an Event of Default specified in Section 6.01(i) or (ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal amount of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

**SECTION 6.09. Trustee May File Proofs of Claim.** The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

**SECTION 6.10. Priorities.** After an Event of Default, any money or other property distributable in respect of the Company's obligations under this Indenture shall be paid in the following order:

First: to the Trustee (including any predecessor Trustee), their respective agents and attorneys for amounts due under Section 7.06, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal amount, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal amount, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

**SECTION 6.11. Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

## ARTICLE 7.

### TRUSTEE

**SECTION 7.01. Duties of Trustee.** (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) or (d) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

**SECTION 7.02. Rights of Trustee.** (a) The Trustee may, in the absence of bad faith on its part, conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel selected by it and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company request or Company order and any resolution of the Company's Board of Directors may be sufficiently evidenced by a board resolution.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, to the extent necessary and consistent with each inquiry or investigation, the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(i) The Trustee shall not be deemed to have notice, nor shall it be charged with knowledge, of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of such Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(k) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles or officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) In no event shall the Trustee be responsible for liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

**SECTION 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with either the Company or any Guarantor or any Affiliate of the Company or any Guarantor with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

**SECTION 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any security for the payment of the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

---

**SECTION 7.05. Notice of Defaults.** If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall send to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default relating to the payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

**SECTION 7.06. Compensation and Indemnity.** The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon written request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.06) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its own negligence or failure to act in good faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee and shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

To secure the Company's payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

In addition and without prejudice to its rights hereunder, when the Trustee incurs expenses or renders services after an Event of Default specified in Sections 6.01(ix) or (x) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

**SECTION 7.07. Replacement of Trustee.** A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of Notes of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- 
- (a) the Trustee fails to comply with Section 7.09;
  - (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
  - (c) a Custodian or public officer takes charge of the Trustee or its property; or
  - (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Note who has been a Holder of a Note for at least six months, fails to comply with Section 7.09, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

**SECTION 7.08. Successor Trustee by Merger, Etc.** If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act shall be the successor Trustee.

**SECTION 7.09. Eligibility; Disqualification.** There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and (i) that has a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition, or (ii) that is a wholly owned subsidiary of a bank or bank holding company which has a consolidated net worth in excess of \$50 million.

## ARTICLE 8.

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

**SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.** The Company may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

**SECTION 8.02. Legal Defeasance and Discharge.** Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04, the Company shall be deemed to have been discharged from all of its obligations with respect to all outstanding Notes and this Indenture and the Guarantors shall be deemed to have been discharged from their obligations with respect to their Subsidiary Guarantees and this Indenture on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same); *provided* that the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.05; (b) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust; (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Guarantor's obligations in connection therewith; and (d) this Article 8. Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

**SECTION 8.03. Covenant Defeasance.** Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the respective obligations of the Company and the Guarantors under (A) the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.11, 4.12, 4.13 (except clause (i) thereof with respect to the Company), 4.14, 4.15, 4.16, 5.01(a)(iv) and 5.01(d) and Article 11 and (B) the Subsidiary Guarantees, in each case shall be terminated on or after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant or agreement, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or agreement or by reason of any reference in any such covenant or agreement to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(iv) through 6.01(viii) shall not constitute Events of Default.

**SECTION 8.04. Conditions to Legal or Covenant Defeasance.** The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants in the case of non-callable Government Securities (or, if a nationally recognized firm of independent public accountants declines to issue such opinion after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), to pay the principal of, and interest, premium, if any, on the outstanding Notes on their Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders and beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that the Holders and beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the incurrence of Indebtedness all or a portion of the proceeds of which shall be used to defease the Notes pursuant to this Article 8 concurrently with such incurrence and the granting of Liens in connection therewith);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(f) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, assuming that no intervening bankruptcy of the Company between the date of the deposit and the 91st day following the deposit will occur and that no Holder of Notes is an insider of the Company under applicable bankruptcy law, no trust funds will be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and

(h) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

---

**SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions**

Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal of or premium, if any, or interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the case of non-callable Government Securities in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (or, if a nationally recognized firm of independent public accountants declines to issue such opinion after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

**SECTION 8.06. Repayment to the Company.** Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or premium, if any, or interest on the Notes and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

**SECTION 8.07. Reinstatement.** If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and any Guarantor's obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Company has made any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENT, SUPPLEMENT AND WAIVER

**SECTION 9.01. Without Consent of Holders of Notes.** Notwithstanding Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees, without the consent of any Holder of a Note, to:

- (a) cure any ambiguity, defect or inconsistency;
- (b) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (c) provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's assets or a Guarantor;
- (d) make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;
- (e) provide for the issuance of Additional Notes in accordance with the provisions set forth in this Indenture;
- (f) add Subsidiary Guarantees with respect to the Notes or to secure the Notes or the Subsidiary Guarantees;
- (g) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof; or
- (h) conform the text of the Notes, the Subsidiary Guarantees or this Indenture to any provision of the "Description of Notes" section contained in the Offering Memorandum to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of the Notes, the Subsidiary Guarantee or this Indenture, which intent will be established by an Officers' Certificate.

Subject to Section 9.05, upon the request of the Company authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

**SECTION 9.02. With Consent of Holders of Notes.**

(a) Except as provided in Sections 9.02(b) and 9.02(c), the Company and the Trustee may amend or supplement this Indenture (including Section 4.14), the Notes and the Subsidiary Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of or premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Sections 2.08 and 2.09 shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

(b) Without the consent of each Holder affected, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the principal of or change the fixed maturity of any Note;
- (iii) reduce the rate of or change the time for payment of interest on any Note;
- (iv) waive a Default or Event of Default in the payment of principal of, or interest or premium on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);
- (v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described above under Section 3.07 (excluding for greater certainty any notice periods with respect to Notes that are otherwise redeemable);
- (vi) make any Note payable in currency other than that stated in the Notes;
- (vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium, if any, on the Notes;
- (viii) waive a redemption payment with respect to any Note;
- (ix) impair the right of any Holder to receive payment of principal of, or interest on such Holder’s Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder’s Notes;
- (x) release any Guarantor from any of its Obligations under its Subsidiary Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (xi) make any change in the foregoing amendment and waiver provisions.

For avoidance of doubt, this Section 9.02(b) does not apply to Section 4.14, definitions and other provisions related thereto and payments required thereunder; *provided* that Section 4.14, definitions and other provisions related thereto and payments required thereunder shall be governed by Section 9.02(a).

(c) Subject to Section 9.05, upon the request of the Company accompanied by a resolution of the Board of Directors of the Company authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

**SECTION 9.03. Revocation and Effect of Consents.** Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

**SECTION 9.04. Notice of Amendment; Notation on or Exchange of Notes.** After any amendment under this Article becomes effective, the Company shall send to Holders of Notes a notice briefly describing such amendment. The failure to give such notice to all Holders of Notes, or any defect therein, shall not impair or affect the validity of an amendment under this Article.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

**SECTION 9.05. Trustee to Sign Amendments, Etc.** The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement, in the sole discretion of the Trustee, does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.03, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10.

SATISFACTION AND DISCHARGE

**SECTION 10.01. Satisfaction and Discharge.**

This Indenture shall be discharged and shall cease to be of further effect, except as to surviving rights of registration of transfer or exchange of the Notes, as to all Notes issued hereunder, when:

(a) either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the sending of a notice of redemption or otherwise or will become due and payable within one year or are to be called for redemption within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants in the case of non-callable Government Securities (or, if a nationally recognized firm of independent public accountants declines to issue such opinion after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) no Default or Event of Default has occurred and is continuing on the date of the deposit or shall occur as a result of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith) and the deposit shall not result in a breach of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(c) the Company or any Guarantor has paid or caused to be paid all other sums payable by it under this Indenture; and

(d) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at their Stated Maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee each stating that all conditions precedent to the satisfaction and discharge have been complied with.

Upon discharge of this Indenture, the Subsidiary Guarantees will automatically terminate and cease to be of further effect.

**SECTION 10.02. Deposited Cash and Government Securities.** All cash and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 10.02, the “Trustee”) pursuant to Section 10.01 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such cash and securities need not be segregated from other funds except to the extent required by law.

**SECTION 10.03. Repayment to Company.** Any cash or non-callable Government Securities deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder shall thereafter, as an unsecured creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such cash and securities, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such cash and securities remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such cash and securities then remaining shall be repaid to the Company.

**SECTION 10.04. Reinstatement.** If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Sections 10.01 and 10.02, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company’s obligations under this Indenture and the Notes and any Guarantor’s obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Sections 10.01 and 10.02 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Sections 10.01 and 10.02, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest, if any, on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE 11.

### SUBSIDIARY GUARANTEES

#### **SECTION 11.01. Guarantee.**

Subject to this Article 11, each of the Guarantors hereby, jointly and severally, fully, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will

be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this Subsidiary Guarantee is a general unsecured obligation of such Guarantor and it is a guarantee of payment and not a guarantee of collection.

Subject to this Article 11, the Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture. Each Guarantor hereby expressly waives all statutory suretyship defenses that it may waive under applicable law, including, without limitation, California Civil Code Section 2856.

Each Guarantor also agrees to pay, in addition to the amount stated above, any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 11.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by the Company or a Guarantor either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Subsidiary Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Subsidiary Guarantee.

Each Subsidiary Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company or any Guarantor for liquidation or reorganization, should the Company or any Guarantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's or any other Guarantor's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Subsidiary Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Subsidiary Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Subsidiary Guarantee issued by any Guarantor shall be a general unsecured senior obligation of such Guarantor and shall *bepari passu* in right of payment with all existing and future Senior Debt of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Subsidiary Guarantee shall be made withoutset-off, counterclaim, reduction or diminution of any kind or nature.

**SECTION 11.02. Limitation on Guarantor Liability.**

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to such maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

**SECTION 11.03. Execution and Delivery.**

To evidence its Subsidiary Guarantee set forth in Section 11.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 and this Article 11, to the extent applicable.

**SECTION 11.04. Successors and Assigns.**

This Article 11 shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

**SECTION 11.05. No Waiver.**

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

**SECTION 11.06. Right of Contribution.**

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.07. The provisions of this Section shall in no respect limit the obligations and liabilities of any Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

**SECTION 11.07. No Subrogation.**

Notwithstanding any payment or payments made by any of the Guarantors hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or Guarantee or right of offset held by the Trustee or any Holder for the payment of the Obligations under this Indenture, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Obligations under this Indenture are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations under this Indenture shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Obligations under this Indenture.

**SECTION 11.08. Guarantors May Consolidate, Etc., on Certain Terms.**

Except as set forth in Articles 4 and 5, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor. Without limitation of the foregoing, the consolidation or merger of a Guarantor with or into another Person, or the sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of a Guarantor, taken as a whole, are subject to Section 5.01(d).

**SECTION 11.09. Releases of Subsidiary Guarantee.**

The Subsidiary Guarantee of a Guarantor will be automatically released and the Guarantor will be relieved of any obligations under the Notes and this Indenture:

(a) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale or other disposition complies with (or is excluded from) the applicable provisions of this Indenture;

(b) in connection with any sale, exchange or transfer of the Capital Stock of a Guarantor or a parent entity of such Guarantor, after which such Guarantor is no longer a Subsidiary of the Company, to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale, exchange or transfer is made in compliance with (or pursuant to an exclusion from) the applicable provisions of this Indenture;

(c) if the Company designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.16;

(d) upon the satisfaction and discharge of this Indenture in accordance with Article 10 of this Indenture;

(e) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture;

(f) upon the Guarantor ceasing to Guarantee, assume or in any other manner be liable with respect to other Indebtedness of the Company or any other Guarantor; or

(g) upon consent by the requisite Holders in accordance with Section 9.02; or

(h) as provided in Section 4.15.

Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel both to the effect that all conditions precedent set forth in this Section 11.09 to the release of the Subsidiary Guarantee of a Guarantor have been satisfied, to the extent such conditions can be satisfied as of such date, the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Subsidiary Guarantee, to be effective upon the satisfaction of all such conditions precedent.

Any Guarantor not released from its obligations under its Subsidiary Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

[FORM OF REVERSE OF NOTES]  
5.875% Senior Notes due 2026

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Principal. Cinemark USA, Inc., a Texas corporation (the “Company”) promises to pay the principal of this Note on March 15, 2026.

2. Interest. The Company promises to pay interest on the principal amount of this Note at the rate of 5.875% per annum. Interest on the Notes will accrue at the rate of 5.875% per annum and the Company will pay interest semi-annually in arrears on March 15 and September 15 of each year, commencing [●] or if any such day is not a Business Day, on the next succeeding Business Day (each an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from [●]. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

3. Method of Payment. The Company shall pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on the March 1 or September 1 immediately preceding the Interest Payment Date (each, a “Record Date”), even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture. The Notes shall be payable as to principal or premium, if any, or interest at the office or agency of the Company maintained for such purpose within the City and State of New York (which may be an office of the Paying Agent), or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of or premium, if any, or interest on the Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to an account in the United States to the Company or the Paying Agent prior to the applicable Record Date. Such payment shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts.

4. Paying Agent and Registrar. Initially, Wells Fargo Bank, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company or any of its Restricted Subsidiaries may act in any such capacity.

5. Indenture. The Company issued the Notes under an Indenture, dated as of March 16, 2021 (as such may be amended or supplemented from time to time, the “Indenture”), among the Company, the Guarantors and the Trustee. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are obligations of the Company initially in the aggregate principal amount of \$405,000,000. Subject to compliance with Section 2.13 and Section 4.09 of the Indenture, the Company is permitted to issue Additional Notes under the Indenture in an unlimited principal amount. Any such Additional Notes that are actually issued shall be treated as issued and outstanding Notes (and of the same class as the Initial Notes) for all purposes of the Indenture, unless the context clearly indicates otherwise. The Notes are Guaranteed by certain Subsidiaries of the Company pursuant to the Indenture.

## 6. Optional Redemption.

Except as described below, the Notes will not be redeemable at the Company's option prior to March 15, 2023.

(a) At any time prior to March 15, 2023, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) at a redemption price of 105.875% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date, with funds in an amount equal to the net cash proceeds of one or more Equity Offerings by the Company, *provided* that: (i) at least 60% of the principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and (ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after March 15, 2023, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on March 15 of the years indicated below:

<u>YEAR</u>	<u>Percentage</u>
2023	102.938%
2024	101.469%
2025 and thereafter	100.000%

(c) At any time and from time to time prior to March 15, 2023, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

(d) Notice of any redemption or purchase of the notes (including upon an Equity Offering or debt incurrence or in connection with a transaction (or series of related transactions) that constitute a Change of Control) may, at the Company's discretion, be given prior to the completion of such transaction and may be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering, debt incurrence or Change of Control. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption or purchase date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption or purchase date, or by the redemption or purchase date so delayed. In addition, the Company may provide in such notice that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person.

(e) The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Repurchase at Option of Holder.

If a Change of Control occurs, the Company shall be required to make an offer to each Holder to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of such Holder's Notes pursuant to the terms set forth in the Indenture (the "Change of Control Offer") at an offer price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of repurchase. Within 30 days following any Change of Control, the Company shall send a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

8. Notice of Redemption. Notice of redemption shall be sent (or provided in accordance with the applicable procedures of DTC) at least ten days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent (or provided in accordance with the applicable procedures of DTC) more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 aggregate principal amount may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed.

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a Record Date and the corresponding Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement and Waiver. The provisions governing amendment, supplement and waiver of any provision of the Indenture, the Notes and the Subsidiary Guarantees are set forth in Article 9 of the Indenture.

12. Defaults and Remedies. The Events of Default relating to the Notes are set forth in Section 6.01 of the Indenture.

13. Trustee Dealings with Company. Subject to Article 7 of the Indenture, the Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

---

14. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or any Guarantor under the Notes, the Indenture, any Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an Authenticating Agent.

16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= Note Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. CUSIP, ISIN or Other Similar Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP, ISIN or other similar numbers to be printed on the Notes and the Trustee may use CUSIP, ISIN or other similar numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
