Item 1.01 Entry into a Material Definitive Agreement.*Notes Offering*

On June 15, 2021, Cinemark USA, Inc. (“Cinemark USA”), a wholly-owned subsidiary of Cinemark Holdings, Inc. (“Cinemark Holdings”), completed the offering (the “Offering”) of \$765 million aggregate principal amount of its 5.25% Senior Notes due 2028 (the “Notes”). The Notes were offered to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes and related guarantees have not been, and are not required to be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities or blue sky laws or foreign securities laws. The Notes were issued pursuant to an indenture (the “Indenture”) dated June 15, 2021 among Cinemark USA, certain subsidiary guarantors of Cinemark USA (the “Guarantors”) and Wells Fargo Bank, N.A., a national banking corporation, as trustee. The net proceeds from the Offering, together with cash on hand, will be used to redeem all of Cinemark USA’s outstanding 4.875% Senior Notes due 2023 and to pay fees and expenses related to the Offering and the Redemption (as defined below).

Cinemark USA’s obligations under the Notes are fully and unconditionally guaranteed on a joint and several senior unsecured basis by the Guarantors that guarantee, assume or in any other manner become liable with respect to any indebtedness of Cinemark USA or any Guarantor. If Cinemark USA cannot make payments on the Notes when they are due, the Guarantors must make them instead.

The Notes and the guarantees will be Cinemark USA’s and the Guarantors’ senior unsecured obligations and (i) rank equally in right of payment to Cinemark USA’s and the Guarantors’ existing and future senior debt, including borrowings under Cinemark USA’s Credit Agreement (as defined below) and Cinemark USA’s existing senior notes, (ii) rank senior in right of payment to Cinemark USA’s and the Guarantors’ future subordinated debt, (iii) are effectively subordinated to all of Cinemark USA’s and the Guarantors’ existing and future secured debt, including all obligations under Cinemark USA’s Credit Agreement and Cinemark USA’s 8.750% senior secured notes due 2025, in each case to the extent of the value of the collateral securing such debt, (iv) are structurally subordinated to all existing and future debt and other liabilities of Cinemark USA’s non-guarantor subsidiaries, and (v) are structurally senior to the 4.50% convertible senior notes due 2025 issued by Cinemark Holdings.

The Notes will mature on June 15, 2028. Pursuant to the Indenture, interest on the Notes accrues at a rate of 5.25% per annum and is payable semi-annually in arrears on January 15 and July 15 of each year, beginning on January 15, 2022.

Cinemark USA has the option to redeem all or a part of the Notes at any time on or after July 15, 2024 at redemption prices specified in the Indenture. In addition, prior to July 15, 2024, Cinemark USA may redeem up to 40% of the aggregate principal amount of Notes with funds in an amount equal to the net proceeds of certain equity offerings at a redemption price equal to 105.250% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, so long as at least 60% of the principal amount of the Notes issued under the Indenture (including any additional notes) remains outstanding immediately after each such redemption. Prior to July 15, 2024, Cinemark USA has the option to redeem all or any portion of the Notes at a price equal to 100% of the principal amount, plus accrued and unpaid interest on the Notes, if any, plus a make-whole premium.

The Indenture limits Cinemark USA’s ability and the ability of its restricted subsidiaries to, among other things: (i) incur or guarantee additional indebtedness; (ii) pay dividends or distributions on, or redeem or repurchase, capital stock and make other restricted payments; (iii) make certain investments; (iv) engage in certain transactions with affiliates; (v) grant or assume certain liens; and (vi) consolidate, merge or transfer all or substantially all of their assets. These covenants are subject to a number of important qualifications and exceptions as described in the Indenture. Additionally, upon the occurrence of a Change of Control Triggering Event (as defined in the Indenture), Cinemark USA must offer to repurchase all of the Notes for a cash payment equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, thereon to the repurchase date. The Indenture also provides for customary events of default.

The foregoing description of the Indenture is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K (this “Report”) and is incorporated by reference herein.

Ninth Amendment to Credit Agreement

On June 15, 2021, Cinemark Holdings entered into the Ninth Amendment (the “Amendment”), which amended and modified the Amended and Restated Credit Agreement dated as of December 18, 2012, among Cinemark Holdings, Cinemark USA, the several banks and other financial institutions party thereto, Barclays Bank PLC, as administrative agent, and the other agents party thereto (as amended, supplemented or otherwise modified, the “Credit Agreement”) to, among other things, extend the revolving credit termination date from November 28, 2022 to November 28, 2024.

The description of the Amendment herein is qualified in its entirety by reference to the full text of the Amendment, a copy of which is attached as Exhibit 10.1 to this Report and incorporated by reference herein.

Item 1.02 Termination of a Material Definitive Agreement.

On May 21, 2021, Wells Fargo Bank, N.A., as trustee for the 4.875% Notes (as defined below) (the “Trustee”), sent a conditional notice of optional redemption on behalf of Cinemark USA to the holders of the 4.875% Notes, electing to redeem (the “Redemption”) \$755,000,000 in aggregate principal amount of Cinemark USA’s outstanding 4.875% Senior Notes due 2023 (the “4.875% Notes”), which represents all 4.875% Notes that will be outstanding as of the Redemption Date (as defined below). In connection therewith, on June 15, 2021, Cinemark USA deposited with the Trustee funds sufficient to redeem all 4.875% Notes outstanding on June 21, 2021 (the “Redemption Date”). The redemption payment (the “Redemption Payment”) included approximately \$755,000,000 of outstanding principal at the redemption price equal to 100.000% of the principal amount plus accrued and unpaid interest thereon to the Redemption Date. Upon deposit of the Redemption Payment with the Trustee on June 15, 2021, the indenture governing the 4.875% Notes was fully satisfied and discharged. The 4.875% Notes, which bore interest at 4.875% per year, were scheduled to mature on June 1, 2023.

and, in each such case set forth in this Section 2.06(d)(ii), if the Registrar and the Company request or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of this Section 2.06(d)(ii), the Trustee shall cancel such Restricted Definitive Note and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

(iv) Transfer or Exchange of Unrestricted Definitive Notes to Beneficial Interests in Restricted Global Notes Prohibited An Unrestricted Definitive Note may not be exchanged for, or transferred to Persons who take delivery thereof in the form of, beneficial interests in a Restricted Global Note.

(v) Issuance of Unrestricted Global Notes If any such exchange or transfer from a Definitive Note to a beneficial interest in an Unrestricted Global Note is effected pursuant to subparagraphs (ii)(B), (ii)(D) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 or in accordance with a previously delivered Authentication Order, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by such Holder's attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(i) Restricted Definitive Notes to Restricted Definitive Notes Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer shall be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(B) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of this Section 2.06(e)(ii), the Trustee shall cancel the prior Restricted Definitive Note and the Company shall execute, and, upon receipt of an Authentication Order in accordance with Section 2.02 or in accordance with a previously delivered Authentication Order, the Trustee shall authenticate and deliver to the Person designated in the instructions an Unrestricted Definitive Note in the appropriate principal amount.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Company's order.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.14 and 9.04).

(iii) The Registrar shall not be required to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company and the Registrar shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) The Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) Subject to compliance with any applicable additional requirements contained in this Article, when a Note is presented to the Registrar with a request to register a transfer thereof or to exchange such Note for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested; *provided, however*, that every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by an assignment form and, if applicable, a transfer certificate, each in the form included in Exhibit A attached hereto and in form satisfactory to the Registrar and each duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registration of transfers and exchanges, upon surrender of any Note for registration of transfer or exchange at an office or agency maintained for such purpose pursuant to Section 2.03, the Company shall execute, and the Trustee shall authenticate, Notes of a like aggregate principal amount at the Registrar's request.

(x) Any Registrar appointed pursuant to Section 2.03 shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes upon transfer or exchange of Notes.

(xi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or other beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xii) None of the Company, the Trustee or any Paying Agent shall have any responsibility or liability for any aspect of the records relating to, or payments made on account of or transfers of, beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(xiii) None of the Company, the Trustee or the Registrar shall have any liability for any acts or omissions of the Depositary, for any Depositary records of beneficial interests, for any transaction between the Depositary or any Participant and/or beneficial owners, for any transfers of beneficial interests in the Notes, or in respect of any transfers effected by the Depositary or by any Participant or any beneficial owner of any interest in any Notes held through any such Participant.

SECTION 2.07. Replacement Notes. If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order or in accordance with a previously delivered Authentication Order, shall authenticate a replacement Note if the Company's and the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge for their expenses in replacing a Note.

Every replacement Note issued in accordance with this Section 2.07 is an additional obligation of the Company and any other obligor upon the Notes and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.11. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose canceled Notes in accordance with customary practices (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes shall be delivered to the Company from time to time upon written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than ten days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall send or cause to be sent to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

SECTION 2.13. Issuance of Additional Notes.

The Company shall be entitled, subject to its compliance with Section 4.09, to issue Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date, other than with respect to the date of issuance and issue price and, if applicable, the first payment of interest; *provided* that if any such Additional Notes are not fungible with the Initial Notes for United States federal income tax purposes, such Additional Notes will be issued under a separate CUSIP number.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (b) the issue price, the issue date and the CUSIP number and corresponding ISIN of such Additional Notes; and
- (c) whether such Additional Notes shall be issued in the form of Initial Notes as set forth in Exhibit A to this Indenture.

SECTION 2.14. One Class of Securities.

The Initial Notes issued on the Issue Date and any Additional Notes shall be treated as a single class for all purposes under this Indenture.

SECTION 2.15. CUSIP, ISIN or Other Similar Numbers.

The Company in issuing the Notes may use “CUSIP,” “ISIN” or other similar numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP,” “ISIN” or other similar numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the “CUSIP,” “ISIN” or other similar numbers.

ARTICLE 3.**REDEMPTION AND PREPAYMENT**

SECTION 3.01. Notices to Trustee. If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, the Company shall furnish to the Trustee, at least ten days but not more than 60 days (unless a shorter period is acceptable to the Trustee) before a redemption date, an Officers’ Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price (expressed as a percentage or principal amount).

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select the Notes to be redeemed or purchased on a pro rata basis (and in the case of Global Notes, subject to the applicable procedures of the Depositary), by lot, at random or in accordance with any other method the Trustee shall deem fair and appropriate; *provided* that no Notes of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption by lot or at random, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than ten nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not in a minimum amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. (a) At least ten days but not more than 60 days before a redemption date, the Company shall send (or provide in accordance with the applicable procedures of DTC) a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent (or provided in accordance with the applicable procedures of DTC) more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (vi) that, unless the Company defaults in making such redemption payment, or conditions to such redemption, if any, described in the notice of redemption have not been satisfied, the interest, if any, on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and
- (ix) any conditions precedent.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense *provided, however*, that the Company shall have delivered to the Trustee, at least ten days prior to the redemption date (unless a shorter period is acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a).

SECTION 3.04. Effect of Notice of Redemption. Subject to the satisfaction of any conditions to such redemption, once the notice of redemption is sent in accordance with Section 3.03, Notes called for redemption shall become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional, except as provided for in Section 3.07(d).

SECTION 3.05. Deposit of Redemption Price. (a) Prior to 11:00 a.m. New York City time on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest, if any, on all Notes to be redeemed on that date. Subject to applicable abandoned property laws, the Trustee or the Paying Agent shall promptly, upon request, return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

(b) Unless the Company defaults in paying the redemption price, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a record date but on or prior to the related interest payment date, then any accrued and unpaid interest, if any, shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Optional Redemption. Except as described in this Section 3.07 and in Section 4.14(d), the Notes will not be redeemable at the Company's option prior to July 15, 2024.

(a) At any time prior to July 15, 2024, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 105.250% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date, with funds in an amount equal to the net cash proceeds of one or more Equity Offerings by the Company, *provided that*:

(i) at least 60% of the principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after July 15, 2024, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on July 15 of the years indicated below:

(c) At any time and from time to time prior to July 15, 2024, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. With respect to any such redemption, the Company shall notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and the Trustee shall not be responsible for such calculation.

(d) Notice of any redemption or purchase of the notes (including upon an Equity Offering or debt incurrence or in connection with a transaction (or series of related transactions) that constitute a Change of Control Triggering Event) may, at the Company's discretion, be given prior to the completion of such transaction and may be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering, debt incurrence or Change of Control Triggering Event. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption or purchase date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption or purchase date, or by the redemption or purchase date so delayed. In addition, the Company may provide in such notice that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person.

SECTION 3.08. Mandatory Redemption.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4.

COVENANTS

SECTION 4.01. Payment of Notes. The Company shall pay or cause to be paid the principal of or premium, if any, or interest on the Notes on the dates, at the location and in the manner provided in the Notes and this Indenture. Principal, premium, if any, interest, if any, shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal of or premium, if any, or interest on the Notes then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the then applicable interest rate on the Notes; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any, (without regard to any applicable grace period) from time to time on demand at the same rate to the extent lawful.

The Company shall make all interest, premium, if any, and principal payments by wire transfer of immediately available funds to any Holder who shall have given written directions to the Company or the Paying Agent to make such payments by wire transfer pursuant to the wire transfer instructions supplied to the Company or the Paying Agent by such Holder on or prior to the applicable record date. All other payments on Notes will be made at the office or agency of the Paying Agent and Registrar within the City and State of New York unless the Company elects to make interest payments by check mailed to the Holders at their address set forth in the register of Holders.

SECTION 4.02. Maintenance of Office or Agency. The Company shall maintain in the Borough of Manhattan, The City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the

location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the New York Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

SECTION 4.03. Reports. (a) Whether or not required by the Commission, so long as any Notes are outstanding, the Company shall furnish to the Trustee and the Holders of Notes, within the time periods specified in the Commission's rules and regulations (including all applicable extensions):

(i) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Company's independent auditors; and

(ii) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports,

provided, however, that (i) in no event shall such financial statements or reports be required to comply with Rules 3-09, 3-10, 13-01 or 13-02 of Regulation S-X promulgated by the Commission (or such other rule or regulation that amends, supplements or replaces such Rules 3-09, 3-10, 13-01 or 13-02) and (ii) in no event shall such financial statements or reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the Commission with respect to any non-GAAP financial measures contained therein.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by Section 4.03(a) shall include, on the face of the financial statements or in the footnotes thereto, or in "Management's Discussion and Analysis of Financial Condition and Results of Operations" or comparable sections, information sufficient to ascertain the financial condition and results of operations of the Company and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries, to the extent such information has not been filed with the Commission.

(c) In addition, for so long as any Notes remain outstanding, the Company shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(d) The Company shall be deemed to have furnished such reports to the Trustee and the Holders if it has filed such reports with the Commission using the EDGAR filing system and such reports are publicly available.

(e) Notwithstanding anything herein to the contrary, the Company shall be deemed not to have failed to comply with any of its obligations hereunder for purposes of clause (v) under Section 6.01 until 120 days after the date any report hereunder is required to be made available to the Trustee and the Holders pursuant to this Section 4.03.

(f) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's and the Guarantors' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee shall have no duty or responsibility to review such reports, information or documents or to determine whether or not such reports have been filed with the Commission.

SECTION 4.04. Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year of the Company, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all material taxes, assessments, and governmental charges levied or imposed upon the Company or any Subsidiary or upon the income, profits or property of the Company or any Subsidiary, except such as are contested in good faith and by appropriate proceedings or where the failure to pay or discharge the same would not have a material adverse effect on the ability of the Company to perform its obligations under the Notes or this Indenture.

SECTION 4.06. Stay, Extension and Usury Laws. The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Restricted Payments. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(xvii) restrictions or conditions of the types contained in clause (iii) of Section 4.08(a) contained in any operating, construction, service, supply, purchase or other agreement to which the Company or any Restricted Subsidiary is a party entered into in the ordinary course of business; *provided* that such agreement limits the encumbrance solely to the property or assets of the Company or such Restricted Subsidiary that is the subject of such agreement, the payment rights arising thereunder and the proceeds thereof and does not extend to any other asset or property of such Restricted Subsidiary or the assets or property of the Company or any other Restricted Subsidiary.

(c) In each case set forth in this Section 4.08, notwithstanding any stated limitation on the assets or property that may be subject to such encumbrance or restriction, an encumbrance or restriction on a specified asset or property or group or type of assets or property may also apply to all improvements, additions and accessions thereto, assets and property affixed or appurtenant thereto, and all products and proceeds thereof, including dividends, distributions, interest and increases in respect thereof.

SECTION 4.09. Incurrence of Indebtedness and Issuance of Preferred Stock. (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “incur”) any Indebtedness (including Acquired Debt), and the Company shall not issue any Disqualified Stock and shall not permit any of its Restricted Subsidiaries to issue any Disqualified Stock or shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt), issue shares of Disqualified Stock and issue shares of preferred stock, if the Fixed Charge Coverage Ratio for the Company’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or Disqualified Stock or preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.09(a) shall not prohibit:

(i) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness and letters of credit under one or more Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (i) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries thereunder) not to exceed \$1,700.0 million;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (other than Indebtedness described in clauses (i), (iii) and (xviii) of this Section 4.09(b));

(iii) the incurrence by the Company and any Guarantor of Indebtedness represented by the Notes (other than Additional Notes) and any Subsidiary Guarantees of the foregoing;

(iv) (a) Indebtedness constituting Finance Lease Obligations and (b) Indebtedness, Disqualified Stock and preferred stock incurred by the Company or any of its Restricted Subsidiaries to finance the purchase, lease, improvement, remodeling or refurbishing of property (real or personal) or equipment that is used or useful in a Permitted Business (but excluding the purchase of Capital Stock of any Person), *provided* that the aggregate amount of Indebtedness, Disqualified Stock and preferred stock incurred pursuant to this clause (iv)(b) does not exceed 15.0% of Consolidated Net Tangible Assets (determined as of the time of such incurrence) at any time outstanding;

(v) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under this clause (v), Section 4.09(a) or clauses (ii), (iii), (iv), (x) or (xvi) of this Section 4.09(b) and related interest, premiums, fees and other Obligations;

(vi) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness, Disqualified Stock or preferred stock between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or any Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Subsidiary Guarantee, in the case of a Guarantor; and

(B) (1) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness, Disqualified Stock or preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company and (2) any sale or other transfer of any such Indebtedness, Disqualified Stock or preferred stock (but for the avoidance of doubt excluding the grant of a Permitted Lien thereon) to a Person that is neither the Company nor a Restricted Subsidiary of the Company shall be deemed, in each case under this clause (vi)(B), to constitute an incurrence of such Indebtedness, Disqualified Stock or preferred stock by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (vi);

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations;

(viii) the Guarantee by the Company or a Restricted Subsidiary of the Company of Indebtedness of the Company or a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.09; *provided* that in the event such Indebtedness that is being guaranteed is (a) *pari passu* with the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall rank equally in right of payment to the Notes or Subsidiary Guarantee, as the case may be, or (b) subordinated to the Notes or a Subsidiary Guarantee, as the case may be, then the related Guarantee shall be subordinated in right of payment to the Notes or such Subsidiary Guarantee, as the case may be;

(ix) the accrual of interest or dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock and the incurrence of unrealized losses or charges in respect of Hedging Obligations (including those resulting from the application of ASC Topic 815 and similar provisions), in each case will be deemed not to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this covenant;

(x) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or other similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or a Restricted Subsidiary, other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Restricted Subsidiary for the purpose of financing such acquisition; *provided* that the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the fair market value of the consideration actually received (or, in the case of an acquisition, paid) by the Company and its Restricted Subsidiaries in connection with such transaction;

(xi) Indebtedness supported by one or more letters of credit incurred under a Credit Facility in accordance with and pursuant to clause (i) of this Section 4.09(b); *provided* the amount of Indebtedness permitted to be incurred under this clause (xi) relating to any such letter of credit shall not exceed the amount of the letter of credit provided for therein; *provided, further*, that upon any reduction, cancellation or termination of the applicable letter of credit, there shall be deemed to be an incurrence of Indebtedness under this Indenture equal to the excess of the amount of such Indebtedness outstanding immediately after such reduction, cancellation or termination over the remaining stated amount, if any, of such letter of credit or the stated amount of any letter of credit issued in replacement of such letter of credit;

(xii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within ten Business Days of incurrence;

(xiii) Indebtedness represented by property, liability and workers' compensation insurance, completion guarantees, performance bonds *provided* that to the extent that such performance bonds secure Indebtedness, such Indebtedness is otherwise permitted under this Section 4.09), surety bonds, appeal bonds and other obligations (which, in each case, may be in the form of or secured by letters of credit), in each case required or incurred in the ordinary course of business or in connection with the enforcement of rights or claims of the Company or any Restricted Subsidiary of the Company or in connection with judgments that do not result in a Default or an Event of Default and all reimbursement obligations under such letters of credit;

(xiv) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock in an aggregate principal amount (or accreted value or liquidation preference, as applicable) at any time outstanding not to exceed \$600.0 million;

(xv) Construction Indebtedness and Permitted Refinancing Indebtedness incurred in respect thereof in an aggregate principal amount that does not exceed \$300.0 million at any time outstanding;

(xvi) Indebtedness, Disqualified Stock or preferred stock of (x) the Company or a Restricted Subsidiary incurred to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided* that after giving effect to such acquisition or merger, either

(A) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this Section 4.09, or

(B) the Fixed Charge Coverage Ratio is equal to or greater than such ratio immediately prior to such acquisition or merger;

(xvii) Indebtedness of the Company or any of its Restricted Subsidiaries to an Unrestricted Subsidiary for money borrowed; *provided* that such Indebtedness is subordinated in right of payment to the Notes or such Restricted Subsidiary's Subsidiary Guarantee, the Weighted Average Life to Maturity of such Indebtedness is greater than the Weighted Average Life to Maturity of the Notes and the holders of such Indebtedness are not permitted to accelerate such Indebtedness or exercise any other remedies with respect thereto until 91 days after the final Stated Maturity of the Notes; and

(xviii) Indebtedness incurred by the Company or any Restricted Subsidiary with respect to Digital Projector Financing in an aggregate principal amount incurred not to exceed (i) \$70.0 million during the period from June 9, 2009 to the first anniversary thereof; (ii) \$70.0 million during the period from the first anniversary of such date to the second anniversary of such date and (iii) \$60.0 million; *provided* that any unused or repaid amounts may be carried forward and used in subsequent periods without limitation.

(c) No Restricted Subsidiary of the Company that is not a Guarantor may incur any Indebtedness if the proceeds are used to refinance Indebtedness of the Company or a Guarantor (other than a refinancing of all the Notes).

(d) For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (including Acquired Debt) meets the criteria of more than one of the categories described in clauses (i) through (xviii) of Section 4.09(b), or is entitled to be incurred pursuant to Section 4.09(a), the Company shall be permitted to classify and divide and later classify, reclassify and divide (in whole or in part in its sole discretion) such item of Indebtedness in any manner that complies with this Section 4.09, *provided* that all Indebtedness outstanding on the Issue Date under the Credit Agreement

shall be deemed to have been incurred on the Issue Date pursuant to clause (i) of Section 4.09(b) and the Company shall not be permitted to later reclassify all or any portion of such Indebtedness outstanding on the Issue Date under the Credit Agreement. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or preferred stock of a Restricted Subsidiary that is not a Guarantor, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

(e) This Indenture does not treat (i) unsecured Indebtedness as subordinated to secured Indebtedness merely because it is unsecured, (ii) Senior Debt that is secured Indebtedness as subordinated to any other Senior Debt that is secured Indebtedness merely because it has a junior priority with respect to the same collateral, (iii) any Indebtedness as subordinated to any other Indebtedness merely because of maturity date, order of payment or order of application of funds or (iv) Indebtedness that is not Guaranteed as subordinated to Indebtedness that is Guaranteed merely because of such Guarantee.

SECTION 4.10. [RESERVED].

SECTION 4.11. Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of any Affiliate (each, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$25.0 million, unless:

(i) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not an Affiliate; and

(ii) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.11; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$75.0 million, a resolution of the Board of Directors of Cinemark Holdings, Inc. and the Company set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Cinemark Holdings, Inc. and the Company.

(b) The following items shall be deemed to not be Affiliate Transactions and, therefore, shall not be subject to the provisions of Section 4.11(a):

(i) any employment, consulting or similar agreement or other compensation arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business of the Company or such Restricted Subsidiary;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

-
- (iii) transactions with a Person that is an Affiliate of the Company solely because the Company owns an Equity Interest in, or controls, such Person;
- (iv) reasonable fees and expenses and compensation paid to, and indemnity provided on behalf of, officers, directors or employees of the Company or any Subsidiary as determined in good faith by the Board of Directors or senior management of the Company;
- (v) sales of Equity Interests (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights in connection therewith;
- (vi) Restricted Payments that are permitted by Section 4.07, Permitted Investments (other than pursuant to clause (iii) of such definition) and any transactions excluded from their or any component definitions;
- (vii) [RESERVED];
- (viii) transactions pursuant to any contract or agreement described in Item 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2020 (or incorporated by reference into Item 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2020 from Cinemark Holdings, Inc.'s definitive proxy statement or definitive information statement filed with the Commission on April 2, 2021), and the footnotes to the Company's financial statements contained in such Form 10-K, as in effect on the Issue Date, in each case as amended, modified or replaced from time to time so long as the amended, modified or new agreements, taken as a whole, are not materially less favorable to the Company and its Restricted Subsidiaries taken as a whole than those in effect on the Issue Date;
- (ix) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;
- (x) the pledge of Equity Interests of an Unrestricted Subsidiary to its lenders to support the Indebtedness of such Unrestricted Subsidiary owed to such lenders; and
- (xi) transactions in which the Company or any of its Restricted Subsidiaries delivers to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or such Restricted Subsidiary than those that would have reasonably been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis.

SECTION 4.12. Liens.

(a) The Company shall not and shall not permit any Guarantor to create, incur, assume or otherwise cause to become effective any Lien (other than Permitted Liens) of any kind securing Indebtedness upon any of their property or assets (including Capital Stock of Subsidiaries of the Company), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision is made to secure the Obligations due under this Indenture and the Notes or, in respect of any Lien on any Guarantor's property or assets, any Subsidiary Guarantee of such Guarantor, (i) in the case of Liens securing Indebtedness that is *pari passu* in right of payment with the Notes or any Subsidiary Guarantee, on an equal and ratable basis with (or, if the Company so elects, on a senior basis

to) the obligations so secured until such time as such obligations are no longer secured by a Lien and (ii) in the case of Liens securing Indebtedness that is expressly subordinated in right of payment to the Notes or any Subsidiary Guarantee, on a senior basis to the obligations so secured with the same relative priority as the Notes or such Subsidiary Guarantee, as the case may be, shall have to that subordinated Indebtedness until such time as such obligations are no longer secured by a Lien.

(b) Any Lien created for the benefit of Holders of the Notes pursuant to Section 4.12(a) shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) in Section 4.12(a).

SECTION 4.13. Corporate Existence. Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

SECTION 4.14. Offer to Repurchase upon Change of Control Triggering Event. (a) If a Change of Control Triggering Event occurs, the Company shall be required to make an offer (a "Change of Control Offer") to each Holder to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of that Holder's Notes on the terms set forth in this Indenture. In the Change of Control Offer, the Company shall offer a payment in cash (the "Change of Control Payment") equal to 101% of the principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase (a "Change of Control Payment Date"). Within 30 days following any Change of Control Triggering Event, the Company shall send (or provide in accordance with the applicable procedures of DTC) a notice to each Holder stating: (i) that the Change of Control Offer is being made pursuant to this Section 4.14 (and describing the transaction or transactions that constitute the Change of Control Triggering Event) and that all Notes tendered shall be accepted for payment; (ii) the purchase price and the Change of Control Payment Date, which shall be no earlier than ten days and no later than 60 days from the date such notice is sent; (iii) that any Note not tendered shall continue to accrue interest, if any; (iv) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest, if any, after the Change of Control Payment Date; (v) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date; (vi) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing its election to have the Notes purchased; and (vii) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(c) The Paying Agent shall promptly mail (or electronically deliver) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) If Holders of not less than 90% in aggregate principal amount of the then-outstanding Notes validly tender and do not withdraw such Notes in an offer to purchase the Notes upon a Change of Control Triggering Event and the Company, or any third party making such offer to purchase the Notes upon a Change of Control Triggering Event in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than ten nor more than 60 days' prior written notice, given not more than 15 days following the purchase date, to redeem the Notes that remain outstanding following such purchase at a redemption price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

(e) If the Change of Control Payment Date is on or after a record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Holder in whose name a note is registered at the close of business on such record date, and no other interest, if any, will be payable to Holders who tender pursuant to the Change of Control Offer.

(f) The Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or if an irrevocable notice of redemption has been given pursuant to this Indenture in accordance with the provisions set forth in Section 3.07 for all outstanding Notes.

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.14, the Company shall comply with the applicable securities laws and regulations and shall be deemed not to have breached its obligations under this Section 4.14 by virtue of its compliance with such securities laws or regulations.

SECTION 4.15. Future Guarantors.

If any Restricted Subsidiary of the Company that is not a Guarantor (the "New Guarantor") Guarantees, assumes or in any other manner becomes liable with respect to any Indebtedness of the Company or any Guarantor (the "Other Indebtedness"), then the Company shall and shall cause the New Guarantor to, within ten Business Days of the date of the New Guarantor's Guarantee or assumption of

the Other Indebtedness, execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D attached hereto pursuant to which the New Guarantor shall become a Guarantor and Guarantee the obligations of the Company under this Indenture and the Notes on a senior unsecured basis. Upon the release, termination or satisfaction of the New Guarantor's Guarantee or assumption of all Other Indebtedness (other than a release, termination or satisfaction as a result of payment under such Guarantee), the New Guarantor's Subsidiary Guarantee shall automatically be released and terminated. Upon request of the New Guarantor, the Trustee shall provide written evidence of such release and termination. The Subsidiary Guarantee of any Guarantor that is not a New Guarantor shall be released and terminated upon written notice from the Company to the Trustee if, at the time of such notice, such Restricted Subsidiary would have no obligation to become a Guarantor under this covenant. The Subsidiary Guarantee of any Guarantor will also be released in other circumstances in accordance with Article 11 hereof.

SECTION 4.16. Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary properly designated shall be deemed to be an Investment made as of the time of the designation and shall reduce the amount available for Restricted Payments or Permitted Investments, as determined by the Company. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if the redesignation would not cause a Default.

ARTICLE 5.

SUCCESSORS

SECTION 5.01. Merger, Consolidation or Sale of Assets. (a) The Company may not, directly or indirectly, in one or more related transactions:

(1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Restricted Subsidiaries, taken as a whole, to another Person; unless:

(i) either: (a) the Company is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, limited liability company or partnership organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided* that if the Person is a partnership or limited liability company, a corporation wholly owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and shall not have any material assets or operations shall promptly thereafter become a co-issuer of the Notes pursuant to a supplemental indenture;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made expressly assumes all the obligations of the Company under the Notes and this Indenture pursuant to a supplemental indenture or other agreement;

(iii) immediately after such transaction no Default or Event of Default exists;

(iv) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made shall, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (a) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) or (b) have a Fixed Charge Coverage Ratio equal to or greater than the Fixed Charge Coverage Ratio of the Company immediately prior to such transaction; and

(v) if the Company is not the surviving corporation, each Guarantor (unless it is the other party to the transactions above, in which case clause (ii) shall apply) shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations in respect of the Notes and this Indenture.

(b) In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(c) Notwithstanding clause (iv) of Section 5.01(a), any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company or any Guarantor.

(d) Unless such consolidation, merger, sale, assignment, transfer, conveyance or other disposition or a contemporaneous event or circumstance, or a series of contemporaneous events or circumstances, results in the release of the Subsidiary Guarantee of such Guarantor pursuant to and in compliance with the terms of this Indenture, the Company will not permit any Guarantor, directly or indirectly, in one or more related transactions to: (1) consolidate or merge with or into another Person (whether or not the Guarantor is the surviving entity); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, taken as a whole, to another Person (other than to the Company or another Guarantor); unless:

(i) either: (a) the Guarantor is the surviving entity; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, limited liability company or partnership organized or existing under the laws of the United States, any state of the United States, the District of Columbia or the jurisdiction where such Guarantor was organized;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made expressly assumes all the obligations of the Guarantor under the Notes and this Indenture pursuant to a supplemental indenture or other agreement; and

(iii) immediately after such transaction no Default or Event of Default exists.

SECTION 5.02. Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01(a) hereof, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, *provided, however*, that the

predecessor company shall not be relieved from the obligation to pay the principal of and interest on the Notes (and its obligations to the Trustee pursuant to Section 7.06) except in the case of a sale or other disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries taken as a whole that meets the requirements of Section 5.01 hereof.

ARTICLE 6.

 - (iii) the Company or any of its Restricted Subsidiaries fails to comply with any of the provisions of Section 5.01;

 - (v) the Company or any of its Restricted Subsidiaries fails to observe or perform any of the other agreements in this Indenture for 60 days after receipt by the Company of written notice from the Trustee or the Holders of not less than 25% in principal amount of the Notes;
 - (vi) a default by the Company or any of its Restricted Subsidiaries occurs under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries) whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay principal on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “Payment Default”); or
 - (b) results in the acceleration of such Indebtedness prior to its express maturity,
- and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;
- (vii) a final non-appealable judgment or judgments for the payment of money are entered by a court or courts of competent jurisdiction against the Company or any of its Restricted Subsidiaries and such judgment or judgments remain unpaid or undischarged for a period (during which execution shall not be effectively stayed) of 60 days; *provided* that the aggregate of all such undischarged judgments exceeds \$50.0 million (net of any amount with respect to which a reputable and solvent insurance company has acknowledged liability in writing);
 - (viii) except as permitted by this Indenture, any Subsidiary Guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Subsidiary Guarantee;

(ix) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, pursuant to or within the meaning of Bankruptcy Law:

- (a) commences a voluntary case;
- (b) consents to the entry of an order for relief against it in an involuntary case;
- (c) consents to the appointment of a Custodian of it or for all or substantially all of its property;
- (d) makes a general assignment for the benefit of its creditors; or
- (e) generally is not paying its debts as they become due; or
- (x) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, in an involuntary case;

(b) appoints a Custodian of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, for all or substantially all of the property of the Company or such Subsidiary; or

(c) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary;

and in each case the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 6.02. Acceleration. (a) In the case of an Event of Default arising from clause (ix) or (x) of Section 6.01 with respect to the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the principal of, premium, if any, and accrued and unpaid interest, if any, shall become due and payable immediately. The Trustee has no duty or obligation to determine whether an Event of Default has occurred as a result of the events described above and shall have notice of such events only in accordance with Section 7.02(i) herein.

Notwithstanding the foregoing, if an Event of Default specified in clause (vi) of Section 6.01 shall have occurred and be continuing, such Event of Default and any consequential acceleration shall be automatically rescinded if (i) the Indebtedness that is the subject of such Event of Default has been repaid or (ii) if the default relating to such Indebtedness is waived or cured and if such Indebtedness has been accelerated, then the Holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness.

Any such declaration with respect to the Notes may be rescinded and annulled by the Holders of a majority in aggregate principal amount of the outstanding Notes by written notice to the Trustee if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default have been cured or waived except nonpayment of principal of or interest on the Notes that has become due solely by such declaration of acceleration, (iii) to the extent the payment of such interest is lawful, interest (at the same rate specified in the Notes) on overdue installments of interest and overdue payments of principal, which has become due otherwise than by such declaration of acceleration, has been paid, (iv) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances and (v) in the event of the cure or waiver of a Default or Event of Default of the type described in clauses (ix) and (x) of Section 6.01 the Trustee has received an Officers' Certificate and Opinion of Counsel that such Default or Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

(b) Any notice of an Event of Default, notice of acceleration or instruction to the Trustee to provide a notice of an Event of Default, notice of acceleration or take any other action (a "Noteholder Direction") provided by any one or more Holders (other than a Regulated Bank) (each a "Directing Holder") must be accompanied by a written representation from each such Directing Holder delivered to the Company and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a "Position Representation"), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of an Event of Default (a "Default Direction") shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder is deemed, at the time of providing a Noteholder Direction, to covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Holder's Position Representation within five Business Days of request therefor (a "Verification Covenant"). Notwithstanding anything to the contrary, in any case in which the Directing Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee, and such beneficial owner shall provide proof of its holdings in a manner reasonably satisfactory to the Company.

(c) If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officers' Certificate stating that the Company has initiated litigation ("Litigation") in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Default or Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default or Event of Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter (a "Final Decision"). Once such Officers' Certificate has been provided to the Trustee, the Trustee shall take no further action pursuant to the related Noteholder Direction until it has received written notice from the Company of a Final Decision. The Company shall promptly deliver a subsequent officers' certificate to the trustee upon receipt of a Final Decision. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company provides to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant (a "Verification Covenant Officers' Certificate"), the cure period with respect to such Default or Event of Default shall be automatically stayed and the cure period with respect to any

Default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant, and, subject to Section 6.02(d), the Trustee shall take no further action pursuant to the related Noteholder Direction until the Company provides a subsequent Officers' Certificate to the Trustee that such Verification Covenant has been satisfied (a "Covenant Satisfaction Officers' Certificate"). The Company shall promptly deliver a Covenant Satisfaction Officers' Certificate following satisfaction by the applicable Directing Holder of its Verification Covenant.

(d) Any breach of the Position Representation (as evidenced by the delivery to the Trustee of an Officers' Certificate stating that (i) a Final Decision has been entered determining that a Directing Holder breached its Position Representation or (ii) a Directing Holder has failed to satisfy its Verification Covenant within a period of 15 Business Days from the delivery of a request thereunder) shall result in such Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, any related acceleration shall be voided, and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

(e) Notwithstanding anything in Section 6.02(c) or Section 6.02(d) to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with Section 6.02(b), Section 6.02(c) or Section 6.02(d). In addition, for the avoidance of doubt, Section 6.02(b), Section 6.02(c) and Section 6.02(d) shall not apply to any Holder that is a Regulated Bank.

(f) For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officers' Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise shall have no obligation to monitor or to determine whether a Holder is Net Short and can conclusively rely on a Directing Holder's Position Representation, the Officers' Certificates delivered to it by the Company and the determinations made by a court of competent jurisdiction and shall have no liability to the Company, any Holder, or any Person for ceasing to take any action, staying any remedy or otherwise failing to act in accordance with a Noteholder Direction during the pendency of Litigation or a Noteholder Direction after a Verification Covenant Officers' Certificate has been provided to it but prior to receipt of a Covenant Satisfaction Officers' Certificate. The Trustee shall have no liability or responsibility to the Company, any Holder or any other Person in connection with any Noteholder Direction or to determine whether or not any Holder has delivered a Position Representation or that such Position Representation conforms with this Indenture or any other agreement. The Trustee will treat all Holders equally with respect to their rights under this Section 6.02. In connection with the requisite percentages required pursuant to Section 6.01 and this Section 6.02, the Trustee will treat all outstanding Notes equally irrespective of any Position Representation in determining whether the requisite percentage has been obtained with respect to the initial delivery of the Noteholder Direction.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal amount, premium on, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Sections 2.09, 6.07 and 9.02, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium on, or interest on the Notes (including in connection with an offer to purchase); *provided, however*, that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits. A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal amount, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(i) or (ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal amount of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. After an Event of Default, any money or other property distributable in respect of the Company's obligations under this Indenture shall be paid in the following order:

First: to the Trustee (including any predecessor Trustee), their respective agents and attorneys for amounts due under Section 7.06, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal amount, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal amount, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct in writing.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7.

TRUSTEE

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) or (d) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee. (a) The Trustee may, in the absence of bad faith on its part, conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel selected by it and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company request or Company order and any resolution of the Company's Board of Directors may be sufficiently evidenced by a board resolution.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, to the extent necessary and consistent with each inquiry or investigation, the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(i) The Trustee shall not be deemed to have notice, nor shall it be charged with knowledge, of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of such Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(k) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles or officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) In no event shall the Trustee be responsible for liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with either the Company or any Guarantor or any Affiliate of the Company or any Guarantor with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any security for the payment of the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall send to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default relating to the payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

SECTION 7.06. Compensation and Indemnity. The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon written request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.06) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its own negligence or failure to act in good faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee and shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

To secure the Company's payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the resignation or removal of the Trustee, the satisfaction and discharge of this Indenture and the termination of this Indenture.

In addition and without prejudice to its rights hereunder, when the Trustee incurs expenses or renders services after an Event of Default specified in Sections 6.01(ix) or (x) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.07. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of Notes of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.09;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a Custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Note who has been a Holder of a Note for at least six months, fails to comply with Section 7.09, such Holder of a Note may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders of the Notes. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08. Successor Trustee by Merger, Etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act shall be the successor Trustee.

SECTION 7.09. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and (i) that has a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition, or (ii) that is a wholly owned subsidiary of a bank or bank holding company which has a consolidated net worth in excess of \$50 million.

ARTICLE 8.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04, the Company shall be deemed to have been discharged from all of its obligations with respect to all outstanding Notes and this Indenture and the Guarantors shall be deemed to have been discharged from their obligations with respect to their Subsidiary Guarantees and this Indenture on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same); *provided* that the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive

payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.05; (b) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust; (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Guarantor's obligations in connection therewith; and (d) this Article 8. Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

SECTION 8.03. Covenant Defeasance. Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the respective obligations of the Company and the Guarantors under (A) the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.11, 4.12, 4.13 (except clause (i) thereof with respect to the Company), 4.14, 4.15, 4.16, 5.01(a)(iv) and 5.01(d) and Article 11 and (B) the Subsidiary Guarantees, in each case shall be terminated on or after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant or agreement, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or agreement or by reason of any reference in any such covenant or agreement to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(iv) through 6.01(viii) shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient (in the case of non-callable Government Securities, in the opinion of a nationally recognized firm of independent public accountants or the Company's chief financial officer) to pay the principal of, and interest, premium, if any, on the outstanding Notes on their Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders and beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel confirming that the Holders and beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the incurrence of Indebtedness all or a portion of the proceeds of which shall be used to defease the Notes pursuant to this Article 8 concurrently with such incurrence and the granting of Liens in connection therewith);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(f) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, assuming that no intervening bankruptcy of the Company between the date of the deposit and the 91st day following the deposit will occur and that no Holder of Notes is an insider of the Company under applicable bankruptcy law, no trust funds will be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and

(h) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions

Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal or premium, if any, or interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the case of non-callable Government Securities in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (or, if a nationally recognized firm of independent public

accountants declines to issue such opinion after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer), (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to the Company. Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or premium, if any, or interest on the Notes and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as a creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and any Guarantor's obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Company has made any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees, without the consent of any Holder of a Note, to:

- (a) cure any ambiguity, defect or inconsistency;
- (b) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (c) provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's assets or a Guarantor;
- (d) make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

-
- (e) provide for the issuance of Additional Notes in accordance with the provisions set forth in this Indenture;
 - (f) add Subsidiary Guarantees with respect to the Notes or to secure the Notes or the Subsidiary Guarantees;
 - (g) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof; or
 - (h) conform the text of the Notes, the Subsidiary Guarantees or this Indenture to any provision of the “Description of Notes” section contained in the Offering Memorandum to the extent that such provision in such “Description of Notes” section was intended to be a verbatim recitation of a provision of the Notes, the Subsidiary Guarantee or this Indenture, which intent will be established by an Officers’ Certificate.

Subject to Section 9.05, upon the request of the Company authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. With Consent of Holders of Notes.

(a) Except as provided in Sections 9.02(b) and 9.02(c), the Company and the Trustee may amend or supplement this Indenture (including Section 4.14), the Notes and the Subsidiary Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of or premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Sections 2.08 and 2.09 shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

(b) Without the consent of each Holder affected, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the principal of or change the fixed maturity of any Note;
- (iii) reduce the rate of or change the time for payment of interest on any Note;
- (iv) waive a Default or Event of Default in the payment of principal of, or interest or premium on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

-
- (v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 3.07 (excluding for greater certainty any notice periods with respect to Notes that are otherwise redeemable);
 - (vi) make any Note payable in currency other than that stated in the Notes;
 - (vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium, if any, on the Notes;
 - (viii) waive a redemption payment with respect to any Note;
 - (ix) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
 - (x) release any Guarantor from any of its Obligations under its Subsidiary Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
 - (xi) make any change in the foregoing amendment and waiver provisions.

For avoidance of doubt, this Section 9.02(b) does not apply to Section 4.14, definitions and other provisions related thereto and payments required thereunder; *provided* that Section 4.14, definitions and other provisions related thereto and payments required thereunder shall be governed by Section 9.02(a).

(c) Subject to Section 9.05, upon the request of the Company accompanied by a resolution of the Board of Directors of the Company authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

SECTION 9.03. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

SECTION 9.04. Notice of Amendment; Notation on or Exchange of Notes. After any amendment under this Article becomes effective, the Company shall send to Holders of Notes a notice briefly describing such amendment. The failure to give such notice to all Holders of Notes, or any defect therein, shall not impair or affect the validity of an amendment under this Article.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.05. Trustee to Sign Amendments, Etc. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement, in the sole discretion of the Trustee, does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.03, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10.

SATISFACTION AND DISCHARGE

SECTION 10.01. Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect, except as to surviving rights of registration of transfer or exchange of the Notes, as to all Notes issued hereunder, when:

(a) either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the sending of a notice of redemption or otherwise or will become due and payable within one year or are to be called for redemption within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient (in the case of non-callable Government Securities, in the opinion of a nationally recognized firm of independent public accountants or the Company's chief financial officer) without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) no Default or Event of Default has occurred and is continuing on the date of the deposit or shall occur as a result of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith) and the deposit shall not result in a breach of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(c) the Company or any Guarantor has paid or caused to be paid all other sums payable by it under this Indenture; and

(d) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at their Stated Maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee each stating that all conditions precedent to the satisfaction and discharge have been complied with.

Upon discharge of this Indenture, the Subsidiary Guarantees will automatically terminate and cease to be of further effect.

SECTION 10.02. Deposited Cash and Government Securities. All cash and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 10.02, the "Trustee") pursuant to Section 10.01 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such cash and securities need not be segregated from other funds except to the extent required by law.

SECTION 10.03. Repayment to Company. Any cash or non-callable Government Securities deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder shall thereafter, as an unsecured creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such cash and securities, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such cash and securities remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such cash and securities then remaining shall be repaid to the Company.

SECTION 10.04. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Sections 10.01 and 10.02, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and any Guarantor's obligations under this Indenture and its Subsidiary Guarantee shall be revived and reinstated as though no deposit had occurred pursuant to Sections 10.01 and 10.02 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Sections 10.01 and 10.02, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest, if any, on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

SUBSIDIARY GUARANTEES

SECTION 11.01. Guarantee.

Subject to this Article 11, each of the Guarantors hereby, jointly and severally, fully, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this Subsidiary Guarantee is a general unsecured obligation of such Guarantor and it is a guarantee of payment and not a guarantee of collection.

Subject to this Article 11, the Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture. Each Guarantor hereby expressly waives all statutory suretyship defenses that it may waive under applicable law, including, without limitation, California Civil Code Section 2856.

Each Guarantor also agrees to pay, in addition to the amount stated above, any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 11.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by the Company or a Guarantor either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Subsidiary Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Subsidiary Guarantee.

Each Subsidiary Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company or any Guarantor for liquidation or reorganization, should the Company or any Guarantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's or any other Guarantor's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Subsidiary Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Subsidiary Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Subsidiary Guarantee issued by any Guarantor shall be a general unsecured senior obligation of such Guarantor and shall *bepari passu* in right of payment with all existing and future Senior Debt of such Guarantor, if any.

Each payment to be made by a Guarantor in respect of its Subsidiary Guarantee shall be made withoutset-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 11.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to such maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

SECTION 11.03. Execution and Delivery.

To evidence its Subsidiary Guarantee set forth in Section 11.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 and this Article 11, to the extent applicable.

SECTION 11.04. Successors and Assigns.

This Article 11 shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 11.05. No Waiver.

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

SECTION 11.06. Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.07. The provisions of this Section shall in no respect limit the obligations and liabilities of any Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 11.07. No Subrogation.

Notwithstanding any payment or payments made by any of the Guarantors hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or Guarantee or right of offset held by the Trustee or any Holder for the payment of the Obligations under this Indenture, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Obligations under this Indenture are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations under this Indenture shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Obligations under this Indenture.

SECTION 11.08. Guarantors May Consolidate, Etc., on Certain Terms.

Except as set forth in Articles 4 and 5, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor. Without limitation of the foregoing, the consolidation or merger of a Guarantor with or into another Person, or the sale, assignment, transfer, conveyance or other disposition of all or substantially all of the properties or assets of a Guarantor, taken as a whole, are subject to Section 5.01(d).

SECTION 11.09. Releases of Subsidiary Guarantee.

The Subsidiary Guarantee of a Guarantor will be automatically released and the Guarantor will be relieved of any obligations under the Notes and this Indenture:

(a) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale or other disposition complies with (or is excluded from) the applicable provisions of this Indenture;

(b) in connection with any sale, exchange or transfer of the Capital Stock of a Guarantor or a parent entity of such Guarantor, after which such Guarantor is no longer a Subsidiary of the Company, to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale, exchange or transfer is made in compliance with (or pursuant to an exclusion from) the applicable provisions of this Indenture;

(c) if the Company designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with Section 4.16;

(d) upon the satisfaction and discharge of this Indenture in accordance with Article 10 of this Indenture;

(e) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture;

(f) upon the Guarantor ceasing to Guarantee, assume or in any other manner be liable with respect to other Indebtedness of the Company or any other Guarantor; or

(g) upon consent by the requisite Holders in accordance with Section 9.02; or

(h) as provided in Section 4.15.

Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel both to the effect that all conditions precedent set forth in this Section 11.09 to the release of the Subsidiary Guarantee of a Guarantor have been satisfied, to the extent such conditions can be satisfied as of such date, the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Subsidiary Guarantee, to be effective upon the satisfaction of all such conditions precedent.

Any Guarantor not released from its obligations under its Subsidiary Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

5.25% Senior Notes due 2028

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Principal. Cinemark USA, Inc., a Texas corporation (the “Company”) promises to pay the principal of this Note on July 15, 2028.

2. Interest. The Company promises to pay interest on the principal amount of this Note at the rate of 5.25% per annum. Interest on the Notes will accrue at the rate of 5.25% per annum and the Company will pay interest semi-annually in arrears on January 15 and July 15 of each year, commencing [•] or if any such day is not a Business Day, on the next succeeding Business Day (each an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from [•]. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

3. Method of Payment. The Company shall pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on the January 1 or July 1 immediately preceding the Interest Payment Date (each, a “Record Date”), even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture. The Notes shall be payable as to principal or premium, if any, or interest at the office or agency of the Company maintained for such purpose within the City and State of New York (which may be an office of the Paying Agent), or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal or premium, if any, or interest on the Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to an account in the United States to the Company or the Paying Agent prior to the applicable Record Date. Such payment shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts.

4. Paying Agent and Registrar. Initially, Wells Fargo Bank, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company or any of its Restricted Subsidiaries may act in any such capacity.

5. Indenture. The Company issued the Notes under an Indenture, dated as of June 15, 2021 (as such may be amended or supplemented from time to time, the “Indenture”), among the Company, the Guarantors and the Trustee. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are obligations of the Company initially in the aggregate principal amount of \$765,000,000. Subject to compliance with Section 2.13 and Section 4.09 of the Indenture, the Company is permitted to issue Additional Notes under the Indenture in an unlimited principal amount. Any such Additional Notes that are actually issued shall be treated as issued and outstanding Notes (and of the same

class as the Initial Notes) for all purposes of the Indenture, unless the context clearly indicates otherwise. The Notes are Guaranteed by certain Subsidiaries of the Company pursuant to the Indenture.

6. Optional Redemption.

Except as described below, the Notes will not be redeemable at the Company's option prior to July 15, 2024.

(a) At any time prior to July 15, 2024, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) at a redemption price of 105.250% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date, with funds in an amount equal to the net cash proceeds of one or more Equity Offerings by the Company, *provided that*: (i) at least 60% of the principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or any of its Subsidiaries); and (ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) On and after July 15, 2024, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on July 15 of the years indicated below:

<u>YEAR</u>	<u>Percentage</u>
2024	102.625%
2025	101.313%
2026 and thereafter	100.000%

(c) At any time and from time to time prior to July 15, 2024, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of redemption need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

(d) Notice of any redemption or purchase of the notes (including upon an Equity Offering or debt incurrence or in connection with a transaction (or series of related transactions) that constitute a Change of Control Triggering Event) may, at the Company's discretion, be given prior to the completion of such transaction and may be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering, debt incurrence or Change of Control Triggering Event. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption or purchase date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption or purchase date, or by the redemption or purchase date so delayed. In addition, the Company may provide in such notice that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person.

(e) The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Repurchase at Option of Holder.

If a Change of Control Triggering Event occurs, the Company shall be required to make an offer to each Holder to repurchase all or any part (equal to \$1,000 in principal amount or an integral multiple thereof) of such Holder's Notes pursuant to the terms set forth in the Indenture (the "Change of Control Offer") at an offer price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of repurchase. Within 30 days following any Change of Control Triggering Event, the Company shall send a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

8. Notice of Redemption. Notice of redemption shall be sent (or provided in accordance with the applicable procedures of DTC) at least ten days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent (or provided in accordance with the applicable procedures of DTC) more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 aggregate principal amount may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed.

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a Record Date and the corresponding Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement and Waiver. The provisions governing amendment, supplement and waiver of any provision of the Indenture, the Notes and the Subsidiary Guarantees are set forth in Article 9 of the Indenture.

12. Defaults and Remedies. The Events of Default relating to the Notes are set forth in Section 6.01 of the Indenture.

13. Trustee Dealings with Company. Subject to Article 7 of the Indenture, the Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or any Guarantor under the Notes, the Indenture, any Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an Authenticating Agent.

16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= Note Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. CUSIP, ISIN or Other Similar Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP, ISIN or other similar numbers to be printed on the Notes and the Trustee may use CUSIP, ISIN or other similar numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

____ (the "Transferor") owns and proposes to transfer the Note[s] or interest in such Note[s] specified in Annex A hereto, in the principal amount of \$ ____ in such Note[s] or interests (the "Transfer"), to _____ (the "Transferee"), as further specified in Annex A hereto. In connection with the Transfer, the Transferor hereby certifies that:

1. ☐ CHECK IF TRANSFEREE WILL TAKE DELIVERY OF A BENEFICIAL INTEREST IN A 144A GLOBAL NOTE OR A DEFINITIVE NOTE PURSUANT TO RULE 144A. The Transfer is being effected pursuant to and in accordance with Rule 144A under the United States Securities Act of 1933, as amended (the "Securities Act"), and, accordingly, the Transferor hereby further certifies that the beneficial interest or Definitive Note is being transferred to a Person that the Transferor reasonably believed and believes is purchasing the beneficial interest or Definitive Note for its own account, or for one or more accounts with respect to which such Person exercises sole investment discretion, and such Person and each such account is a "qualified institutional buyer" within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A and such Transfer is in compliance with any applicable blue sky securities laws of any state of the United States. Upon consummation of the proposed Transfer in accordance with the terms of the Indenture, the transferred beneficial interest or Definitive Note will be subject to the restrictions on transfer enumerated in the Private Placement Legend printed on the 144A Global Note and/or the Definitive Note and in the Indenture and the Securities Act.

Upon consummation of the proposed transfer in accordance with the terms of the Indenture, the transferred beneficial interest or Definitive Note will be subject to the restrictions on Transfer enumerated in the Private Placement Legend printed on the Regulation S Global Note, the Temporary Regulation S Global Note and/or the Definitive Note and in the Indenture and the Securities Act.

3. ☐ CHECK AND COMPLETE IF TRANSFEREE WILL TAKE DELIVERY OF A DEFINITIVE NOTE PURSUANT TO ANY PROVISION OF THE SECURITIES ACT OTHER THAN RULE 144A OR REGULATION S. The Transfer is being effected in compliance with the transfer restrictions applicable to beneficial interests in Restricted Global Notes and Restricted Definitive Notes and pursuant to and in accordance with the Securities Act and any applicable blue sky securities laws of any state of the United States, and accordingly the Transferor hereby further certifies that (check one):

Unless otherwise specifically defined herein, each term used herein which is defined in the Credit Agreement has the meaning assigned to such term in the Credit Agreement.

RECITALS:

WHEREAS, the Borrower, the Lenders and others are party to the Credit Agreement.

WHEREAS, the Borrower has engaged Barclays Bank PLC (“**Barclays**”) to act as the sole lead arranger and sole bookrunner in structuring and facilitating this Amendment.

WHEREAS, in accordance with Section 2.27 of the Credit Agreement, the Borrower has requested, among other things, that Lenders agree to extend the Revolving Credit Termination Date applicable to the entire Revolving Credit Facility to November 28, 2024 (the Revolving Credit Facility as so extended, the “**Extended Revolving Credit Facility**”, the Revolving Credit Commitments thereunder, the “**Extended Revolving Credit Commitments**”, and the Revolving Credit Loans thereunder, the “**Extended Revolving Credit Loans**”).

WHEREAS, each Revolving Credit Lender executing a signature page hereto (an “**Extended Revolving Credit Lender**”) has agreed to so extend the Revolving Credit Termination Date as set forth herein, in each case subject to the agreements of the Borrower provided for herein.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION I. EFFECTIVE DATE AMENDMENTS TO CREDIT AGREEMENT

The Credit Agreement is hereby amended as follows:

(a) On and after the Effective Date (as defined in Section IV below), all references to (i) “Revolving Credit Commitments” shall be deemed to be references to the “Extended Revolving Credit Commitments”, (ii) “Revolving Credit Loans” shall be deemed to be references to the “Extended Revolving Credit Loans”, (iii) the “Revolving Credit Facility” shall be deemed to be references to the “Extended Revolving Credit Facility”, and (iv) the “Revolving Credit Lenders” shall be deemed to be references to the “Extended Revolving Credit Lenders”, in each case, with such changes as are set forth in this Amendment, except as the context may otherwise require.

(b) The definition of “Revolving Credit Termination Date” in Section 1.1 of the Credit Agreement is hereby amended by replacing “the fifth anniversary of the Sixth Amendment Effective Date” with “November 28, 2024”.

SECTION II. OTHER AMENDMENTS

If at some future date the Borrower requests and Required Lenders under the Credit Agreement consent to the amendments set forth in this Section II, then, effective upon the receipt by the Administrative Agent of written consent of Required Lenders:

(a) The Credit Agreement (excluding the schedules and exhibits thereto) shall be hereby amended in accordance with Exhibit A hereto by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and by inserting the double-underlined text (indicated textually in the same manner as the following example: double-underlined text), in each case in the place where such text appears therein.

(d) It is understood and agreed that (i) the Borrower, the Parent and each Lender party hereto consent to the amendments set forth in this Section II, (ii) the agreement of any other Lender to any amendment or modification of the Credit Agreement after the Effective Date shall automatically constitute the consent of such Lender to the amendments set forth in this Section II, (iii) the Borrower is not seeking the consent of Required Lenders in connection with this Amendment, and therefore the amendments set forth in this Section II will not become effective on the Effective Date, and (iv) the Borrower has not covenanted or agreed to, and has no obligation to, seek the consent of Lenders that are not parties hereto.

SECTION III. EXTENDED REVOLVING CREDIT FACILITY

SECTION 2. AMOUNT AND TERMS OF COMMITMENTS

2.1 Term Loan Commitments. Subject to the terms and conditions hereof, the Term Loan Lenders severally agree to (i) make term loans (each, a “Term Loan”) to the Borrower on the Restatement Closing Date and/or (ii) convert their Existing Term Loans into Term Loans by indicating such conversion on a cashless roll letter agreement to be delivered to the Administrative Agent on or prior to the Restatement Closing Date. For each Term Loan Lender, the sum of clause (i) and (ii) of this Section 2.1 shall be equal to the amount of the Term Loan Commitment of such Lender. All such conversions shall be deemed to be a part of borrowing of Term Loans on the Restatement Closing Date for all purposes hereunder. The Term Loans may from time to time be Eurodollar Loans or Base Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.11.

2.2 Procedure for Term Loan Borrowing. The Borrower shall deliver to the Administrative Agent a Borrowing Notice (which Borrowing Notice must be received by the Administrative Agent prior to 10:00 A.M., New York City time, at least one Business Day prior to the anticipated Restatement Closing Date) requesting that the Term Loan Lenders make the Term Loans to be made on the Restatement Closing Date. The Term Loans made on the Restatement Closing Date may be Base Rate Loans or Eurodollar Loans. Upon receipt of such Borrowing Notice the Administrative Agent shall promptly notify each Term Loan Lender thereof. Not later than 12:00 Noon, New York City time, on the Restatement Closing Date each Term Loan Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Term Loan or Term Loans to be made by such Lender. The Administrative Agent shall promptly make available to the Borrower the aggregate of the amounts made available to the Administrative Agent by the Term Loan Lenders, in like funds as received by the Administrative Agent.

2.3 Repayment of Term Loans. The Term Loan of each Term Loan Lender shall mature in consecutive quarterly installments, commencing on March 31, 2018, each of which shall be in an amount equal to such Lender’s Term Loan Percentage multiplied by the percentage set forth below opposite such installment of the aggregate Term Loans made on the Seventh Amendment Effective Date:

2.4 Revolving Credit Commitments. (a) (a) Subject to the terms and conditions hereof, the Revolving Credit Lenders severally agree to make revolving credit loans ("Revolving Credit Loans") to the Borrower from time to time during the Revolving Credit Commitment Period in an aggregate principal amount at any one time outstanding for each Revolving Credit Lender which, when added to such Lender's Revolving Credit Percentage of the L/C Obligations then outstanding does not exceed the amount of such Lender's Revolving Credit Commitment. During the Revolving Credit Commitment Period the Borrower may use the Revolving Credit Commitments by borrowing, prepaying the Revolving Credit Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Revolving Credit Loans may from time to time be Eurodollar Loans or Base Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.5 and 2.11, provided that no Revolving Credit Loan shall be made as a Eurodollar Loan after the day that is one month prior to the Revolving Credit Termination Date.

(b) The Borrower shall repay all outstanding Revolving Credit Loans on the Revolving Credit Termination Date.

2.5 Procedure for Revolving Credit Borrowing. The Borrower may borrow under the Revolving Credit Commitments on any Business Day during the Revolving Credit Commitment Period, provided that the Borrower shall deliver to the Administrative Agent a Borrowing Notice (which Borrowing Notice must be received by the Administrative Agent prior to 12:00 Noon, New York City time, (a) three Business Days prior to the requested Borrowing Date, in the case of Eurodollar Loans, or (b) one Business Day prior to the requested Borrowing Date, in the case of Base Rate Loans). Any Revolving Credit Loans made on the Restatement Closing Date shall initially be Base Rate Loans. Each borrowing of Revolving Credit Loans under the Revolving Credit Commitments shall be in an amount equal to (x) in the case of Base Rate Loans, \$1,000,000 or a whole multiple of \$200,000 in excess thereof (or, if the then

aggregate Available Revolving Credit Commitments are less than \$1,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$3,000,000 or a whole multiple of \$500,000 in excess thereof. Upon receipt of any such Borrowing Notice from the Borrower, the Administrative Agent shall promptly notify each Revolving Credit Lender thereof. Each Revolving Credit Lender will make its Revolving Credit Percentage of the amount of each borrowing of Revolving Credit Loans available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 12:00 Noon, New York City time, on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be promptly made available to the Borrower by the Administrative Agent crediting the account of the Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the Revolving Lenders and in like funds as received by the Administrative Agent.

2.6 Repayment of Loans; Evidence of Debt (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Revolving Credit Lender or Term Loan Lender, as the case may be, (i) the then unpaid principal amount of each Revolving Credit Loan of such Revolving Credit Lender on the Revolving Credit Termination Date (or on such earlier date on which (x) principal payments are required by Section 2.8 or 2.10 or (y) the Loans become due and payable pursuant to Section 8.1) and (ii) the principal amount of each Term Loan of such Term Loan Lender in installments according to the amortization schedule set forth in Section 2.3 (or on such earlier date on which (x) principal payments are required by Section 2.10 or (y) the Loans become due and payable pursuant to Section 8.1) which shall be applied pursuant to Section 2.16. The Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.13.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 10.6(d), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type of such Loan and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.6(b) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(e) The Borrower agrees that, upon the request to the Administrative Agent by any Lender, the Borrower will promptly execute and deliver to such Lender a promissory note of the Borrower evidencing any Term Loans or Revolving Credit Loans, as the case may be, of such Lender, substantially in the forms of Exhibit G-1 or G-2, respectively (a “Term Note” or “Revolving Credit Note”, respectively), with appropriate insertions as to date and principal amount; provided, that delivery of Notes shall not be a condition precedent to the occurrence of the Restatement Closing Date or the making of the Loans on the Restatement Closing Date.

2.7 Commitment Fees, etc. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender a commitment fee (a “Commitment Fee”) for the period from and including the Restatement Closing Date to the last day of the Revolving Credit Commitment Period, computed at the Commitment Fee Rate on the average daily amount of the Available Revolving Credit Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Credit Termination Date, commencing on March 31, 2013.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates from time to time agreed to in writing by the Borrower and the Administrative Agent.

2.8 Termination or Reduction of Revolving Credit Commitments The Borrower shall have the right, upon not less than three Business Days’ notice to the Administrative Agent, to terminate the Revolving Credit Commitments or, from time to time, to reduce the aggregate amount of the Revolving Credit Commitments; provided that no such termination or reduction of Revolving Credit Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Credit Loans made on the effective date thereof, the Total Revolving Extensions of Credit would exceed the Total Revolving Credit Commitments provided, further, that such notice may state that it is conditioned upon the effectiveness of other credit facilities or other transactions, which such notice may be revoked by the Borrower (by notice to the Administrative Agent no later than 10:00 A.M., New York City time, on the specified effective date) if such condition is not satisfied. Any such reduction shall be in an amount equal to \$1,000,000, or a whole multiple thereof, and shall reduce permanently the Revolving Credit Commitments then in effect.

2.9 Optional Prepayments. (a) The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty (other than pursuant to Section 2.19), upon irrevocable notice delivered to the Administrative Agent at least three Business Days prior thereto in the case of Eurodollar Loans and at least one Business Day prior thereto in the case of Base Rate Loans, which notice shall specify the date and amount of such prepayment, whether such prepayment is of Term Loans or Revolving Credit Loans, and whether such prepayment is of Eurodollar Loans or Base Rate Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.19. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Credit Loans that are Base Rate Loans)

accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans and Revolving Credit Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$200,000 in excess thereof. Notwithstanding anything to the contrary in this Section 2.9, any optional prepayment of the Term Loans made prior to the six month anniversary of the Seventh Amendment Effective Date with the proceeds of a substantially concurrent issuance or incurrence of new term loans that (a) are incurred for the primary purpose of refinancing the Term Loans and decreasing the Applicable Margin with respect thereto and (b) otherwise have terms and conditions (and are in an aggregate principal amount) substantially the same as those of the Term Loans, shall be subject to a prepayment premium of 1.00% of the aggregate amount of such prepayment. Such prepayment premium shall be allocated ratably among the Term Loan Lenders in accordance with such Lenders' percentage of the aggregate amount of Term Loans prepaid. Amounts to be applied as optional prepayments pursuant to this Section shall be applied, first, to the prepayment of the Term Loans and second, to the prepayment of the Revolving Credit Loans and as specified in Section 2.16. If some but not all of the Term Loans are Extended Term Loans, the Borrower may specify that such optional prepayment shall be applied to the Term Loans based on their respective Term Loan Maturity Dates, in which event the Borrower shall specify the order in which such optional prepayment shall be applied between or among the various Term Loan Maturity Dates, and such prepayment shall be allocated among all Term Loans that have the same Term Loan Maturity Date pro rata based on the principal amount of such Term Loans.

(b) The Borrower may prepay Term Loans as specified in Section 2.25. Any prepayment pursuant to Section 2.25 is not subject to Section 2.9(a).

2.10 Mandatory Prepayments. (a) Unless the Required Prepayment Lenders shall otherwise agree, if on any date the Parent, the Borrower or any of its Class I Restricted Subsidiaries shall incur any Indebtedness (excluding any Indebtedness incurred in accordance with Section 7.2), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such issuance or incurrence toward the prepayment of the Loans as set forth in Section 2.10(c). The provisions of this Section do not constitute a consent to the incurrence of any Indebtedness by the Parent, the Borrower or any of its Subsidiaries not permitted by Section 7.2.

(b) Unless the Required Prepayment Lenders shall otherwise agree, if the Borrower or any of its Class I Restricted Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or any Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof not later than 45 days after the end of the fiscal quarter during which the Borrower or any of its Class I Restricted Subsidiaries received such Net Cash Proceeds, the Loans shall be prepaid by an amount equal to the amount of such Net Cash Proceeds (excluding any amounts subject to any such Reinvestment Notice), as set forth in Section 2.10(c); provided, that, notwithstanding the foregoing, on each Reinvestment Prepayment Date the Loans shall be prepaid by an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event, as set forth in Section 2.10(c). The provisions of this Section do not constitute a consent to the consummation of any Disposition not permitted by Section 7.5.

(c) Amounts to be applied as prepayments pursuant to this Section shall be applied first, to the prepayment of the Term Loans and second, to the prepayment of the Revolving Credit Loans and as specified in Section 2.16. Any such mandatory prepayment of the Revolving Credit Loans pursuant to this Section 2.10 shall not result in a mandatory reduction of the Revolving Credit Commitments. Amounts prepaid in respect of Term Loans pursuant to this Section 2.10 may not be reborrowed.

2.11 Conversion and Continuation Options. (a) Subject to Section 2.19, the Borrower may elect from time to time to convert Eurodollar Loans to Base Rate Loans by giving the Administrative Agent at least two Business Days' prior irrevocable notice of such election. The Borrower may elect from time to time to convert Base Rate Loans to Eurodollar Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), provided that no Base Rate Loan under a particular Facility may be converted into a Eurodollar Loan (i) when any Event of Default has occurred and is continuing and the Administrative Agent has, or the Majority Facility Lenders have, determined in its or their sole discretion not to permit such conversions or (ii) after the date that is one month prior to the final scheduled termination or maturity date of such Facility. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) The Borrower may elect to continue any Eurodollar Loan as such upon the expiration of the then current Interest Period with respect thereto by giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Eurodollar Loan under a particular Facility may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has, or the Majority Facility Lenders in respect of such Facility have, determined in its or their sole discretion not to permit such continuations or (ii) after the date that is one month prior to the final scheduled termination or maturity date of such Facility, and provided, further, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso, such Loans shall be converted automatically to Base Rate Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.12 Minimum Amounts and Maximum Number of Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurodollar Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$3,000,000 or a whole multiple of \$500,000 in excess thereof and (b) no more than 20 Eurodollar Tranches shall be outstanding at any one time.

2.13 Interest Rates and Payment Dates. (b) (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin in effect for such day.

(b) Each Base Rate Loan shall bear interest for each day on which it is outstanding at a rate per annum equal to the Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount (to the extent legally permitted) shall bear interest at a rate per annum that is equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations, the rate applicable to Base Rate Loans under the Revolving Credit Facility plus 2%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to Base Rate Loans under the relevant Facility plus 2% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to Base Rate Loans under the Revolving Credit Facility plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (after as well as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.14 Computation of Interest and Fees. (a) Interest, fees and commissions payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to Base Rate Loans on which interest is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the Base Rate or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.14(a).

2.15 Inability to Determine Interest Rate.

(a) If prior to the first day of any Interest Period:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(ii) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans denominated in Dollars under the relevant Facility requested to be made on the first day of such Interest Period shall be made as Base Rate Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as Base Rate Loans and (z) any outstanding Eurodollar Loans under the relevant Facility shall be converted, on the last day of the then current Interest Period with respect thereto, to Base Rate Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurodollar Loans.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.15(a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.15(a)(i) have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the Eurodollar Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 10.1, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

2.16 Pro Rata Treatment and Payments. (a) Each borrowing by the Borrower from the Lenders hereunder, each payment by the Borrower on account of any commitment fee or Letter of Credit fee, and any reduction of the Commitments of the Lenders, shall be made pro rata according to the respective Term Loan Percentages or Revolving Credit Percentages, as the case may be, of the relevant Lenders.

(b) Except as otherwise provided in Section 2.9(a) or Section 2.25, (i) each payment (including each prepayment) by the Borrower on account of principal of and interest on the Term Loans shall be allocated among the Lenders holding such Term Loans pro rata based on the principal amount of such Term Loans held by such Lenders, and (ii) the amount of each principal prepayment of the Term Loans shall be applied first, to the four immediately succeeding installments of such Term Loans and, second, to the remaining installments of such Term Loans pro rata based on the remaining outstanding principal amount of such installments. Amounts repaid or prepaid on account of the Term Loans may not be reborrowed.

(c) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Revolving Credit Loans shall be made pro rata according to the respective outstanding principal amounts of the Revolving Credit Loans then held by the Revolving Credit Lenders. Each payment in respect of Reimbursement Obligations in respect of any Letter of Credit shall be made to the Issuing Lender that issued such Letters of Credit.

(d) The application of any payment of Loans under any Facility (including optional and mandatory prepayments) shall be made, first, to Base Rate Loans under such Facility and, second, to Eurodollar Loans under such Facility. Each payment of the Loans (except in the case of Revolving Credit Loans that are Base Rate Loans) shall be accompanied by accrued interest to the date of such payment on the amount paid.

(e) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, New York City time, on the due date thereof to the Administrative Agent, for the account of the relevant Lenders, at the Payment Office, in Dollars and in immediately available funds. Any payment made by the Borrower after 12:00 Noon, New York City time, on any Business Day shall be deemed to have been on the next following Business Day. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(f) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate determined by the Administrative Agent in

accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans under the relevant Facility, on demand, from the Borrower.

(g) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(h) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.16(f), 2.16(g), 3.4(a) or 9.7, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent or the Issuing Lender to satisfy such Lender's obligations to it under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

2.17 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject any Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.18 and changes in the rate of tax on the overall net income of such Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit (or participations therein) by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy, liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy and liquidity requirements) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation for such reduction.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) The Borrower shall not be required to compensate a Lender pursuant to this Section for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect. In addition, the Borrower shall not be required to compensate a Lender pursuant to this Section for Eurocurrency Reserve Requirements to the extent such compensation would duplicate compensation included in the Eurodollar Rate pursuant to the definition thereof.

2.18 Taxes. (a) All payments made by or on behalf of any Loan Party under this Agreement or any Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on any Agent or any Lender as a result of a present or former connection between such Agent or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from such Agent's or such Lender's having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document) and taxes imposed under FATCA. If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("Non-Excluded Taxes") or any Other Taxes are required to be withheld from any amounts payable to any Agent or any Lender hereunder, the amounts so payable to such Agent or such Lender shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement; provided, however, that the Borrower shall not be required to increase any such amounts payable to any Lender with respect to any Non-Excluded Taxes (i) that are attributable to such Lender's failure to comply with the requirements of paragraph (d) or (e) of this Section or (ii) that are United States withholding taxes imposed on amounts payable to such Lender at the time such Lender becomes a party to this Agreement, except to the extent that such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrower with respect to such Non-Excluded Taxes pursuant to this Section 2.18(a).

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for the account of the relevant Agent or Lender, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Agents and the Lenders for any incremental taxes, interest or penalties that may become payable by any Agent or any Lender as a result of any such failure. The Loan Parties shall indemnify any Credit Party for any Non-Excluded Taxes or Other Taxes imposed directly on the Credit Party. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(d) (i) Each Lender (or Transferee) that is a “United States person” as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of U.S. Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal withholding tax.

(ii) Each Lender (or Transferee) that is not a citizen or resident of the United States of America, a corporation, partnership or other entity created or organized in or under the laws of the United States of America (or any jurisdiction thereof), or any estate or trust that is subject to federal income taxation regardless of the source of its income (a “Non-U.S. Lender”) shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of either U.S. Internal Revenue Service Form W-8BEN-E, Form W-8ECI, or Form W-8IMY, together with all applicable underlying Internal Revenue Service forms (in the case of a Non-U.S. Lender that is treated as a partnership for U.S. federal income tax purposes), or any subsequent versions thereof or successors thereto, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest” a statement substantially in the form of Exhibit H-1, H-2, H-3 or H-4, as applicable, and a Form W-8BEN-E, or any subsequent versions thereof or successors thereto properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on all payments by the Borrower under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation). In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-U.S. Lender. Each Non-U.S. Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, a Non-U.S. Lender shall not be required to deliver any form pursuant to this paragraph that such Non-U.S. Lender is not legally able to deliver.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code)

and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(e) A Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate, provided that such Lender is legally entitled to complete, execute and deliver such documentation and in such Lender's reasonable judgment such completion, execution or submission would not materially prejudice the legal position of such Lender.

(f) For purposes of determining withholding taxes imposed under FATCA, from and after the Second Amendment Effective Date, the Borrower and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) each Loan as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

2.19 Indemnity. The Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment (or conversion from Eurodollar Loans) after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment or conversion of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurodollar market. The Borrower shall not be required to compensate a Lender pursuant to this Section for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.20 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Eurodollar Loans, continue Eurodollar Loans as such and convert Base Rate Loans to Eurodollar Loans shall forthwith be canceled and (b) such Lender's Loans then outstanding as Eurodollar Loans, if any, shall be converted automatically to Base Rate Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.19.

2.21 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.17, 2.18 or 2.20 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.17, 2.18 or 2.20.

2.22 Replacement of Lenders under Certain Circumstances. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.17 or 2.18 or gives a notice of illegality pursuant to Section 2.20, (b) becomes a Defaulting Lender or (c) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders (with the percentage in such definition being deemed to be more than 50% for this purpose) has been obtained), with a replacement lender; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.17 or 2.18 or to eliminate the illegality referred to in such notice of illegality given pursuant to Section 2.20, (iv) the replacement lender shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.19 (as though Section 2.19 were applicable) if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement lender, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent and, with respect to the replacement of a Revolving Credit Lender, each Issuing Lender (such consent not to be unreasonably withheld), (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration

and processing fee referred to therein), (viii) the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.17 or 2.18, as the case may be, in respect of any period prior to the date on which such replacement shall be consummated, (ix) such replacement Lender shall consent to the proposed amendment, supplement, modification, consent or waiver and (x) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

2.23 Addition of Peso Subfacility. The Borrower has advised the Lenders that, after the Restatement Closing Date, the Borrower and certain of the Revolving Credit Lenders or their Affiliates (in their sole discretion) or other lenders selected by the Borrower and reasonably acceptable to the Administrative Agent (the “Peso Subfacility Lenders”) may wish to establish a subfacility (the “Peso Subfacility”) whereby up to \$25,000,000 of the Revolving Credit Commitments would be made available by Peso Subfacility Lenders for revolving credit loans denominated and funded in Pesos (“Peso Subfacility Loans”). Accordingly, at any time during the Revolving Credit Commitment Period, the Borrower, the Peso Subfacility Lenders and the Administrative Agent and, in the circumstances contemplated by paragraph (h) below only, all Revolving Credit Lenders (in each case, without the consent of any other party hereto) may enter into amendments (or amendments and restatements), in form and substance reasonably satisfactory to the Administrative Agent, to this Agreement and the other relevant Loan Documents (the “Peso Subfacility Amendments”) providing for the following:

(a) The Peso Subfacility Amendments shall provide that each Peso Subfacility Lender shall make available to the Borrower (or to a Subsidiary of the Borrower organized under the laws of Mexico and designated by the Borrower) (any such Mexican Subsidiary or, as the case may be, the Borrower, as the borrower under the Peso Subfacility, the “Peso Subfacility Borrower”), a commitment (for each Peso Subfacility Lender, the “Peso Subfacility Commitment” of such Peso Subfacility Lender) to make Peso Subfacility Loans during the period specified in the Peso Subfacility Amendments (which period shall in any event end not later than the Revolving Credit Termination Date) (the “Peso Subfacility Commitment Period”) in an aggregate principal amount for all Peso Subfacility Lenders not exceeding the equivalent in Pesos of \$25,000,000. The Peso Subfacility Amendments shall provide that all Peso Subfacility Loans will be payable no later than the last day of the Peso Subfacility Commitment Period. The Peso Subfacility Amendments shall provide for such interest rate basis or bases, applicable margins, and fees and other pricing terms applicable to the Peso Subfacility and the Peso Subfacility Loans as shall be agreed upon by the parties thereto.

(b) The Peso Subfacility Amendments shall provide that the aggregate amount available under the Revolving Credit Commitments and the Peso Subfacility, plus the amount of any Third-Party Peso Loans, shall not exceed the Total Revolving Credit Commitments.

(c) In the event that the Peso Subfacility Amendments provide that a Subsidiary of the Borrower shall be the Peso Subfacility Borrower, the Peso Subfacility Amendments may provide that the obligations of the Peso Subfacility Borrower in respect of the Peso Subfacility Loans will be guaranteed by the Borrower and the Guarantors pursuant to the Guarantee and Collateral Agreement and such guarantees will be secured, equally and ratably with all other Obligations, pursuant to all Security Documents, as applicable.

(d) Subject to satisfaction of the conditions set forth in paragraph (h) below, the Peso Subfacility Amendments may provide that, in connection with the Peso Subfacility, the Revolving Credit Lenders will purchase, ratably in accordance with the Revolving Credit Commitments and Peso Subfacility Commitments, participating interests in any such Peso Subfacility Loan, pursuant to participation provisions substantially equivalent to those set forth in Section 3 in respect of participating interests in Letters of Credit, mutatis mutandis.

(e) The Peso Subfacility Amendments may provide for the conversion to Dollars of any amounts owing under the Peso Subfacility under such conditions and pursuant to such conversion mechanisms as shall be set forth in the Peso Subfacility Amendments.

(f) The Peso Subfacility Amendments may provide for amendments of such other provisions of the Loan Documents (including, without limitation, amendments providing for indemnities, exchange rate fluctuation protection, tax gross-up provisions and other provisions in respect of the Peso Subfacility) as the parties thereto shall reasonably determine to be necessary or advisable to accomplish the purpose of establishing the Peso Subfacility and causing the Peso Subfacility to be treated, to the extent practicable and applicable, as a subfacility of the Revolving Credit Facility, benefiting from the protections of the Loan Documents equally and ratably with, and in a manner otherwise equivalent to, the Revolving Credit Facility.

(g) The Peso Subfacility Amendments shall set forth, as conditions precedent to the availability of credit under the Peso Subfacility, the delivery of such corporate records, documents, evidence of corporate approvals, evidence of necessary consents and approvals of Governmental Authorities and legal opinions as the parties thereto shall reasonably determine to be necessary or advisable.

(h) In the event that the Peso Subfacility Amendments provide for Revolving Credit Lenders (other than the Peso Subfacility Lenders) to purchase participating interests in amounts outstanding under the Peso Subfacility, each of the Revolving Credit Lenders shall be a party to, or give its written consent to, the Peso Subfacility Amendments (it being understood that each Revolving Credit Lender, in its sole discretion, may determine to consent or withhold consent to becoming obligated to purchase participating interests in amounts outstanding under the Peso Subfacility).

2.24 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Revolving Credit Commitment of such Defaulting Lender pursuant to Section 2.7(a);

(b) the Revolving Credit Commitment and Revolving Extensions of Credit of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.1); provided, that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby;

(c) if any L/C Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Revolving Credit Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Extensions of Credit plus such Defaulting Lender's L/C Exposure does not exceed the total of all non-Defaulting Lenders' Revolving Credit Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, upon request from any affected Issuing Lender within one Business Day following notice by the Administrative Agent of such request, cash collateralize for the benefit of the Issuing Lender only the Borrower's obligations corresponding to such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 8.1 for so long as such L/C Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure during the period such Defaulting Lender's L/C Exposure is cash collateralized;

(iv) if the L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.7(a) and Section 3.3(a) shall be adjusted in accordance with such non-Defaulting Lenders' Revolving Credit Percentages; and

(v) if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Lender or any other Lender hereunder, all fees payable under Section 3.3(a) with respect to such Defaulting Lender's L/C Exposure shall be payable to the Issuing Lender until and to the extent that such L/C Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding L/C Exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.24(c), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.24(c)(i) (and such Defaulting Lender shall not participate therein).

(e) If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent of any Lender shall occur following the date hereof and for so long as such event shall continue or (ii) the Issuing Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless Issuing Lender shall have entered into arrangements with the Borrower or such Lender, satisfactory to the Issuing Lender to defease any risk to it in respect of such Lender hereunder.

(f) In the event that the Administrative Agent, the Borrower and the Issuing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Credit Percentage.

2.25 Prepayments Below Par.

(a) The Borrower may from time to time notify the Administrative Agent that it desires to make voluntary prepayments of the Term Loans (each, a "Special Prepayment") pursuant to the procedures described in this Section 2.25. In connection with any Special Prepayment, the Borrower will notify the Term Loan Lenders through the Administrative Agent (the "Special Prepayment Notice") that the Borrower desires to prepay Term Loans in an aggregate face amount specified by the Borrower (each, a "Special Prepayment Face Amount") at a discount which is either (x) a fixed discount specified by the Borrower (a "Fixed Discount") or (y) a discount expected to be within a range to be specified by the Borrower with respect to such Special Prepayment (any such range, a "Discount Range"), in either case equal to a percentage of par of the principal amount of the Term Loans to be prepaid; provided that (A) if any Revolving Credit Loans are then outstanding, each Special Prepayment shall be funded with the proceeds of an issuance of Capital Stock of, or capital contribution to, the Borrower or proceeds from Indebtedness permitted to be issued under Section 7.2(s), and (B) the Special Prepayment Face Amount of all Term Loans prepaid pursuant to this Section 2.25 shall not exceed \$200,000,000 in the aggregate during the term of this Agreement (the "Aggregate Special Prepayment Face Amount Limit"). The Special Prepayment Face Amount for each Special Prepayment shall not be less than \$30,000,000 or, if less, an amount equal to the Aggregate Special Prepayment Face Amount Limit remaining at such time.

(b) In connection with a Special Prepayment to be at a Fixed Discount, the Borrower will allow each Term Loan Lender to specify the maximum face amount of its Term Loans as to which it is willing to accept such Special Prepayment (subject to customary and reasonable rounding requirements specified by the Administrative Agent and agreed to by the Borrower). The Borrower shall prepay Term Loans (or the respective portions thereof) offered by Lenders that accept such Special Prepayment ("Qualifying Fixed Discount Term Loans"); provided that if the aggregate face amount of such offered Qualifying Fixed Discount Term Loans would exceed the Special Prepayment Face Amount for such Special Prepayment, the Borrower shall prepay such offered Qualifying Fixed Discount Term Loans at the applicable Fixed Discount ratably based on the respective principal amounts of such offered Qualifying Fixed Discount Term Loans (subject to customary and reasonable rounding requirements specified by the Administrative Agent and agreed to by the Borrower).

(c) In connection with a Special Prepayment to be made within a Discount Range, the Borrower will allow each Term Loan Lender to specify a discount to par within such Discount Range at which such Term Loan Lender is willing to accept such Special Prepayment (the "Acceptable Discount" for such Term Loan Lender) for up to a maximum specified face amount of its Term Loans (subject to customary and reasonable rounding requirements specified by the Administrative Agent and agreed to by the Borrower). Based on the Acceptable Discounts and face amounts of Term Loans specified by the applicable Term Loan Lenders, the Borrower will (A) complete the Special Prepayment at the lowest Acceptable Discount for a face amount of Term Loans equal to the lesser of (1) the Special Prepayment Face Amount and (2) the aggregate specified face amount of Term Loans specified by Term Loan Lenders with such lowest Acceptable Discount, (B) in the case of clause (A)(2) above, further complete the Special Prepayment at the lowest unfulfilled (i.e., the next higher) Acceptable Discount for a face amount of Term Loans equal to the lesser of (1) the unfulfilled Special Prepayment Face Amount and (2) the aggregate specified face amount of Term Loans specified by Term Loan Lenders with such next higher Acceptable Discount, and (C) repeat the process in clause (B) above until the Borrower has prepaid the lesser of (1) the entire Special Prepayment Face Amount and (2) the aggregate specified face amount of all Term Loans specified by Term Loan Lenders. In the case of clause (A)(1) or (B)(1) above, if two or more Term Loan Lenders have specified the same Acceptable Discount, the Borrower shall prepay the specified Term Loans at such specified Acceptable Discount ratably between or among such Term Loan Lenders based on the respective face amounts of Term Loans specified by such Term Loan Lenders (subject to customary and reasonable rounding requirements specified by the Administrative Agent and agreed to by the Borrower). It is understood and agreed that the application of such Special Prepayment Funded Amount to such specified Term Loans shall constitute the payment in full of the face amount of such Term Loans.

(d) All Term Loans prepaid by the Borrower pursuant to this Section 2.25 shall be accompanied by payment of accrued and unpaid interest on the par principal amount so prepaid to, but not including, the date of prepayment.

(e) Each Special Prepayment shall be consummated pursuant to procedures (including as to timing of any issuance of a Special Prepayment Notice, response deadlines, rounding and minimum amounts, Type and Interest Periods of accepted Loans and other notices by the Borrower and Lenders and calculation of Special Prepayments and Acceptable Discounts in accordance with Section 2.25(c) above) established by the Borrower in consultation with the Administrative Agent; provided that such procedures shall include (i) a notice period to Term Lenders of at least five Business Days prior to the making of any Special Prepayment and (ii) a period of at least three Business Days for each Term Lender to respond to any requested Special Prepayment.

(f) Each Special Prepayment shall constitute an optional prepayment of Term Loans for all purposes under this Agreement, other than Section 2.9(a). The Borrower hereby specifies that any Special Prepayment Face Amount shall be applied to the installments of the Term Loans of each Lender participating in such Special Prepayment on a ratable basis.

(g) Failure by the Borrower to make any payment to a Lender required by an agreement permitted by this Section 2.25(b) shall not constitute an Event of Default under Section 8.1(a), and the Borrower may revoke any Special Prepayment Notice, or elect not to consummate any Special Prepayment, at any time.

(h) No proceeds of any Revolving Credit Loans may be used to make a Special Prepayment.

2.26 Increase in Commitments.

(a) The Borrower shall have the right, at any time and from time to time, to obtain additional Term Loans either from one or more of the Term Loan Lenders or other Persons, (y) in an aggregate amount such that the Consolidated Net Senior Secured Leverage Ratio, determined on a pro forma basis as of the most recent fiscal quarter end for which financial statements have been delivered to the Agents pursuant to Section 6.1 as if such additional Term Loans had been outstanding on the last day of such fiscal quarter, shall not exceed 3.00 to 1.00, or (z) if such determination would result in a greater amount of additional Term Loans than the determination under the preceding clause (y), in an aggregate amount such that the aggregate amount of all outstanding Term Loans at any time shall not exceed \$1,083,600,000; provided that (i) any such request for additional Term Loans shall be in a minimum amount of \$30,000,000, (ii) the Borrower may make a maximum of three such requests, (iii) the Administrative Agent has approved each such new Term Loan Lender, such approval not to be unreasonably withheld or delayed and (iv) the procedures described in Section 2.26(c) have been satisfied.

(b) The Borrower shall have the right at any time and from time to time to increase the Revolving Credit Commitment by obtaining additional Revolving Credit Commitments, either from one or more of the Revolving Credit Lenders or other Persons, in an aggregate amount such that the aggregate amount of Revolving Credit Commitments in effect at any time shall not exceed \$150,000,000; provided that (i) any such request for an increase shall be in a minimum amount of \$15,000,000, (ii) the Borrower may make a maximum of three such requests, (iii) the Administrative Agent has approved each such new Revolving Credit Lender, such approval not to be unreasonably withheld or delayed, and (iv) the procedures described in Section 2.26(c) have been satisfied.

(c) Any amendment hereto for an increase in Term Loan Commitments or Revolving Credit Commitments pursuant to Sections 2.26(a) and (b), respectively, shall be in form and substance reasonably satisfactory to the Administrative Agent and shall only require the written signatures of the Administrative Agent, the Borrower and the Lender(s) being added or increasing their Term Loan Commitment and/or Revolving Credit Commitment. As a condition precedent to such an increase, (i) the Borrower shall deliver to the Administrative Agent a certificate of each Loan Party signed by an authorized officer of such Loan Party certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, (ii) before and after giving effect to such increase, (x) the representations and warranties contained in Section 4 and the other Loan Documents shall be true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects), except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date and (y) no Default or Event of Default shall have occurred and be continuing, (iii) if the total yield (calculated for both the additional Term Loans and the existing Term Loans, including the upfront fees, any interest rate floors and any OID (as defined below but excluding any arrangement, underwriting or similar fee paid by the Borrower)) in respect of any additional Term Loans exceeds the total yield for the existing Term Loans by more than 0.50% (it being understood that any such increase may take the form of original issue discount ("OID"), with OID being equated to the interest rates in a manner determined by the Administrative Agent based on an assumed four-year life to maturity), the Applicable Margin for the existing Term Loans shall be increased so that the difference between the total yield in respect of such additional Term Loans and the corresponding total yield on the existing Term Loans is 0.50% and (iv) if requested by the Administrative Agent, the Borrower shall deliver to the Administrative Agent customary legal opinions, in form and substance, and from counsel, reasonably satisfactory to the Administrative Agent.

2.27 Future Extensions.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders of Term Loans with a like maturity date or all Lenders holding Revolving Credit Commitments with a like maturity date, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Credit Commitments with a like maturity date, as the case may be) and on the same terms to each such Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans or Revolving Credit Commitments and otherwise modify the terms of such Term Loans or Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing or decreasing the interest rate or fees payable in respect of such Term Loans or Revolving Credit Commitments (and related outstandings) or modifying the amortization schedule in respect of such Lender's Term Loans) (each, an "Extension", and each group of Term Loans or Revolving Credit Commitments, as applicable, in each case as so extended, as well as the original Term Loans and the original Revolving Credit Commitments (in each case not so extended), being a "tranche"; any Extended Term Loans shall constitute a separate tranche of Term Loans from the tranche of Term Loans

from which they were converted, and any Extended Revolving Credit Commitments shall constitute a separate tranche of Revolving Credit Commitments from the tranche of Revolving Credit Commitments from which they were converted), so long as the following terms are satisfied: (i) no Default or Event of Default shall have occurred and be continuing at the time the offering document in respect of an Extension Offer is delivered to the Lenders, (ii) except as to pricing (interest rate, fees, funding discounts and prepayment premiums) and maturity (which shall be set forth in the relevant Extension Offer), the Revolving Credit Commitment of any Revolving Credit Lender that agrees to an Extension with respect to such Revolving Credit Commitment (an "Extending Revolving Credit Lender") extended pursuant to an Extension (an "Extended Revolving Credit Commitment"), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms as the original Revolving Credit Commitments (and related outstandings); provided that (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extending Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments) of Loans with respect to Extended Revolving Credit Commitments after the applicable Extension date shall be made on a pro rata basis with all other Revolving Credit Commitments, (2) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Extended Revolving Credit Commitments after the applicable Extension date shall be made on a pro rata basis with all other Revolving Credit Commitments, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such tranche on a better than pro rata basis as compared to any other tranche with a later maturity date than such tranche, (3) assignments and participations of Extended Revolving Credit Commitments and extended Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans and (4) at no time shall there be Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments and any original Revolving Credit Commitments) which have more than two different maturity dates, (iii) except as to pricing (interest rate, fees, funding discounts and prepayment premiums), amortization, maturity, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iv), (v) and (vi), be set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an Extension with respect to such Term Loans (an "Extending Term Lender") extended pursuant to any Extension ("Extended Term Loans") shall have the same terms as the tranche of Term Loans subject to such Extension Offer (except for covenants or other provisions contained therein applicable only to periods after the then Latest Maturity Date of the Term Loans), (iv) the final maturity date of any Extended Term Loans shall be no earlier than the then Latest Maturity Date of the Term Loans, (v) the weighted average life to maturity of any Extended Term Loans shall be no less than 180 days longer than the remaining weighted average life to maturity of the tranche extended thereby, (vi) any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer (provided that if the applicable Extending Term Lenders have the ability to decline mandatory prepayments, any such mandatory prepayment that is not accepted by the applicable Extending Term Lenders shall be applied to the non-extended Term Loans of the tranche being extended) and may participate in voluntary prepayments as provided in Section 2.9(a), (vii) if the aggregate principal amount of

Term Loans (calculated on the face amount thereof) or Revolving Credit Commitments, as the case may be, in respect of which Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Loans, as the case may be, of such Term Lenders or Revolving Credit Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Credit Lenders, as the case may be, have accepted such Extension Offer, (viii) if the aggregate principal amount of Term Loans or Revolving Credit Commitments in respect of which Lenders shall have accepted the relevant Extension Offer shall be less than the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Borrower may require each Lender that does not accept such Extension Offer to assign pursuant to Section 10.6 its pro rata share of the outstanding Loans, Revolving Credit Commitments and/or participations in Letters of Credit (as applicable) offered to be extended pursuant to such Extension Offer to one or more assignees that have agreed to such assignment and to extend the applicable maturity date; provided that (1) each Lender that does not respond affirmatively within ten (10) Business Days after the date the offering document in respect of an Extension Offer is delivered to the Lenders shall be deemed to have not accepted such Extension Offer, (2) each assigning Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (3) the processing and recordation fee specified in Section 10.6(e) shall be paid by the Borrower or such assignee and (4) the assigning Lender shall continue to be entitled to the rights under Section 10.5 for any period prior to the effectiveness of such assignment, (ix) all documentation in respect of such Extension shall be consistent with the foregoing and (x) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.9, Section 2.10, or Section 2.16 and (ii) each Extension Offer shall specify the minimum amount of Term Loans or Revolving Credit Commitments to be tendered, which shall be an integral multiple of \$1,000,000 and an aggregate principal amount that is not less than \$50,000,000 (or if less, the remaining outstanding principal amount thereof) (or such lesser minimum amount reasonably approved by the Administrative Agent) (a "Minimum Extension Condition"). The transactions contemplated by this Section (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) shall not require the consent of any Lender or any other Person (other than as set forth in clause (c) below), and the requirements of any provision of this Agreement (including, without limitation, Sections 2.8, 2.9, 2.10, 2.16, 10.1 and 10.7) or any other Loan Document that may otherwise, directly or indirectly, prevent or prohibit any such Extension or any other transaction contemplated by this Section shall not apply to any of the transactions effected pursuant to this Section 2.27.

(c) The consent (such consent not to be unreasonably withheld, delayed or conditioned) of the Administrative Agent shall be required to effectuate any Extension. No consent of any Lender or any other Person shall be required to effectuate any Extension, other than (A) the consent of the Borrower and each Lender agreeing to such Extension with respect to one or more of its Term Loans or Revolving Credit Commitments (or a portion thereof) and (B) with respect to any Extension of the Revolving Credit Commitments, the consent of the Issuing Lender, which consent shall not be unreasonably withheld, conditioned or delayed. All Extended Term Loans, Extended Revolving Credit Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (an "Extension Amendment") with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Revolving Credit Commitments or Term Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section. In addition, if so provided in such amendment and with the consent of the Issuing Lender, participations in Letters of Credit expiring on or after the Revolving Credit Termination Date in respect of the Revolving Credit Facility shall be re-allocated from Lenders holding Revolving Credit Commitments to Lenders holding Extended Revolving Credit Commitments in accordance with the terms of such amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Credit Commitments, be deemed to be participation interests in respect of such Revolving Credit Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly. Without limiting the foregoing, in connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then Latest Maturity Date so that such maturity date is extended to the then Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.27.

SECTION 3. LETTERS OF CREDIT

3.1 L/C Commitment. (c) (a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Revolving Credit Lenders set forth in Section 3.4(a), agrees to issue letters of credit (the letters of credit issued on and after the Restatement Closing Date pursuant to this Section 3, together with all Existing Letters of Credit, the "Letters of Credit") for the account of the Borrower on any Business Day during the Revolving Credit Commitment Period in such form as may be approved from time to time by

such Issuing Lender; provided, that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the aggregate amount of the Available Revolving Credit Commitments would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date which is five Business Days prior to the Revolving Credit Termination Date; provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above). All Existing Letters of Credit shall be deemed to have been issued pursuant hereto and from and after the Restatement Closing Date shall be subject to and governed by the terms and conditions hereof and shall constitute "Letters of Credit" for all purposes of this Agreement.

(b) No Issuing Lender shall at any time be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause such Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2 Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that an Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender at its address for notices specified herein an Application therefor, with a copy to the Administrative Agent, completed to the satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may request. Upon receipt of any Application, an Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower (but in no event shall any Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto). Promptly after issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower. Each Issuing Lender shall promptly give notice to the Administrative Agent of the issuance of each Letter of Credit issued by such Issuing Lender (including the amount thereof). Upon the written request of any Revolving Credit Lender, the Administrative Agent will, within three Business Days of such request, inform such Revolving Credit Lender of the aggregate drawable amount of all Letters of Credit outstanding on the date of such request.

3.3 Fees and Other Charges. (d) (a) The Borrower will pay a fee on the aggregate drawable amount of all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Credit Facility, shared ratably among the Revolving Credit Lenders in accordance with their respective Revolving Credit Percentages and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date of such Letters of Credit. In addition, the Borrower shall pay to the relevant Issuing Lender for its own account a fronting fee on the aggregate drawable amount of all outstanding Letters of Credit issued by it at a rate per annum to be agreed upon by such Issuing Lender and the Borrower, payable quarterly in arrears on each L/C Fee Payment Date after the issuance date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse each Issuing Lender for such normal and customary costs and expenses as are incurred or charged by such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4 L/C Participations . (e) (a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce each Issuing Lender to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk, an undivided interest equal to such L/C Participant's Revolving Credit Percentage in each Issuing Lender's obligations and rights under each Letter of Credit issued by such Issuing Lender hereunder and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by such Issuing Lender for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement (or in the event that any reimbursement received by the Issuing Lender shall be required to be returned by it at any time), such L/C Participant shall pay to such Issuing Lender upon demand at such Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Revolving Credit Percentage of the amount of such draft, or any part thereof, that is not so reimbursed (or is so returned). Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against the Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, (iii) any adverse change in the condition (financial or otherwise) of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant to an Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to such Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to Base Rate Loans under the Revolving Credit Facility. A certificate of such Issuing Lender submitted to any L/C Participant with respect to any such amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after an Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of Collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, such Issuing Lender will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

3.5 Reimbursement Obligation of the Borrower . The Borrower agrees to reimburse each Issuing Lender, on each date on which such Issuing Lender notifies the Borrower of the date and amount of a draft presented under any Letter of Credit and paid by such Issuing Lender, for the amount of (a) such draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by such Issuing Lender in connection with such payment (the amounts described in the foregoing clauses (a) and (b) in respect of any drawing, collectively, the "Payment Amount"). Each such payment by the Borrower of the Payment Amount shall be made to such Issuing Lender at its address for notices specified herein in lawful money of the United States of America and in immediately available funds. Interest shall be payable on each Payment Amount from the date of the applicable drawing until payment in full at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.13(b) and (ii) thereafter, Section 2.13(c). Each drawing under any Letter of Credit shall (unless an event of the type described in clause (i) or (ii) of Section 8.1(f) shall have occurred and be continuing with respect to the Borrower, in which case the procedures specified in Section 3.4 for funding by L/C Participants shall apply) constitute a request by the Borrower to the Administrative Agent for a borrowing pursuant to Section 2.5 of Revolving Credit Loans as Base Rate Loans in the amount of such drawing. The Borrowing Date with respect to such borrowing shall be the first date on which a borrowing of Revolving Credit Loans could be made, pursuant to Section 2.5, if the Administrative Agent had received a notice of such borrowing at the time the Administrative Agent receives notice from the relevant Issuing Lender of such drawing under such Letter of Credit.

3.6 Obligations Absolute . The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender that such Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final and nonappealable decision of a court of competent jurisdiction to

have resulted from the gross negligence or willful misconduct of such Issuing Lender. The Borrower agrees that any action taken or omitted by an Issuing Lender under or in connection with any Letter of Credit issued by it or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards or care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of such Issuing Lender to the Borrower.

3.7 Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of the relevant Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit, in addition to any payment obligation expressly provided for in such Letter of Credit issued by such Issuing Lender, shall be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment appear on their face to be in conformity with such Letter of Credit.

3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Agreement or the Guarantee and Collateral Agreement, the provisions of this Agreement or the Guarantee and Collateral Agreement, as applicable, shall apply.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, the Parent and the Borrower hereby jointly and severally represent and warrant to each Agent and each Lender that:

4.1 Financial Condition. (a) The audited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as at December 31, 2011 and the related consolidated statement of income and of cash flows for the fiscal year ended on such date, reported on by and accompanied by an unqualified report from Deloitte & Touche LLP, present fairly in all material respects the consolidated financial condition of the Borrower and its consolidated Subsidiaries as at such date, and the consolidated results of its operations and its consolidated cash flows for the fiscal year then ended.

(b) The financial statements referred to in paragraph (a), including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently to each consolidated group throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). The Parent, the Borrower and its Restricted Subsidiaries do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including, without limitation, any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are required to be but are not reflected in the financial statements referred to in paragraph (a). During the period from December 31, 2011 to and including the date hereof, there has been no Disposition by the Borrower or any of its Subsidiaries of any material part of its business or Property.

4.2 No Change . Since December 31, 2011 there has been no development or event that has had or could reasonably be expected to have a Material Adverse Effect.

4.3 Corporate Existence; Compliance with Law . Each of the Parent, the Borrower and its Restricted Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate power and authority, and the legal right, to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification except to the extent that the failure to do so could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4 Corporate Power; Authorization; Enforceable Obligations . Each Loan Party has the corporate power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party, to consummate the Transactions (to the extent applicable) and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary corporate or other action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person (each, a “Filing”) is required in connection with the borrowings hereunder or the execution, delivery, performance, validity or enforceability of this Agreement or any of the other Loan Documents, except (i) Filings described in Schedule 4.4, which Filings have been obtained or made and are in full force and effect, (ii) the Filings referred to in Section 4.19 and any other Filing contemplated by this Agreement or any other Loan Document and (iii) any antitrust Filings required to be made to foreclose on the Collateral. Each Loan Document has been duly executed and delivered on behalf of each Loan Party that is a party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party that is a party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors’ rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5 No Legal Bar . The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any material Contractual Obligation of the Parent, the Borrower or any of its Restricted Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents). No Requirement of Law or Contractual Obligation applicable to the Borrower or any of its Subsidiaries could reasonably be expected to have a Material Adverse Effect.

4.6 No Material Litigation . Except as set forth on Schedule 4.6, no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Parent or the Borrower, threatened by or against the Parent, the Borrower or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7 No Default . Neither the Parent, the Borrower nor any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8 Ownership of Property; Liens . Each of the Parent, the Borrower and its Restricted Subsidiaries has title in fee simple to, or a valid leasehold interest in, all its real property, and good title to, or a valid leasehold interest in, all its other Property except for such defects in title as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and none of such Property is subject to any Lien except as permitted by Section 7.3.

4.9 Intellectual Property . The Parent, the Borrower and each of its Restricted Subsidiaries owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted in all material respects. No material claim has been asserted and is pending by any Person challenging or questioning the use of any Intellectual Property or the validity or effectiveness of any Intellectual Property, nor does the Parent or the Borrower know of any valid basis for any such claim, other than any such claim that could not reasonably be expected to have a Material Adverse Effect. Except as would not have a Material Adverse Effect, the use of Intellectual Property by the Parent, the Borrower and its Restricted Subsidiaries does not infringe on the rights of any Person.

4.10 Taxes . Each of the Parent, the Borrower and each of its Restricted Subsidiaries has filed or caused to be filed all Federal and other material tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its Property and all other taxes, fees or other charges imposed on it or any of its Property by any Governmental Authority, in each case prior to delinquency (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Parent, the Borrower or its Restricted Subsidiaries, as the case may be); and no tax Lien has been filed, and, to the knowledge of the Parent and the Borrower, no claim is being asserted, with respect to any such tax, fee or other charge.

4.11 Federal Regulations . No part of the proceeds of any Loans, and no other extensions of credit hereunder, will be used (a) for “purchasing” or “carrying” any “margin stock” within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect for any purpose that violates the provisions of the Regulations of the Board or (b) or for any purpose that violates the provisions of the Regulations of the Board. No more than 25% of the assets of the Parent, the Borrower and each of its Restricted Subsidiaries consists of “margin stock” as so defined. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1 referred to in Regulation U.

4.12 Labor Matters . There are no strikes or other labor disputes against the Parent, the Borrower or any of its Domestic Subsidiaries pending or, to the knowledge of the Parent or the Borrower, threatened that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. Hours worked by and payments made to employees of the Parent, the Borrower and its Domestic Subsidiaries have not been in violation of the Fair Labor Standards Act (to the extent applicable) or any other applicable Requirement of Law dealing with such matters that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. All payments due from the Parent, the Borrower or any of its Restricted Subsidiaries on account of employee health and welfare insurance that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect, if not paid, have been paid or accrued as a liability on the books of the Parent, the Borrower or the relevant Restricted Subsidiary.

4.13 ERISA . Except as set forth on Schedule 4.13, neither a material Reportable Event nor a failure by the Borrower or any Commonly Controlled Entity to make by its due date a required installment under Section 430(j) of the Code with respect to any Plan or the failure by any Plan to satisfy the minimum funding standards (within the meaning of Section 412 of the Code or Section 302 of ERISA) applicable to such Plan, whether or not waived has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all material respects with the applicable provisions of ERISA and the Code. No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by a material amount. Neither the Borrower nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and neither the Borrower nor any Commonly Controlled Entity would become subject to any material liability under ERISA if the Borrower or any such Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made. No Multiemployer Plan is, or is expected to be, in Reorganization, Insolvent, or in “endangered” or “critical” status (within the meaning of Section 432 of the Code or Section 305 of ERISA) that has resulted or could reasonably be expected to result in a material liability to the Borrower or any Commonly Controlled Entity.

4.14 Investment Company Act; Other Regulations . No Loan Party is an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law which limits its ability to incur Indebtedness.

4.15 Subsidiaries. (a) The Subsidiaries listed on Schedule 4.15(a) constitute all the Subsidiaries of the Borrower as of the Restatement Closing Date. Schedule 4.15(a) sets forth as of the Restatement Closing Date the name and jurisdiction of organization of each Subsidiary and, as to each Subsidiary, the percentage of each class of Capital Stock owned by each Loan Party and whether such Subsidiary is a Class I Restricted Subsidiary, Class II Restricted Subsidiary or an Unrestricted Subsidiary and, in the case of each Class I Restricted Subsidiary, whether such Subsidiary is a Wholly Owned Subsidiary and a Subsidiary Guarantor.

(b) There are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of the Parent, the Borrower or any Subsidiary, except as disclosed on Schedule 4.15(b) or with respect to such Capital Stock owned by third parties.

4.16 Use of Proceeds. The proceeds of the Term Loans shall be used (i) to refinance certain existing indebtedness of the Borrower, (ii) for general corporate purposes and (iii) to pay fees and expenses related to any of the foregoing. The proceeds of the Revolving Credit Loans and the Letters of Credit shall be used for general corporate purposes.

4.17 Environmental Matters. Other than exceptions to any of the following that could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect:

(a) The Borrower and its Subsidiaries: (i) are, and within the period of all applicable statutes of limitation have been, in compliance with all applicable Environmental Laws; (ii) hold all Environmental Permits (each of which is in full force and effect) required for any of their current operations at any property owned, leased, or otherwise operated by any of them; and (iii) are, and within the period of all applicable statutes of limitation have been, in compliance with all of their Environmental Permits.

(b) Materials of Environmental Concern are not present at, on, under, in, or about any real property now or formerly owned, leased or operated by the Borrower or any of its Subsidiaries, or at any other location (including, without limitation, any location to which the Borrower or any of its Subsidiaries has sent Materials of Environmental Concern for re-use or recycling or for treatment, storage, or disposal) which could reasonably be expected to (i) give rise to liability of the Borrower or any of its Subsidiaries under any applicable Environmental Law, or (ii) interfere with the Borrower's or any of its Subsidiaries' continued operations, or (iii) impair the fair saleable value of any real property owned or leased by the Borrower or any of its Subsidiaries.

(c) There is no judicial, administrative, or arbitral proceeding (including any notice of violation or alleged violation) under or relating to any Environmental Law to which the Borrower or any of its Subsidiaries is, or to the knowledge of the Borrower or any of its Subsidiaries will be, named as a party.

(d) Neither the Borrower nor any of its Subsidiaries has received any written request for information, or been notified that it is a potentially responsible party under or relating to the federal Comprehensive Environmental Response, Compensation, and Liability Act or any similar Environmental Law, or with respect to any Materials of Environmental Concern.

(e) Neither the Borrower nor any of its Subsidiaries has entered into or agreed to any consent decree, order, or settlement or other agreement, or is subject to any judgment, decree, or order or other agreement, in any judicial, administrative, arbitral, or other forum for dispute resolution, relating to compliance with or liability under any Environmental Law.

(f) Neither the Borrower nor any of its Subsidiaries has contractually, or by operation of law, assumed any liabilities of another Person under any Environmental Law or with respect to any Material of Environmental Concern.

4.18 Accuracy of Information, etc. . No statement or information contained in this Agreement, any other Loan Document, the Confidential Information Memorandum or any other document, certificate or statement furnished to the Administrative Agent or the Lenders or any of them, by or on behalf of any Loan Party for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the date such statement, information, document or certificate was so furnished (or, in the case of the Confidential Information Memorandum, as of the date of this Agreement), any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein not misleading. The projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There is no fact known to any Loan Party that could reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in the Confidential Information Memorandum or in any other documents, certificates and statements furnished to the Agents and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

4.19 Security Documents.

(a) The Guarantee and Collateral Agreement, together with the Reaffirmation Agreement, are effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described therein. In the case of the Pledged Stock, stock certificates representing such Pledged Stock have been delivered to the Administrative Agent (together with a properly completed and signed stock power or endorsement), and in the case of the other Collateral described in the Guarantee and Collateral Agreement, financing statements in appropriate form have been filed in the offices specified on Schedule 4.19(a) as of the Restatement Closing Date and such other filings as are specified on Schedule 2 to the Guarantee and Collateral Agreement have been completed and the

(b) Each of the Mortgages existing as of the date hereof, when amended by the mortgage amendment referred to in Section 6.13 (the "Mortgage Amendments") will be effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable Lien on the Mortgaged Properties described therein and proceeds thereof; and when (i) the Mortgage Amendments are filed in the offices specified on Schedule 4.19(b) (in the case of the Mortgages existing as of the Restatement Closing Date) and (ii) the Mortgages which are to be executed and delivered pursuant to Section 6.9(b) are filed in the recording office designated by the Borrower, such Mortgage shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in the Mortgaged Properties described therein and the proceeds thereof, as security for the Obligations (as defined in the relevant Mortgage), in each case prior and superior in right to any other Person (other than Persons holding Liens or other encumbrances or rights permitted by the relevant Mortgage).

4.20 Solvency. Each Loan Party is, and after giving effect to the Transactions and the incurrence of all Indebtedness and obligations being incurred in connection herewith will be Solvent.

4.23 Anti-Corruption Laws and Sanctions. The Parent and Borrower have implemented and maintain in effect policies and procedures designed to ensure compliance by the Parent, the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Parent, the Borrower and its Subsidiaries and, to the knowledge of the Parent or the Borrower, their respective officers, employees, directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. SECTION 9. THE AGENTS

9.1 Appointment. Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each Lender irrevocably authorizes each Agent, in such capacity, to take such action on its

behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

9.2 Delegation of Duties. Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

9.3 Exculpatory Provisions. Neither any Agent nor any of its officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

9.4 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Loan Parties), independent accountants and other experts selected by such Agent. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless such Note shall have been transferred in accordance with Section 10.6 and all actions required by such Section in connection with such transfer shall have been taken. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement) as it deems appropriate or it shall first be indemnified to its satisfaction by such Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully

protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5 Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent shall have received notice from a Lender, the Parent or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent shall receive such a notice, the Administrative Agent shall give notice thereof to the Lenders or if such notice is from a Lender, to the Borrower. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither any of the Agents nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of such Agent or any of its officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

9.7 Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an “Agent Indemnitee”) in its capacity as such (to the extent not reimbursed by the Borrower or any Guarantor and without limiting the obligation of the Borrower or any Guarantor to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), for, and to save each Agent harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including, without limitation, at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee’s gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

9.9 Successor Agents. The Administrative Agent may resign as Administrative Agent upon ten days’ notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8.1(a) or Section 8.1(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term “Administrative Agent” shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent’s rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is ten days following a retiring Administrative Agent’s notice of resignation, the retiring Administrative Agent’s resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. The Syndication Agent may, at any time, by notice to the Lenders and the Administrative Agent, resign as Syndication Agent hereunder, whereupon the duties, rights,

obligations and responsibilities of the Syndication Agent, if any, hereunder shall automatically be assumed by, and inure to the benefit of, the Administrative Agent, without any further act by the Syndication Agent, the Administrative Agent or any Lender. After any retiring Agent's resignation as Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

9.10 Authorization to Release Liens and Guarantees The Administrative Agent is hereby irrevocably authorized by each of the Lenders to (i) effect any release of Liens or guarantee obligations contemplated by Section 10.15 and (ii) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any "Permitted Lien" (as defined in Section 10.15(a)) to the extent contemplated by Section 10.15(a)(ii).

9.11 The Agents. Other than the Administrative Agent, none of the Agents, in their respective capacities as such, shall have any duties or responsibilities, or incur any liability, under this Agreement and the other Loan Documents.

SECTION 10. MISCELLANEOUS

10.1 Amendments and Waivers. Neither this Agreement or any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or (with the written consent of the Required Lenders) the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents (including amendments and restatements hereof or thereof) for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as may be specified in the instrument of waiver, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall:

(i) forgive or reduce the principal amount or extend the final scheduled date of maturity of any Loan or Reimbursement Obligation, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Majority Facility Lenders of each adversely affected Facility) and (y) that any amendment or modification of defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (i)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Commitment of any Lender, in each case without the consent of each Lender directly affected thereby;

-
- (ii) amend, modify or waive any provision of this Section or reduce any percentage specified in the definition of Required Lenders or Required Prepayment Lenders, consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release all or substantially all of the Guarantors from their guarantee obligations under the Guarantee and Collateral Agreement, in each case without the consent of all Lenders;
 - (iii) amend, modify or waive any condition precedent to any extension of credit under the Revolving Credit Facility set forth in Section 5.2 (including, without limitation, the waiver of an existing Default or Event of Default required to be waived in order for such extension of credit to be made) without the consent of the Majority Revolving Credit Facility Lenders;
 - (iv) reduce the percentage specified in the definition of Majority Facility Lenders with respect to any Facility without the written consent of all Lenders under such Facility;
 - (v) amend, modify or waive any provision of Section 9 or any other provision of any Loan Document directly affecting the rights, obligations or duties of any Agent without the consent of such Agent;
 - (vi) amend, modify or waive any provision of Section 2.16 without the consent of each Lender directly affected thereby;
 - (vii) amend, modify or waive any provision of Section 3 without the consent of the Issuing Lender;
 - (viii) amend or modify Section 10.6 to add any additional consent requirements necessary to effect any assignment or participation under such Section (other than the consent of the Borrower) without the consent of each Lender;
 - (ix) amend, modify or waive any provision of Section 2.10 without the consent of the Required Prepayment Lenders; or
 - (x) amend Section 10.6(g) except in the manner set forth in the last sentence thereof.

In addition to the amendments described above, and notwithstanding anything in this Section 10.1 to the contrary, (i) the Peso Subfacility Amendments may be effected in accordance with the provisions of Section 2.23, (ii) amendments contemplated by Section 2.26 may be effected in accordance with Section 2.26 without the consent of any Person other than as specified in Section 2.26, and (iii) Extensions and Extension Amendments may be effected in accordance with Section 2.27 without the consent of any Person other than as specified in Section 2.27.

Any waiver, amendment, supplement or modification effected in accordance with this Section 10.1 shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Any such waiver, amendment, supplement or modification shall be effected by a written instrument signed by the parties required to sign pursuant to the foregoing provisions of this Section; provided, that delivery of an executed signature page of any such instrument by facsimile transmission shall be effective as delivery of a manually executed counterpart thereof.

For the avoidance of doubt, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and each Loan Party to each relevant Loan Document (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof (collectively, the "Additional Extensions of Credit") to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and Revolving Extensions of Credit and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, Required Prepayment Lenders, the Majority Facility Lenders and Majority Revolving Facility Lenders; provided, however, that no such amendment shall permit the Additional Extensions of Credit to share ratably with (except pursuant to the Peso Subfacility Amendments) or with preference to the Loans in the application of mandatory prepayments without the consent of the Required Prepayment Lenders (prior to giving effect to clause (y)).

In addition, notwithstanding the foregoing, (i) this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below), and no consent of any other Person shall be required in connection with any such amendment, to permit the refinancing, replacement or modification of all outstanding Term Loans ("Replaced Term Loans") with a replacement term loan tranche hereunder ("Replacement Term Loans"), provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans, (b) if such refinancing, replacement or modification is consummated prior to the six month anniversary of the Seventh Amendment Effective Date and the Applicable Margin for such Replacement Term Loans shall be lower than the Applicable Margin for such Replaced Term Loans, then the fifth sentence of Section 2.9(a) shall apply, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Replaced Term Loans at the time of such refinancing, and (d) in connection with any such transaction, Lenders that do not provide Replacement Term Loans shall be deemed to have agreed to waive the optional prepayment notice periods specified in the first sentence of Section 2.9(a), and (ii) this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Revolving Credit Facility (as defined below), and no consent of any other Person shall be required in connection with any such amendment, to permit the

refinancing, replacement or modification of all of the then existing Revolving Credit Facility ("Replaced Revolving Credit Facility") with a replacement revolving credit facility hereunder ("Replacement Revolving Credit Facility"), provided that (a) the aggregate commitments in respect of such Replacement Revolving Credit Facility shall not exceed the aggregate Revolving Credit Commitments in respect of such Replaced Revolving Credit Facility and (b) the maturity date of such Replacement Revolving Credit Facility shall not be shorter than the maturity date of such Replaced Revolving Credit Facility at the time of such refinancing.

Furthermore, notwithstanding the foregoing, the Administrative Agent, with the consent of the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document.

10.2 Notices. All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or three Business Days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, addressed (a) in the case of the Parent, the Borrower and the Agents, as follows and (b) in the case of the Lenders, as set forth in an administrative questionnaire delivered to the Administrative Agent or, in the case of a Lender which becomes a party to this Agreement pursuant to an Assignment and Assumption, in such Assignment and Assumption or (c) in the case of any party, to such other address as such party may hereafter notify to the other parties hereto:

provided that any notice, request or demand to or upon any Agent, any Issuing Lender or any Lender shall not be effective until received.

Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

10.3 No Waiver: Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4 Survival of Representations and Warranties. All representations and warranties made herein, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5 Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Agents for all their reasonable out-of-pocket costs and expenses incurred in connection with the syndication of the Facilities (other than fees payable to syndicate members) and the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including, without limitation, the reasonable fees and disbursements and other charges of counsel to the Administrative Agent (but limited to one counsel to the Administrative Agent), filing and recording fees and expenses and the charges of Intralinks, (b) to pay or reimburse each Lender and the Agents for all their out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including, without limitation, the fees and disbursements of counsel (including the allocated fees and disbursements and other charges of in-house counsel) to each Lender and of counsel to the Agents (but limited to one counsel to the Administrative Agent, one counsel to the Lenders, appropriate local counsel as may be necessary and, in the case of a conflict of interest, additional legal counsel as may be necessary), (c) to pay, indemnify, or reimburse each Lender and the Agents for, and hold each Lender, the Issuing Lender and the Agents harmless from, any and all recording and filing fees and any and all liabilities with

respect to, or resulting from any delay caused by the Borrower in paying, other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, defend, indemnify or reimburse each Lender, the Issuing Lender, each Agent, their respective affiliates, and their respective officers, directors, trustees, employees, advisors, agents and controlling persons (each, an “Indemnatee”) for, and hold each Indemnatee harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including, without limitation, any claim, litigation, investigation or proceeding regardless of whether any Indemnatee is a party thereto and whether or not the same are sought by the Borrower, its equity holders, affiliates or creditors or any other person, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable or allegedly applicable to the Parent, the Borrower, any of its Subsidiaries or any of their operations or any property at any time owned, leased, or in any way used by any of such parties and the fees and disbursements and other charges of legal counsel in connection with claims, actions or proceedings by any Indemnatee against the Borrower hereunder (all the foregoing in this clause (d), collectively, the “Indemnified Liabilities”), provided, that the Borrower shall have no obligation hereunder to any Indemnatee with respect to Indemnified Liabilities (i) to the extent such Indemnified Liabilities are found by a final, nonappealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnatee or (ii) arising from claims asserted by another Indemnatee against such Indemnatee, provided, further, that this Section 10.5(d) shall not apply with respect to taxes other than any taxes that represent losses or damages arising from any non-tax claim. The Borrower shall have the right to undertake, conduct and control through counsel of its own choosing (which counsel shall be acceptable to the applicable Indemnatee acting reasonably), the conduct and settlement of claims with respect to the related Indemnified Liabilities, and such Indemnatee shall cooperate with the Borrower in connection therewith; provided that the Borrower shall permit such Indemnatee to participate in such conduct and settlement through counsel chosen by such Indemnatee. Notwithstanding the foregoing, each Indemnatee shall have the right to employ its own counsel and the reasonable fees and expenses of such counsel shall be at the Borrower’s cost and expense if such Indemnatee reasonably determines that (i) the Borrower’s counsel is not defending any claim or proceeding in a manner reasonably acceptable to such Indemnatee or (ii) the interest of the Borrower and such Indemnatee have become adverse in any such claim or cause of action, provided, however, that in such event, the Borrower shall only be liable for the reasonable legal expenses of one counsel for all such Indemnitees. If clause (ii) of the immediately preceding sentence is applicable, at the option of the applicable Indemnatee, its attorneys shall control the resolution of any such claim with respect to the related Indemnified Liabilities. The Borrower shall not, without the prior written consent of each Indemnatee affected thereby, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification may be sought hereunder (whether or not such Indemnatee is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (a) includes an unconditional

release of such Indemnitee from all liability arising out of such action or claim, (b) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of such Indemnitee and (c) does not require such Indemnitee to pay any form of consideration to any party or parties (including, without limitation, the payment of money) in connection therewith. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries so to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee until the date on which all Obligations (other than obligations in respect of any Specified Hedge Agreement and obligations in respect of any Specified Cash Management Agreement) have been paid in full, all Commitments have terminated or expired and no Letter of Credit shall be outstanding. Notwithstanding any other provision of this Section, the Borrower shall have no obligation hereunder to any Indemnitee for any environmental claims arising from actions taken by such Indemnitee with respect to any Property after the exercise of remedies by such Indemnitee with respect to such Property. All amounts due under this Section shall be payable not later than 30 days after written demand therefor supported by customary documentation. Statements payable by the Borrower pursuant to this Section shall be submitted to General Counsel (Telephone No. (972) 665-1000) (Fax No. (972) 665-1004), at the address of the Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a notice to the Administrative Agent. The agreements in this Section shall survive repayment of the Loans and all other amounts payable hereunder.

No Indemnitee or any of the other parties hereto shall be liable to any other party hereto for any damages arising from the use by unauthorized Persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such Persons (except to the extent any such damages are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee) or for any special, indirect, exemplary, consequential or punitive damages in connection with the Facilities.

10.6 Successors and Assigns; Participations and Assignments .(g) (a) This Agreement shall be binding upon and inure to the benefit of the Parent, the Borrower, the Lenders, the Agents, all future holders of the Loans and their respective successors and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Agents and each Lender.

(b) Any Lender may, without the consent of the Borrower, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities (each, a "Participant") participating interests in any Loan owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the

other Loan Documents, and the Borrower and the Agents shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would require the consent of all Lenders pursuant to Section 10.1. The Borrower agrees that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 10.7(a) as fully as if such Participant were a Lender hereunder. The Borrower and each Lender also agree that each Participant shall be entitled to the benefits of Sections 2.17, 2.18 and 2.19 with respect to its participation in the Commitments and the Loans outstanding from time to time as if such Participant were a Lender; provided that, in the case of Section 2.18, such Participant shall have complied with the requirements of said Section, and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred, except to the extent such entitlement to receive a greater amount results from the adoption of, or a change in any Requirement of Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that any such Commitment or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(c) Any Lender (an "Assignor") may, in accordance with applicable law, at any time and from time to time assign to any Lender or any Affiliate or Related Fund thereof or, with the consent of (i) the Administrative Agent and so long as no Default or Event of Default has occurred and is continuing, the Borrower (which, in each case, shall not be unreasonably withheld or delayed) (provided that no such consent need be obtained with respect to any assignment of Term Loans, unless such assignment is to a Person that is a motion picture

exhibitor or an Affiliate or related entity of a motion picture exhibitor, in which case such assignment shall require the consent of the Borrower), and (ii) in the case of any assignment of the Revolving Credit Commitments, the Issuing Lenders (which consent shall not be unreasonably withheld), to an additional bank, financial institution or other entity (an "Assignee") all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Assumption, substantially in the form of Exhibit E, executed by such Assignee and such Assignor (and, where the consent of the Borrower, the Administrative Agent or the Issuing Lenders is required pursuant to the foregoing provisions, by the Borrower and such other Persons) and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that no such assignment to an Assignee (other than any Lender or any affiliate or Related Fund thereof) shall be in an aggregate principal amount of less than \$5,000,000, in the case of any assignment of Revolving Credit Commitments, and \$1,000,000, in the case of any assignment of Term Loans (other than in the case of an assignment of all of a Lender's interests under this Agreement), unless otherwise agreed by the Borrower and the Administrative Agent and, after giving effect to such assignment, the assigning Lender (if it shall retain any Revolving Credit Commitment or Loans) shall have Commitments and Loans aggregating at least \$5,000,000, in the case of Revolving Credit Commitments, and \$1,000,000, in the case of the Term Loans. Any such assignment need not be ratable as among the Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Assumption, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Lender hereunder with Commitments and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto, except as to Sections 2.17, 2.18 and 10.5 in respect of the period prior to such effective date and Section 10.14). Notwithstanding any provision of this Section, the consent of the Borrower shall not be required for any assignment that occurs at any time when any Event of Default shall have occurred and be continuing. For purposes of the minimum assignment amounts set forth in this paragraph, multiple assignments to or by two or more Related Funds shall be aggregated and for purposes of the minimum hold amounts, the Commitments and Loans of Related Funds shall be aggregated.

(d) The Administrative Agent shall, on behalf of the Borrower, maintain at its address referred to in Section 10.2 a copy of each Assignment and Assumption delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, each Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing such Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register. Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Assumption; thereupon one or more new Notes in the same aggregate principal amount shall be issued to the designated Assignee, and the old Notes shall be returned by the Administrative Agent to the Borrower marked "canceled." The Register shall be available for inspection by the Borrower or any Lender (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of an Assignment and Assumption executed by an Assignor and an Assignee (and, in any case where the consent of any other Person is required by Section 10.6(c), by each such other Person) together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (treating multiple, simultaneous assignments by or to two or more Related Funds as a single assignment) (except that no such registration and processing fee shall be payable in connection with an assignment by or to a Barclays Entity), and the acceptance of the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder) the Administrative Agent shall (i) promptly accept such Assignment and Assumption and (ii) on the effective date determined pursuant thereto record the information contained therein in the Register and give notice of such acceptance and recordation to the Borrower. On or prior to such effective date, the Borrower, at its own expense, upon request, shall execute and deliver to the Administrative Agent (in exchange for the Revolving Credit Note and/or applicable Term Notes, as the case may be, of the assigning Lender) a new Revolving Credit Note and/or applicable Term Notes, as the case may be, to the order of such Assignee in an amount equal to the Revolving Credit Commitment and/or applicable Term Loans, as the case may be, assumed or acquired by it pursuant to such Assignment and Assumption and, if the Assignor has retained a Revolving Credit Commitment and/or Term Loans, as the case may be, upon request, a new Revolving Credit Note and/or Term Notes, as the case may be, to the order of the Assignor in an amount equal to the Revolving Credit Commitment and/or applicable Term Loans, as the case may be, retained by it hereunder. Such new Note or Notes shall be dated the Restatement Closing Date and shall otherwise be in the form of the Note or Notes replaced thereby. In the event that the Administrative Agent has received a Revolving Credit Note and/or a Term Note, as the case may be, from the assigning Lender, the Administrative Agent shall promptly return to the Borrower such Note and/or Notes for cancellation.

(f) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests in Loans and Notes, including, without limitation, any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank in accordance with applicable law.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender.

Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any state thereof. In addition, notwithstanding anything to the contrary in this Section 10.6(g), any SPC may (A) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender, or with the prior written consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld) to any financial institutions providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Loans, and (B) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC; provided that non-public information with respect to the Borrower may be disclosed only with the Borrower's consent which will not be unreasonably withheld. This paragraph (g) may not be amended without the written consent of the Required Lenders, the Borrower and any SPC with Loans outstanding at the time of such proposed amendment.

10.7 Adjustments: Set-off. (a) Except to the extent that this Agreement or a court order expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility or Lenders holding a particular tranche, if any Lender (a "Benefitted Lender") shall at any time receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment made pursuant to Section 10.6 or a prepayment pursuant to Section 2.25), or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8.1(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Obligations, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Obligations, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Parent or the Borrower, any such notice being expressly waived by the Parent and the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Parent or the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or

demand, provisional or final, but excluding deposits held by the Parent or the Borrower in a fiduciary capacity for others), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch, agency or bank affiliate thereof to or for the credit or the account of the Parent or the Borrower, as the case may be; provided that if any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lender and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10 Integration. This Agreement and the other Loan Documents represent the entire agreement of the Parent, the Borrower, the Agents and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents. This Agreement supersedes and terminates the engagement letter among the Borrower and the Agents (other than any provisions relating to obligations of the Borrower in respect of syndication of the Facilities) but not the related fee letter.

10.11 **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

10.12 Submission To Jurisdiction; Waivers. Each of the Parent and the Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof; provided, that nothing contained herein or in any other Loan Document will prevent any Lender or the Administrative Agent from bringing any action to enforce any award or judgment or exercise any right under the Security Documents or against any Collateral or any other property of any Loan Party in any other forum in which jurisdiction can be established;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Parent or the Borrower, as the case may be at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) together with each Lender, each Agent waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, indirect, exemplary, punitive or consequential damages.

10.13 Acknowledgments. Each of the Parent and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Lender has any fiduciary relationship with or duty to the Parent or the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and the Lenders, on one hand, and the Parent and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Agents and the Lenders or among the Parent, the Borrower and the Lenders.

10.14 Confidentiality. Each of the Agents, the Lenders and the other Credit Parties agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent any Agent or any Lender from disclosing any such information (a) to any Agent, any other Lender or any affiliate of any thereof, (b) to any Participant or Assignee (each, a “Transferee”) or prospective Transferee that has agreed to comply with the provisions of this Section, (c) to any of its employees, directors, agents, attorneys, accountants and other professional advisors who will be advised of such confidentiality, (d) to any financial institution that is a creditor of such Agent or Lender or a direct or indirect contractual counterparty of such Agent or Lender in swap agreements or such contractual counterparty’s professional advisor (so long as such creditor or contractual counterparty or professional advisor to such contractual counterparty has agreed to be bound by the provisions of this Section), (e) upon the request or demand of any Governmental Authority having jurisdiction over it, (f) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (g) in connection with any litigation or similar proceeding, (h) that has been publicly disclosed other than in breach of this Section, (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender’s investment portfolio in connection with ratings issued with respect to such Lender, (j) in connection with the exercise of any remedy hereunder or under any other Loan Document or (k) if agreed by the Borrower in its sole discretion to any other Person; provided, however, with respect to clauses (e), (f) and (g), each of the Agents and Lenders agrees to give the Parent and Borrower prompt notice of any request for such confidential information so as to permit the Parent or the Borrower to seek a protective order or similar remedy or cause such information to be accorded confidential treatment. Notwithstanding anything herein to the contrary, any party to this Agreement (and any employee, representative, or other agent of any party to this Agreement) may disclose to any and all Persons, without limitation of any kind, the structure and tax aspects of the transactions contemplated by this Agreement, and all materials of any kind (including opinions or other tax analyses) related to such structure and tax aspects. Further, each party hereto acknowledges that it has no proprietary rights to any tax matter or tax idea related to the transactions contemplated by this Agreement.

10.15 Release of Collateral and Guarantee Obligations.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower (i) in connection with any Disposition of Property permitted by the Loan Documents, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Agent or any Qualified Counterparty) take such actions as shall be required to release its Lien in any Collateral being Disposed of in such Disposition, and to release any guarantee obligations under any Loan Document of any Person being Disposed of in such Disposition, to the extent necessary to permit consummation of such Disposition in accordance with the Loan Documents and (ii) in connection with the grant of a Lien permitted by Section 7.3(e), (g), (i), (k), (l), (m), (w), (x)(ii) or (bb) (each, a “Permitted Lien”), the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Agent or any Qualified Counterparty) take such actions as shall be required to subordinate the Administrative

Agent's Lien in any Collateral being encumbered by such Permitted Lien, solely if and to the extent necessary under the documentation governing such Permitted Lien, or, in the case of Permitted Liens granted pursuant to Section 7.3(g), release the Administrative Agent's Lien in such Collateral being encumbered by such Permitted Lien solely if and to the extent necessary under the documentation governing such Permitted Lien.

(b) Notwithstanding any other provision of this Agreement or any other Loan Document, the Borrower may request, and the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Agent or any Qualified Counterparty) grant, a release of any specific parcel of real property Collateral if (i) (A) such release is in connection with a grant by the Borrower or a Guarantor of additional real property Collateral of similar or greater value (valued in accordance with Schedule 6.9(b)-1; such value to be demonstrated to the reasonable satisfaction of the Administrative Agent) and (B) immediately after giving effect to such Collateral substitution, no Default or Event of Default shall have occurred and be continuing, (ii) such parcel represents an adjacent parcel of real property not necessary in the business of the Borrower or any Class I Restricted Subsidiary which has been separated from another parcel of real property of the Borrower or a Class I Restricted Subsidiary by means of subdivision and replatting or (iii) after giving effect to such release, the aggregate value of the remaining Mortgaged Properties (valued in accordance with Schedule 6.9(b)-1; such value to be demonstrated to the reasonable satisfaction of the Administrative Agent) is at least 125% of the Assumed Loan Amount.

(c) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than obligations in respect of any Specified Hedge Agreement or Specified Cash Management Agreement) have been paid in full, all Commitments have terminated or expired and no Letter of Credit shall be outstanding, upon request of the Borrower, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Agent, or any Person that is a party to any Specified Hedge Agreement or Specified Cash Management Agreement) take such actions as shall be required to release its security interest in all Collateral, and to release all guarantee obligations under any Loan Document, whether or not on the date of such release there may be outstanding Obligations in respect of Specified Hedge Agreements or Specified Cash Management Agreements. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(d) The Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Agent or any Qualified Counterparty) release its security interest in Collateral as provided in the Guarantee and Collateral Agreement, including Section 8.15 thereof.

10.16 Accounting Changes. In the event that any “Accounting Change” (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then the Borrower and the Administrative Agent agree to enter into negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Change with the desired result that the criteria for evaluating the Borrower’s financial condition shall be the same after such Accounting Change as if such Accounting Change had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Change had not occurred. “Accounting Change” refers to any change in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants (including the Emerging Issues Task Force thereof) or, if applicable, the SEC or in the interpretation or application thereof by independent certified public accountants of nationally recognized standing.

10.17 **WAIVERS OF JURY TRIAL**. THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

10.18 USA Patriot Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

10.19 No Novation. The terms and conditions of the Existing Credit Agreement are amended as set forth in, and restated in their entirety and superseded by, this Agreement. Nothing in this Agreement shall be deemed to be a novation of any of the Obligations as defined in the Existing Credit Agreement. Notwithstanding any provision of this Agreement or any other Loan Document or instrument executed in connection herewith, the execution and delivery of this Agreement and the incurrence of Obligations hereunder shall be in substitution for, but not in payment of, the Obligations owed by the Loan Parties under the Existing Credit Agreement. From and after the Restatement Closing Date, each reference to the “Agreement”, “Credit Agreement” or other reference originally applicable to the Existing Credit Agreement contained in any Loan Document shall be a reference to this Agreement, as amended, supplemented, restated or otherwise modified from time to time.

10.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

10.21 Certain ERISA Matters.

Neither the Administrative Agent nor any Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Administrative Agent or any Secured Party of any payment relating thereto, nor shall the Administrative Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3 Pledged Stock. (a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Stock and all payments made in respect of the Pledged Notes, in each case paid in the normal course of business of the relevant Issuer, to the extent permitted in the Credit Agreement, and to exercise all voting and corporate rights with respect to the Pledged Securities; provided, however, that no vote shall be cast or corporate right exercised or other action taken which, in the Administrative Agent's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Credit Agreement, this Agreement or any other Loan Document.

(b) If an Event of Default shall occur and be continuing and the Administrative Agent shall give notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations in the order set forth in Section 6.5, and (ii) any or all of the Pledged Securities shall be registered in the name of the Administrative Agent or its nominee, and the Administrative Agent or its nominee may thereafter exercise (x) all voting, corporate and other rights pertaining to such Pledged Securities at any meeting of shareholders of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate structure of any Issuer, or upon the exercise by any Grantor or the Administrative Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine), all without liability except to account for property actually received by it, but the Administrative Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Administrative Agent.

6.4 Proceeds to be Turned Over To Administrative Agent. In addition to the rights of the Administrative Agent and the Secured Parties specified in Section 6.1 with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, checks and Instruments shall be held by such Grantor in trust for the Administrative Agent and the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Administrative Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the Administrative Agent in a Collateral Account (or by such Grantor in trust for the Administrative Agent and the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds . At such intervals as may be agreed upon by the Borrower and the Administrative Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent shall apply all or any part of Proceeds constituting Collateral, whether or not held in any Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Obligations in the following order:

First, to pay incurred and unpaid fees and expenses of the Administrative Agent under the Loan Documents;

Second, to the Administrative Agent, for application by it towards payment of amounts then due and owing and remaining unpaid in respect of the Obligations, pro rata among the Secured Parties according to the amounts of the Obligations then due and owing and remaining unpaid to the Secured Parties;

Third, to the Administrative Agent, for application by it towards prepayment of the Obligations, pro rata among the Secured Parties according to the amounts of the Obligations then held by the Secured Parties; and

Fourth, any balance of such Proceeds remaining after the Obligations shall have been paid in full, no Letters of Credit shall be outstanding and the Commitments shall have terminated, shall be paid over to the Borrower or to whomsoever may be lawfully entitled to receive the same.

Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

6.6 Code and Other Remedies. If an Event of Default shall occur and be continuing, the Administrative Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the New York UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Administrative Agent or any Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted

by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Administrative Agent and the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, as specified in Section 6.5, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without limitation, Section 9-615(a)(3) of the New York UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Administrative Agent or any Secured Party arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

6.7 Registration Rights. (a) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Stock, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that it is not commercially unreasonable to conduct such a private sale. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Stock for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(b) Each Grantor agrees to use its commercially reasonable efforts to do or cause to be done all such acts as may be necessary to make such sale or sales of all or any portion of the Pledged Stock pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable Requirements of Law other than the filing of registration, qualification or similar statements under the Securities Act or applicable state securities laws. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Administrative Agent and the Secured Parties, that the Administrative Agent and the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred under the Credit Agreement.

6.8 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent or any Secured Party to collect such deficiency.

SECTION 7. THE ADMINISTRATIVE AGENT

7.1 Administrative Agent's Appointment as Attorney-in-Fact, etc. (a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Receivable or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Administrative Agent may request to evidence the Administrative Agent's and the Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any indorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any

suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due Revolving Credit Loans that are Base Rate Loans under the Credit Agreement, from the date of payment by the Administrative Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Administrative Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or

any part thereof. The powers conferred on the Administrative Agent and the Secured Parties hereunder are solely to protect the Administrative Agent's and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Secured Party to exercise any such powers. The Administrative Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

7.3 Execution of Financing Statements. Pursuant to any applicable law, each Grantor authorizes the Administrative Agent to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect the security interests of the Administrative Agent under this Agreement. Each Grantor authorizes the Administrative Agent to use the collateral description "all personal property other than Excluded Assets (as defined on Annex A attached hereto)" in any such financing statements. Each Grantor hereby ratifies and authorizes the filing by the Administrative Agent of any financing statement with respect to the Collateral made prior to the date hereof.

7.4 Authority of Administrative Agent. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

SECTION 8. MISCELLANEOUS

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 10.1 of the Credit Agreement.

8.2 Notices. All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 10.2 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor care of the Borrower at the address specified in Section 10.2 of the Credit Agreement.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. Neither the Administrative Agent nor any Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Administrative Agent or any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Administrative Agent or any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Administrative Agent or such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification. (a) Subject to Section 10.5 of the Credit Agreement, each Guarantor agrees to pay, or reimburse each Secured Party and the Administrative Agent for, all its costs and expenses incurred in collecting against such Guarantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Guarantor is a party, including, without limitation, the fees and disbursements of counsel (including the allocated fees and expenses of in-house counsel) to each Secured Party and of counsel to the Administrative Agent.

(b) Each Guarantor agrees to pay, and to save the Administrative Agent and the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Guarantor agrees to pay, and to save the Administrative Agent and the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

(d) The agreements in this Section shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

8.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Administrative Agent and the Secured Parties and their successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

8.6 Set-Off. Each Grantor hereby irrevocably authorizes the Administrative Agent and each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off as appropriate and apply any and all deposits (general or special, time or demand, provisional or final, but excluding deposits held by such Grantor in a fiduciary capacity

for others), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Administrative Agent or such Secured Party to or for the credit or the account of such Grantor, or any part thereof in such amounts as the Administrative Agent or such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to the Administrative Agent or such Secured Party hereunder and claims of every nature and description of the Administrative Agent or such Secured Party against such Grantor, in any currency, whether arising hereunder, under the Credit Agreement, any other Loan Document or otherwise, as the Administrative Agent or such Secured Party may elect, whether or not the Administrative Agent or any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. The Administrative Agent and each Secured Party shall notify such Grantor promptly of any such set-off and the application made by the Administrative Agent or such Lender of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor. The rights of the Administrative Agent and each Secured Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Administrative Agent or such Secured Party may have.

8.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10 Integration. This Agreement and the other Loan Documents represent the agreement of the Grantors, the Administrative Agent and the Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

8.11 **GOVERNING LAW**. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

8.12 Submission To Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 8.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

8.13 Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) neither the Administrative Agent nor any Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Grantors, on the one hand, and the Administrative Agent and Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

8.14 Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 6.9 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

8.15 Releases. (a) At such time as the Loans, the Reimbursement Obligations and the other Obligations (other than Borrower Cash Management Agreement Obligations, Borrower Hedge Agreement Obligations ~~and, Guarantor Cash Management Agreement Obligations~~, Guarantor Hedge Agreement Obligations, Subsidiary Cash Management Agreement Obligations, and Subsidiary Hedge Agreement Obligations) shall have been paid in full, the Commitments have been terminated and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Administrative Agent shall deliver to such Grantor any Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, or subjected to a Lien permitted by Section 7.3(u) or (bb) of the Credit Agreement, then the Administrative Agent, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Borrower, a Subsidiary Guarantor shall be released from its obligations hereunder in the event that all the Capital Stock of such Subsidiary Guarantor shall be sold, transferred or otherwise disposed of in a transaction permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Administrative Agent, at least 10 Business Days prior to the date of the proposed release, a written request for release identifying the relevant Subsidiary Guarantor and the terms of the sale or other disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a certification by the Borrower stating that such transaction is in compliance with the Credit Agreement and the other Loan Documents. At the request and sole expense of the Borrower, a Guarantor shall be released from its obligations hereunder in the event that such Guarantor is designated as an Unrestricted Subsidiary as permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Administrative Agent, at least 10 Business Days prior to the date of the proposed release, a written request for release identifying the relevant Guarantor, together with a certification by the Borrower stating that such designation as an Unrestricted Subsidiary is in compliance with the Credit Agreement and the other Loan Documents.

8.16 WAIVER OF JURY TRIAL. EACH GRANTOR AND, BY ACCEPTANCE OF THE BENEFITS HEREOF, EACH AGENT AND EACH LENDER, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

8.17 Additional Waiver. Each Guarantor waives all rights and defenses that such Guarantor may have because the Borrower's debt is secured by real property. This means, among other things: (i) the Administrative Agent or the Lenders may collect from any Guarantor without first foreclosing on any real or personal property collateral pledged by the Borrower and (ii) if the Administrative Agent or the Lenders foreclose on any real property collateral pledged by the Borrower, (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and (B) the Administrative Agent or the Lenders may collect from the Guarantors even if the Administrative Agent or the Lenders, by foreclosing on the real property collateral, has destroyed any right any Guarantor may have to collect from the Borrower. THIS IS AN UNCONDITIONAL AND IRREVOCABLE WAIVER OF ANY RIGHTS AND DEFENSES ANY GUARANTOR MAY HAVE BECAUSE THE BORROWER'S DEBT IS SECURED BY REAL PROPERTY. THESE RIGHTS AND DEFENSES INCLUDE, BUT ARE NOT LIMITED TO, ANY RIGHTS AND DEFENSES BASED UPON SECTIONS 580a, 580b, 580d, OR 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE. Each Guarantor waives all rights and defenses arising out of an election of remedies by the Administrative Agent or the Lenders, even though that election of remedies, such as a non-judicial foreclosure with respect to security for an Obligation guaranteed by any Guarantor, has destroyed any Guarantor's rights of subrogation and reimbursement against the principal by operation of Section 580d of the California Code of Civil Procedure or otherwise.
